The Musical From The Inside Out:

The Musical from the Inside Out Stephen Citron, 1997-10-01 An entertaining and informative new guidebook to the creation of the musical show filled with anecdotes practical advice and sparkling commentary from the biggest Broadway insiders

Music from the Inside Out Daniel Anker, Carol Ponder, Donna Santman, Eric Booth, 2007 Brings kids inside the world of music by helping them understand what proficient listeners think and feel as they listen to music and what musicians think and feel as they play music Students construct their own understandings of music first through an exploration of their personal relationship to music then through a series of listen and talk sessions and finally by composing their own pieces and exploring the connections between their lives and the works of music they create All lessons fulfill the National Standards for Music Education From publisher description

Music Inside Out John Rahn, Benjamin Boretz, 2014-03-18 John Rahn's prolific activities as a composer theorist teacher inventor of computer sound synthesis software editor of *Perspectives of New Music* during the 1980s and 90s and author of an exemplary text on atonal theory are conspicuously in the foreground of the academic music intellectual world This collection of essays charts Rahn's progression from the construal of music's data structures to the articulation of its experiential structures leading to the question of its moral infrastructures and its value systems of the internal and external worlds This book shows Rahn's remarkable intellectual evolution culminating in the recognition that the pressure bearing on discourse can only be contained by thought formulated in the non referential language of the arts themselves Also includes 18 musical examples

Makin' It (The Musical), *The Musical Quarterly* Oscar George Sonneck, 1918

So, You're the New Musical Director! James H. Laster, 2002-07-16 *So You're the New Musical Director* is aimed at the person who has music training but little or no experience with musical theatre the high school choral director with a degree in music education or the actor participating in community theatre productions It details the duties involved in directing a Broadway musical including overseeing singer and orchestra rehearsals and conducting the musical itself The chapters follow the actual progression of a musical from a discussion of the production team's responsibilities to the final bow Filled with photos illustrations and examples *So You're the New Musical Director* is a comprehensive guide that no one involved in musical theatre should be without

The Irishness of Irish Music John O'Flynn, 2017-07-05 This book brings together important material from a range of sources and highlights how government organizations musicians academics and commercial companies are concerned with and seek to use a particular notion of Irish musical identity Rooting the study in the context of the recent history of popular traditional and classical music in Ireland as well as providing an overview of aspects of the national field of music production and consumption O'Flynn goes on to argue that the relationship between Irish identity and Irish music emerges as a contested site of meaning His analysis exposes the negotiation and articulation of civic ethnic and economic ideas within a shifting hegemony of national musical culture and finds inconsistencies between and among symbolic constructions of Irish music

and observed patterns in the domestic field More specifically O Flynn illustrates how settings genres social groups and values can influence individual identifications or negations of Irishness in music While the apprehension of intra musical elements leads to perceptions of music that sounds Irish style and authenticity emerge as critical articulatory principles in the identification of music that feels Irish The celebratory and homogenizing discourse associated with the international success of some Irish musical forms is not reflected in the opinions of the people interviewed by O Flynn at the same time an insider outsider dialectic of national identity is found in various forms of discourse about Irish music Performers and composers discussed include Bill Whelan Riverdance Sinead O Connor The Corrs Altan U2 Martin Hayes Dolores Keane and Gerald Barry *"Irony, Satire, Parody and the Grotesque in the Music of Shostakovich "* Esti Sheinberg, 2017-07-05 The music of Shostakovich has been at the centre of interest of both the general public and dedicated scholars throughout the last twenty years Most of the relevant literature however is of a biographical nature The focus of this book is musical irony It offers new methodologies for the semiotic analysis of music and inspects the ironical messages in Shostakovich s music independently of political and biographical bias Its approach to music is interdisciplinary comparing musical devices with the artistic principles and literary analyses of satire irony parody and the grotesque Each one of these is firstly inspected and defined as a separate subject independent of music The results of these inspections are subsequently applied to music firstly music in general and then more specifically to the music of Shostakovich The composer s cultural and historical milieux are taken into account and where relevant inspected and analysed separately before their application to the music **The**

Music of Space Chris Carberry, 2024-02-22 Since the early days of motion picture production film scores have helped define our emotional and aesthetic perception of stories on screen particularly with space movies and television The music from *The Day the Earth Stood Still* 2001 *A Space Odyssey* *Star Wars* *Star Trek* *Battlestar Galactica* and others has helped define the public s awareness of space almost as much as the films themselves In some cases they have redefined the norms of film music *Star Wars* not only revived the popularity of orchestral film scores but also helped stimulate an increased public interest in classical orchestral music around the world This work explores the music and the composers who have helped define the sound of space for over a century transforming how we perceive space and even inspiring greater interest in space exploration This book also details how music has been performed and played in space since the early days of the space race

The Music of Theology Andrew Hass, Mattias Martinson, Laurens ten Kate, 2024-02-01 This book reconceives theology as a musical endeavour in critical tension with language space and silence An Overture first moves us from music to religion and then from theology back to music a circularity that drawing upon history sociology phenomenology and philosophy disclaims any theology of music and instead pursues the music in theology The chapters that follow explore the three central themes by way of theory music and myth Adorno Benjamin and Deleuze language Derrida Rosa and Nancy space Schelling Hegel Homer and Cage silence In overdubbing each other these chapters work towards theology as a sonorous rhythm between loss and

freedom A Coda provides three brief musical examples Thomas Tallis Gy rgy Ligeti and Evan Parker as manifestations of this rhythm to show in summary how music becomes the very pulse of theology and theology the very intuition of music The authors offer an interdisciplinary engagement addressing fundamental questions of the self and the other of humanity and the divine in a deconstruction of modern culture and of its bias towards the eye over the ear The book harmonizes three scholarly voices who attempt to find where the resonance of our Western conceptions and practice musically and theologically might resound anew as a more expansive music of theology
