Jonathan Noakes, Margaret Reynolds

The Moronic Inferno And Other Visits To America:

The Moronic Inferno and Other Visits to America Martin Amis, 1991-04-12 A collection of essays on America by the author of *London Fields* *Money* and *Yellow Dog* At the age of ten when Martin Amis spent a year in Princeton New Jersey he was excited and frightened by America As an adult he has approached that confusing country from many arresting angles and interviewed its literati filmmakers thinkers opinion makers leaders and crackpots with characteristic discernment and wit Included in a gallery of Great American Novelists are Norman Mailer Gore Vidal Truman Capote Joseph Heller William Burroughs Kurt Vonnegut John Updike Paul Theroux Philip Roth and Saul Bellow Amis also takes us to Dallas where presidential candidate Ronald Reagan is attempting to liaise with born again Christians We glimpse the beau monde of Palm Beach where each couple tries to out Gatsby the other and examine the case of Claus von Bulow Steven Spielberg gets a visit as does Brian de Palma whom Amis asks why his films make no sense and Hugh Hefner's sybaritic fortress and sanitised image are penetrated There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject and America has found in him a superlative chronicler *Holocaust Literature: Agosin to Lentin* S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

Koba the Dread Martin Amis, 2010-08-13 A brilliant weave of personal involvement vivid biography and political insight Koba the Dread is the successor to Martin Amis's award winning memoir *Experience* Koba the Dread captures the appeal of one of the most powerful belief systems of the 20th century one that spread through the world both captivating it and staining it red It addresses itself to the central lacuna of 20th century thought the indulgence of Communism by the intellectuals of the West In between the personal beginnings and the personal ending Amis gives us perhaps the best one hundred pages ever written about Stalin Koba the Dread Iosif the Terrible The author's father Kingsley Amis though later reactionary in tendency was a Comintern dogsbody as he would come to put it from 1941 to 1956 His second closest and then his closest friend after the death of the poet Philip Larkin was Robert Conquest our leading Sovietologist whose book of 1968 *The Great Terror* was second only to Solzhenitsyn's *The Gulag Archipelago* in undermining the USSR The present memoir explores these connections Stalin said that the death of one person was tragic the death of a million a mere statistic Koba the Dread during whose course the author absorbs a particular a familial death is a rebuttal of Stalin's aphorism **Martin Amis** Richard Bradford, 2011-11-03 Martin Amis's life could itself provide the formula for an enthralling work of fiction Son of one of the most popular and best loved novelists of the post War era he has forged a groundbreaking manner of writing that

owes nothing to the style of his father nor indeed to anyone else He relished and recorded the bizarre turbulent atmosphere of Britain and the US during the 1970s and 80s arguably the transformative period of the late 20th century No other contemporary writer has proved so magnetic for the popular press he has despite himself achieved celebrity status Of late his reputation as a novelist has been matched by his outspoken challenging writing on contemporary global politics and he has earned the status as the Orwell of the early 21st century Martin Amis offers the real Martin Amis a cabinet of contrasts tortured eloquently aloof kind obsessive loved by women a dedicated family man often the architect of his own undoing and a literary genius Moreover this fascinating biography discloses the autobiographical thread that runs through Amis s books Richard Bradford has talked with Amis at length questioned him on his childhood his private history his opinions and the inspiration for his fiction and these exchanges are supplemented by interviews with a large number of his friends and fellow writers Praise for Richard Bradford s previous titles Praise for Lucky Him The Life of Kingsley Amis Nearly all critical biographies relate the work to the life insidiously tendentiously helplessly Richard Bradford is different he does it convincingly and with vigour The result is an original and stimulating book Martin Amis I found Bradford s approach refreshing Rare among literary academics he writes clearly doesn t show off and knows a lot about his subject He presents a fascinating chronicle of the development of Amis s brilliant ear for speech He also brings out the full extent of the symbiosis between Amis and his best friend Philip Larkin in a way Larkin invented Amis Craig Brown At his better moments Bradford rises to Amis s stylistic level Humphrey Carpenter **Atlantic Republic** Paul Giles,2006-11-23 Publisher description

American Literature in Transition, 1980-1990 D. Quentin Miller,2017-12-28 History has not been kind to the 1980s The decade is often associated with absurd fashion choices neo Conservatism in the Reagan Bush years the AIDS crisis Wall Street ethics and uninspired television film and music Yet the literature of the 1980s is undeniably rich and lasting American Literature in Transition 1980 1990 seeks to frame some of the decade s greatest achievements such as Toni Morrison s monumental novel Beloved and to consider some of the trends that began in the 1980s and developed thereafter including the origins of the graphic novel prison literature and the opening of multiculturalism vis vis the canon wars This volume argues not only for the importance of 1980s American literature but also for its centrality in understanding trends and trajectories in all contemporary literature against the broader background of culture This volume serves as both an introduction and a deep consideration of the literary culture of our most maligned decade **Shakespeare's Individualism** Peter Holbrook,2010-01-21 Providing a provocative and original perspective on Shakespeare Peter Holbrook argues that Shakespeare is an author friendly to such essentially modern and unruly notions as individuality freedom self realization and authenticity These expressive values vivify Shakespeare s own writing they also form a continuous and a central part of the Shakespearean tradition Engaging with the theme of the individual will in specific plays and poems and examining a range of libertarian minded scholarly and literary responses to Shakespeare over time Shakespeare s Individualism advances the

proposition that one of the key reasons for reading Shakespeare today is his commitment to individual liberty even as we recognize that freedom is not just an indispensable ideal but also potentially a dangerous one Engagingly written and jargon free this book demonstrates that Shakespeare has important things to say about fundamental issues of human existence

Withnail and I Kevin Jackson, 2022-11-03 Withnail and I sank almost without a trace when it was first released in 1987 Financed by HandMade Films the late George Harrison s production company and drawing heavily on first time writer director Bruce Robinson s experiences this virtually plot free story follows two out of work actors Withnail played by Richard E Grant and I played by Paul McGann eking out a living in a run down London of the late 1960s and embarking on a booze fuelled weekend in the country which takes various unexpected turns Although it initially failed to find an audience it did not take long for the film to attract a dedicated cult following which still persists today Lines from the film such as we ve gone on holiday by mistake and Bring me the finest wines known to humanity have become popular favourites and the subject of countless internet memes Kevin Jackson s in depth study gives a full account of the film s origins and production history But his main focus is the mood and magic of the film its aesthetics and sensibility seeking to show without ever detracting from the film s comic brilliance just how much more there is to Withnail and I than drunkenness and swearing It is an outstandingly touching yet witheringly unsentimental drama of male friendship Jackson writes a bleak up ending of the English pastoral dream a piece of ferocious verbal inventiveness and without question one of the greatest of all British films In his new foreword to this edition writer Bharat Tandon pays tribute to both Withnail s peculiar genius and enduring appeal and to his close friend Kevin Jackson

The Information Martin Amis, 2011-01-26 Fame envy lust violence intrigues literary and criminal they re all here in The Information as one of the most gifted and innovative novelists of our time explores the question How does one writer hurt another writer Satirical and tender funny and disturbing wonderful The New York Times A portrait of middle age realignment with more verbal felicity and unbridled reach than anything since Tom Wolfe forged Bonfire of the Vanities Houston Chronicle Richard Tull a frustrated failed novelist stewes with envy and humiliation at the success of his oldest friend Gwyn Barry who is a darling of book buyers award committees and TV interviewers He s a terrible writer but that doesn t comfort Tull as he sinks deeper into the sub basement of literary obscurity The only way out of this predicament Tull believes is to plot the demise of Barry to gather the information that will lead to his downfall Meanwhile both men are being watched by a psychopathic ex con and a young thug who have staked out their homes watching their wives and Richard s small twin boys waiting until the time is right Amis is at his savage best in what has been

hailed as one of his greatest books full of wicked humor and exquisitely turned cutthroat sentences never out of reach of a sparkly phrase stiletto metaphor or drop dead insight into the human condition as the critic Christopher Buckley put it This is a mesmerizing and entertaining novel of midlife crisis and male friendship of our brutal culture of fame and fortune and too much information The Information contains some of the most pleasantly wicked passages Amis ever written San Francisco Chronicle

The Moronic Inferno And Other Visits To America Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Moronic Inferno And Other Visits To America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Moronic Inferno And Other Visits To America has opened up a world of possibilities. Downloading The Moronic Inferno And Other Visits To America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Moronic Inferno And Other Visits To America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Moronic Inferno And Other Visits To America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Moronic Inferno And Other Visits To America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Moronic Inferno And Other Visits To America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Moronic Inferno And Other Visits To America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However,

it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
