Program: Six ducks in a pond, 1970

The Nursery, 1873

Nileism Allan Brown, 2011-05-01 April 2024 saw the fortieth anniversary of The Blue Nile's first album *A Walk Across the Rooftops*. Only four albums containing a total of just 33 songs have followed from the publicity-shy trio. Yet scarcity has served only to intensify love for the band's intensely confessional melancholy atmospheric songs that document city streets, headlights, cars, rooftops, rain, and couples in love. The Blue Nile are truly one of modern music's greatest enigmas, and here for the first time Allan Brown, a fan from the early 1980s and friend of the band's composer Paul Buchanan, gets behind the veil to analyse the band's appeal through his own memories, critical study, personal encounters, and access to unreleased recordings. *The Beginning Reading Instruction Study* Marcy

Stein, 1994-05 Includes a discussion of the major issues about beginning reading, a summary of some current research-based recommendations, evaluation criteria for beginning reading instructional programs, cost analysis of programs evaluated, and conclusions and cautions about selecting and designing effective reading instructional programs. Covers K through 3rd grade. Charts and tables. **Wordcraft** Jack Hart, 2021-04-09

Legendary writing coach Jack Hart spent twenty-six years at the Oregonian and has taught students and professionals of all stripes, including bloggers, podcasters, and more than one Pulitzer Prize winner. Good writing, he says, has the same basic attributes regardless of genre or medium. Wordcraft shares Hart's techniques for achieving those attributes in one of the most broadly useful writing books ever written. Originally published in 2006 as *A Writer's Coach*, the book has been updated to address the needs of writers well beyond print journalists. Hart breaks the writing process into a series of manageable steps, from idea to polishing. Filled with real-world examples, both good and bad, Wordcraft shows how to bring such characteristics as force, brevity, clarity, rhythm, and color to any kind of writing. Wordcraft now functions as a set with the second edition of Hart's book *Storycraft* on the art of storytelling, also available from Chicago.
