The Mood Of Christmas:

The Mood of Christmas Howard Thurman, 1985 Howard Thurman writes There must always be remaining in every one's life some place for the singing of angels In the meditations found in *The Mood of Christmas* angels sing all year along At the time of his death in 1981 Howard Thurman was Dean Emeritus of Marsh Chapel Boston University and Chairman of the Board of Trustees of the Howard Thurman Educational Trust in San Francisco He also served as Dean of Rankin Chapel and Professor of Theology at Howard University in Washington D C and Director of Religious Life at Morehouse College Atlanta Founder of the Church for the Fellowship of All Peoples in San Francisco the first interracial interdenominational church in the United States he was spiritual mentor to Martin Luther King Jr and the author of more than twenty books which still speak to our condition today page 4 of cover *The Mood of Christmas* Howard Thurman, 1973-01-01 **Alchymy**

Hermann Beckh, 2019-10-23 As a practising Christian priest Hermann Beckh was profoundly aware that the mystery of substance its transmutation in the cosmos and the human being was a mystical fact to be approached with the greatest reverence requiring at once ever deepening scholarship and meditation He viewed chemistry as a worthy but materialistic science devoid of spirit while the fullness of spiritual physical nature could be approached by what he preferred to call chymistry or alchymy thereby taking in millennia of spiritual tradition In consequence Beckh's *Alchymy The Mystery of the Material World* is not limited to the conventional workings of Western alchemy nor to what can be found in the Bible from Genesis to Revelation although he does unveil hidden riches there Neither should Beckh be considered only as a learned Professor with impeccable academic qualifications and European wide recognition Beckh writes about such topics as Isis the Golden Fleece traditional fairy stories and Wagner's Parsifal in a way that enables the reader to catch glimpses of the Mystery of Substance to share the writer's authentic experience of the divine substantia the living reality of Christ in the world Beckh's *Alchymy* set an entirely new standard and went on to become his most popular publication This is the first time that it has been translated into English along with updated footnotes making his ideas and insights accessible to a wide readership In addition this edition features translations of Beckh's *The New Jerusalem* where theology could best be expressed in verse his exemplary essay on Snow White observations on Allerleirauh and a substantial excerpt from Gundhild Kaer Bock's biography of Beckh *The Spirit of Christmas* Arthur Gleason, 1912 *Joy to the World* Olivia

Cloud, 2006-11-21 Is there an idea or a dream that is lingering in the back of your mind this Christmas season asks the Reverend Robert H Schuller in *Joy to the World Inspirational Christmas Messages from America's Preachers* Is there some long lost hope that you just cannot forget God often comes through these thoughts It is God at work in you Track what we call our good fortune and we shall see God clearly in our lives says the Reverend Gardner C Taylor in his message He asked the question Did you ever sit among your family and strangely feel a thankfulness which made you somewhat shamefacedly brush a tear away You heard the angels sing Christmas is a time of establishing and celebrating many traditions begins the

Reverend Paula White in her reflection This is but a sampling of dozens of messages on the true meaning of Christmas included in this first book to celebrate the spirituality of Christmas by bringing together a diverse collection of messages from Christian leaders from across the country Contributors to this collection represent congregations from Hawaii to New York to Atlanta and all the regions surrounding and in between These inspirational words are from men and women who minister to and console young and old from all walks of life and who reflect the range of ethnicities and Christian religious traditions that characterizes America today This timeless treasure trove of inspiration and teaching has something for everyone and is the perfect gift for the season of giving Joy to the World shares the spirit of Christmas throughout the year

The Collected Lost Meanings Of Christmas Craig Conley, Michael Warwick, 2005-12-10 For those who know the meaning of Christmas but can't use it in a sentence This delightful compendium features 126 distinct definitions of the Christmas holiday with literary quotations This book is the antidote for people who complain that Christmas has become so commercialized that it is devoid of meaning The surprising and intriguing entries encourage contemplation and reminiscence One whimsical example is Christmas means Whiskey Pour a little Christmas in that eggnog darlin expression from the American South **Ebony**, 1998-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Holidays and Holy Nights** Christopher Hill, 2003 This joyous sparkling book opens the treasure chest of liturgical year to bring the creative power of the Divine into our ordinary lives here and now **Enjoying Religion** Frans Jespers, Paul van der Velde, Karin van Nieuwkerk, 2018-08-15 Enjoying religion seems to be a contradiction because religion is generally perceived as a serious or even suppressive phenomenon This volume is the first to study the increase of enjoying religion systematically by presenting eleven new case studies occurring on four continents The volume concludes that in our late modern secular societies the enjoyment of religion or of its loose elements is growing In particular when scholars concentrate on lived religion of ordinary people the cheerful experiences appear to prevail Many people use pleasant elements of religion to add meaning to their lives to find spiritual fulfillment or a way to salvation and to experience belonging to a larger unity At the same time diverse cultural dynamics of late modern society such as popular culture commercialization re enchantment and feminization influence this trend of enjoying religion In spite of secularization playing with religion appears to be attractive *Jungian and Psychoanalytic Perspectives on Christmas* Kendrick Lyddon Norris, 2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to

understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology
