The Murder Of John Lennon:

Let Me Take You Down Jack Jones, 2011-02-23 A top crime journalist reveals precisely how the world shattering murder of John Lennon happened and why In *Let Me Take You Down* Jack Jones penetrates the borderline world of dangerous fantasy in which Mark David Chapman stalked and killed Lennon Mark David Chapman rose early on the morning of December 8 to make final preparations Chapman had neatly arranged and left behind a curious assortment of personal items on top of the hotel dresser In an orderly semicircle he had laid out his passport an eight track tape of the music of Todd Rundgren his little Bible open to The Gospel According to John Lennon He left a letter from a former YMCA supervisor at Fort Chaffee Arkansas where five years earlier he had worked with refugees from the Vietnam War Beside the letter were two photographs of himself surrounded by laughing Vietnamese children At the center of the arrangement of personal effects he had placed the small Wizard of Oz poster of Dorothy and the Cowardly Lion I woke up knowing somehow that when I left that room that was the last time I would see the room again Chapman recalled I truly felt it in my bones I don't know how I had never seen John Lennon up to that point I only knew that he was in the Dakota But I somehow knew that it was it this was the day So I laid out on the dresser at the hotel room just a tableau of everything that was important in my life So it would say Look this is me Probably this is the real me This is my past and I'm going gone to another place I practiced what it was going to look like when police officers came into the room It was like I was going through a door and I knew I was going to go through a door the poet's door William Blake's door Jim Morrison's door I was leaving what I was going into a future of uncertainty Praise for *Let Me Take You Down* Jack Jones has written a beautiful book rare in its attention to the social context giving rise to stalkers and assassins of celebrities celebrity worship is ambivalent admiration shares the altar with envy When the worshipped disappoints a nobody can become a somebody by killing the pop culture idol *Let Me Take You Down* is both fascinating and brilliant Ladd Wheeler Professor of Psychology University of Rochester Former President of the Society for Personality and Social Psychology [The Murder of John Lennon](#) Fenton S.
