Sitcom Style Diana Friedman, 2005 From Archie Bunker's Barcalounger to the framed peephole on Friends a sitcom's decor sets the tone of the nation's favourite shows and defines the lives of its characters Sitcom Style brings readers a behind the scenes peek inside more than two dozen of the most recognisable TV homes and offers readers design tips for their own homes

Sitcom Mom Judy Kutulas, 2023-12-19 This book analyzes how situation comedies have provided cultural insight into both the good and the bad sides of American motherhood through the years Judy Kutulas argues that while early sitcoms tended to reinforce conventional visions of motherhood more complex and problematized mothers began rising to prominence as cultural norms continued to diversify Ultimately Kutulas explores and demonstrates how increasingly diverse depictions of motherhood reflect changing social expectations new social and professional opportunities and expanding debates about what it means to be a mother Scholars of television media American cultural and women's studies will find this book of particular interest

Screen Interiors Pat Kirkham, Sarah A. Lichtman, 2021-03-11 Covering everything from Hollywood films to Soviet cinema London's queer spaces to spaceships horror architecture and action scenes Screen Interiors presents an array of innovative perspectives on film design Essays address questions related to interiors and objects in film and television from the early 1900s up until the present day Authors explore how interior film design can facilitate action and amplify tensions how rooms are employed as structural devices and how designed spaces can contribute to the construction of identities Case studies look at disjunctions between interior and exterior design and the inter relationship of production design and narrative With a lens on class sexuality and identity across a range of films including *Twilight of a Woman's Soul* 1913 *The Servant* 1963 *Caravaggio* 1986 and *Passengers* 2016 and illustrated with film stills throughout Screen Interiors showcases an array of methodological approaches for the study of film and design history

The Interiors Theory Primer William Mangold, 2025-07-31 In a world where life is increasingly defined by the spaces we inhabit understanding interiors is essential to understanding ourselves The Interiors Theory Primer maps the intellectual terrain of interior design and spatial experience introducing readers to key concepts that shape how people occupy interior spaces Organized into three parts this book begins with foundational concerns such as place identity materiality and atmosphere and then examines the boundaries and expertise of the discipline before turning to critical and emerging topics like biophilia virtuality and social justice Each chapter presents a focused literature review of a major theme in interiors theory supported by key design precedents and suggestions for further reading Drawing on a wide range of scholarship The Interiors Theory Primer offers a coherent framework for understanding interiors as a distinct interdisciplinary field deeply embedded in the human condition Accessible to students useful to professionals and provocative for scholars The Interiors Theory Primer argues that the designed environments in which we live work and gather deserve greater attention not only for their aesthetic and functional qualities but also for their powerful role in shaping contemporary life

The Apartment Plot

Pamela Robertson Wojcik,2010-11-11 Rethinks films including Pillow Talk and Rear Window by identifying the apartment plot as a distinct genre one in which the urban apartment figures as a central narrative device How Television Shapes Our Worldview Deborah A. Macey,Kathleen M. Ryan,Noah J. Springer,2014-05-15 Over the last half of the twentieth century television has become the predominant medium through which the public accesses information about the world Through the news situation comedies police dramas and commercials we learn about the world around us and our role within it These genres narratives and cultural forms are not simply entertainment but powerful socializing agents that show the world as we might never see it in real life How Television Shapes Our Worldview brings together a diverse set of scholars methodologies and theoretical frameworks to interrogate the ways through which television molds our vision of the outside world The essays include advertising and public relations analyses audience interviews and case studies that touch on genres ranging from science fiction in the 1970s to current reality television Television truly provides a powerful influence over how we learn about the world around us and understand its social processes **Frasier** Joseph J.
