

PITTSBURGH SLOPES

Sloping city, proud of its water
As most cities are known to be,
Claims proudly three rivers
Despite many maps suggesting only two
Or even only one and a half
When seen in the long view.

Multi-level city built
On a slant could promote movement
Up and down the angles:

If they could build some sort of zigzag escalators for the
Multi-level multi-river city where steel and deer hunters were king.

The Road to East Slope Michael Anthony Fuller, 1990 Su Shi 1037 1101 is the greatest poet of the Song Dynasty a man whose writings and image defined some of the enduring central themes of the Chinese cultural tradition Su Shi was not only the best poet of his time he was also a government official a major prose stylist a noted calligrapher an avid herbalist a dabbler in alchemy and a broadly learned scholar The author shows how this complex personality was embodied in Su Shi's work and traces the evolution of his poems from juvenilia to the poems written in exile in Huangzhou where Su settled on a farm at East Slope *The Humblest Sparrow* Michael Roberts, 2009-04-29 In *The Humblest Sparrow* Michael Roberts

illuminates the poetry of the sixth century bishop and poet Venantius Fortunatus Often regarded as an important transitional figure Fortunatus wrote poetry that is seen to bridge the late classical and earlier medieval periods Written in Latin his poems combined the influences of classical Latin poets with a medieval tone giving him a special place in literary history Yet while interest has been growing in the early Merovingian period and while the writing of Fortunatus patron Gregory of Tours has been well studied Fortunatus himself has often been neglected This neglect is remedied by this in depth study which will appeal to scholars of late antique early Christian and medieval Latin poetry Roberts divides Fortunatus poetry into three main groups poetry of praise hagiographical poetry and personal poetry In addition to providing a general survey Roberts discusses in detail many individual poems and proposes a number of theses on the nature function relation to social and linguistic context and survival of Fortunatus poetry as well as the image of the poet created by his work Jacket illustration L Alma Tadema Venantius Fortunatus Reading his Poems to Radegonda VI AD 555 Courtesy of Dordrecht Dordrechts Museum

Wang An-Shih Wang An-Shih, 2015-03-19 A selection of poems by the ancient Chinese poet and statesman Wang An Shih translated by David Hinton Wang An shih 1021 1086 C E was a remarkable figure not only one of the great Sung Dynasty poets but also the most influential and controversial statesman of his time Although Wang had little interest in the grandeur of high office and political power he took the responsibility of serving the people seriously He rose to become prime minister and in this position he instituted a controversial system of radically egalitarian social reforms to improve the lives of China's

peasants Once those reforms were securely in place Wang retired to a reclusive life of artistic and spiritual self cultivation It was after his retirement practicing Chan Zen Buddhism and wandering the mountains around his home that Wang An shih wrote the poems that made his reputation Short and plainspoken these late poems contain profound multitudes the passing of time rivers and mountains silence and Buddhist emptiness They won him wide acclaim in China and beyond across the centuries And in Hinton s breathtaking translations Wang feels like a major contemporary poet with deep ecological insight and a questioning spirit Poems James Hyslop,1887 *The Poetry of He Zhu (1052-1125)* Stuart Sargent,2007-03-31 The Northern Song poet He Zhu is best known for his lyrics ci but also produced shi poetry of subtlety wit and feeling This study examines the latter as a response to the options available to a late eleventh century writer in the pentametrical and heptametrical forms of Ancient Verse Regulated Verse and Quatrains Numerous comparisons are made with Su Shi Huang Tingjian Du Fu and other important writers In a major advance over previous methodologies the author uses a clear system of metrical notation to show how sound patterns reveal the poet s artistic and emotional intentions This innovation and the author s other meticulous explorations of He Zhu s artistry allow us to experience Chinese poetry as never before From the reader s report not just an excellent study of an individual poet but also a model of reading the language of classical Chinese poetry opens up a world of interpretive territory heretofore seldom explored *Personal recollections. Osric, (a poem) The Rockite. The siege of Derry. Letters from Ireland. Miscellaneous poems* Charlotte Elizabeth,1845 **The Philosophical Foundations of Classical Chinese Medicine** Keekok Lee,2017-05-04 This book makes Classical Chinese Medicine CCM intelligible to those who are not familiar with the tradition many of whom may choose to dismiss it off hand or to assess it negatively Keekok Lee uses two related strategies arguing that all science and therefore medicine cannot be understood without excavating its philosophical presuppositions and showing what those presuppositions are in the case of CCM compared with those of biomedicine Such excavations enable Lee in turn to demonstrate the following theses 1 the metaphysical ontological core of a medical system entails its own methodology how to understand diagnose and treat an illness disease 2 CCM rests on process ontology is Wholist its general mode of thinking is Contextual dyadic its implicit logic is multi valent its model of causality is non linear and multi factorial 3 Biomedicine in the main rests on thing ontology and dualism is Reductionist its logic is classical bi valent its model of causality is linear and monofactorial 4 hence to condemn CCM as unscientific pseudo scientific plain mumbo jumbo while privileging Biomedicine as the Gold Standard of scientificity is as absurd as to judge a cat to be inferior to a dog using the criteria of goodness embodied in a dog show *Selected Poems/Poemas Selectos* Jimmy Santiago Baca,2013-11-30 Baca writes with unconcealed passion and manifests both an intense lyricism and that transformative vision which perceives the mythical and archetypal significance of life events Denise Levertov Champion of the International Poetry Slam winner of the Before Columbus American Book Award the International Hispanic Heritage Award the Pushcart Prize and the prestigious International Award Jimmy Santiago Baca has been writing

as a mestizo part Native American part Mexican and an outsider ever since he learned to read and write in English during a six year Federal prison sentence when he was in his twenties Drawing on his rich ethnic heritage and his life growing up in poverty in the Southwestern United States Baca has created a body of work which speaks to the disenfranchised by drawing on his experiences as a prisoner a father a poet and by reflecting on the lush and sometimes stark landscape of the Rio Grande valley In response to increased demand for Latino poetry in Spanish and to thousands of Baca fans who are bilingual this unique collection contains Spanish translations of Baca's poetry selected from the volumes *Martin and Mediations on the South Valley* 1987 *Black Mesa Poems* 1989 *Immigrants in Our Own Land* 1990 *Healing Earthquakes* 2001 *C Train and Thirteen Mexicans* 2002 *Winter Poems Along the Rio Grande* 2004 and *Spring Poems Along the Rio Grande* 2007
