H. Marpel, 2018-12-15 Time haunted her It didn't do what it was supposed to when she was around It ran forward backwards sideways Sometimes time helped her solve her problems sometimes it made them worse For a lovely young woman you'd think there would be young men lined up to talk to her at any gathering But she stayed away from them to protect them from her curse What would be the good of a commitment like that if the other person was going to age too fast or too slow or live forever haunted with the thought of a long lost love Or was this time problem contagious Were other people at risk because of her or could she pass it onto her children Life wasn't all that safe just because you could bend time anyway you wanted Get Your Copy Now **A World Gone Reverse** S. H. Marpel, J. R. Kruze, 2019-01-07 When the hamburgers all disappeared along with the buns I was warming I thought I was seeing things But when my spatula went through the cast iron grill top I had to let it go out of reflex No way was I going after it I'd been burned too many times It wasn't like I had a choice after that Because the grill itself dropped out through the bottom of the rolling coach we were cooking out of that summer I looked up at Ham my order taker partner and lover only to see her fall through the floor as well A look of shock and trying to say something but frozen in time Then the coach disappeared and I fell with it but only as far as the pavement it used to be parked on I could see the asphalt beneath my feet at least Until it turned to some sort of foamy waves lapping on a beach I'd never seen before Green hard packed sand Green water And a long white line that went down this beach like it was some sort of dual lane highway Get Your Copy Now **The Hooman Saga: Book One** C.
