

The Multiple States of Being

The background of the book cover is a dark blue field. It features a complex geometric pattern of concentric circles and intersecting lines. There are several sets of concentric circles, some drawn in white and others in red. These circles are centered on a point slightly to the left of the vertical center. A vertical white line and a horizontal red line intersect at the center of the circles, creating a crosshair effect. The overall design is symmetrical and has a hypnotic, tunnel-like quality.
