The Most Corrupt British Judges:

The Most Corrupt British Judges A. Adoko, 2005-07-01 On the publication of the first edition of his book the Most Corrupt British Judges the Author a lawyer with over fifty years experience of legal practice sent copies of it to the Lord Chancellor and the Commissioner of the Metropolitan Police in London with formal complaints for investigations of the crimes committed by some judges The office of the Lord Chancellor promised to carry out necessary investigations When the Author demanded that the investigations comply with the rule of natural justice or that they treat the complaint as withdrawn they opted to treat the complaint as withdrawn On receipt of the complaints the Commissioner of Metropolitan Police appointed Senior Superintendent Coles to investigate it As no investigation took place the Author made a formal application to the criminal court for a private prosecution of one of the judges Lord Justice Morrison for the offence of perverting the course of justice The application was not dealt with by a Magistrate as required by law but by a court clerk who rejected it on the ground that it would create a precedent where judges would no longer judge without fear In short that judges were to be above the law The author appealed to the High Court which upheld the decision of the clerk and refused to have the case heard on its merit Though the book was published on the Internet and an affidavit affirming that the accusations in it are true yet no notice to sue for libel was ever given Nor was there a criminal prosecution for perjury although at the time former Minister Jonathan Atkins and former Chairman of the Conservative Party Lord Jeffrey Archer were prosecuted for perjury in similar circumstances Failure to prosecute and to sue are admission that the abuse of judicial power complained of took place

Parliament, 1820 **The iPINIONS Journal** Anthony Livingston Hall, 2017-04-04 ANTHONY L HALL takes aim at the global events of 2016 with a unique and refreshing perspective Here are some topics in this twelfth volume of his writings Hillary Calling Half of Trump s Supporters a Basket of Deplorables Hillary was only half right But the most troubling thing is not how deplorable they are it s how willing they are to elect an even more deplorable man as president of the United States The latter is what I find incomprehensible unforgivable Brexit The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains After all Britain planted the seeds of disintegration years ago when it began negotiating all kinds of opt outs from EU legislation and treaties Brazilians Protesting Cost of Rio Olympics Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks After all the debt hangover from those Games not only triggered the EU financial crisis of 2010 but austerity

measures to service that debt have many once proud middle class Greeks now living like favela dwelling Brazilians Report on College Coaches Raking in Millions These salaries only validate my longstanding contention that college coaches are using the free labor of student athletes to live like plantation owners The only precedent for this is the Founding Fathers many of whom were in fact plantation owners preaching about all men being created equal while owning slaves VP Elect Pence Hailing Trump for Accusing the FBI of Corruption Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump s ego affecting that constipated countenance of sincerity as he does so J K Rowling merchandising Harry Potter like Mickey Mouse I admired her because she helped millions of kids discover the love of reading But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie s addiction
