The Misunderstanding Of The Church:

The Misunderstanding of the Church Emil Brunner, 2002 Brunner sees St Paul's Epistle to the Romans as the chapter of destiny of the Christian Church Here in Luther's words is the purest gospel upon which the very existence of the Christian faith depends and from which it draws its life Concentrated decisive and instructive nothing within the New Testament is more closely argued both theological and personal Out of his years of scholarly wisdom Brunner meditates on the great Question What is wrong with the Churches Brunner finds an answer in the contrast between the virile Spirit filled fellowship of the New Testament and the institutions which are now called churches He writes in his preface The title of the book The Misunderstanding of the Church is equivocal Is it a question of a misunderstanding of which the Church is guilty or of a misunderstanding of which it is the victim Or is it that the Church itself as such is perhaps the product of a misunderstanding The author is not responsible for this ambiguity it is intrinsic in the theme itself The Misunderstanding of the Church Emil Brunner, 1939 *The Misunderstanding of the Church* Emil Brunner, 1953 *The Misunderstanding and Misinterpretation and Manipulation of the Bible by Man*. Kanjela Moses, 2019-12-09 From a layman's point of view the author attempts to interpret some of the most misunderstood and misinterpreted Scriptures of the Bible in a layman's language so that they may be easily understood by those who seek to know the Word of God and so that they may not be misinterpreted by those who seek to preach the Word of God He also attempts to show how the Scriptures are manipulated by those who seek to make personal and material gain from the Word of God at the expense of their own flock This is in order that the readers of this book may understand some of the most important Scriptures of the Bible teach them within the Scriptures own accord and for all believers to be aware of the manipulators of the Word of God hiding in the church of God exploiting the very souls they are supposed to save It Takes a Church to Raise a Christian Tod E. Bolsinger, 2004-04 Rediscover the triune nature of God to reawaken and nourish a communal spirit in our individualist times The Free Church James D. Murch, 2014-06-06 About the Contributor's James DeForest Murch 1892-1973 was born in Ohio where he was educated in Ohio University and the University of Cincinnati He was an editor organizer historian and unity activist among the Christian Churches and Churches of Christ in the twentieth century The Power of the Church Michael R. Wagenman, 2020-11-20 It is fascinating that in all the media reports and discussions of the church's abuse of power in the early years of the twenty first century few if any seemed to notice that the accusation of the church's misuse of power presupposed a shared understanding of the positive use of power within the church that had been violated Rather than an interest in the sociological aspect of this question this book examines the more ontological and normative aspects of it That is it investigates and discerns the foundational theological framework of culture and society and the location and purpose of the church within them As a cultural force and societal institution what does the church constructively bring to the human community **Das Missverständnis Der Kirchen.
