venerable and often misquoted phrase Hell hath no fury like a woman scorned continues to haunt American women who accuse men of sexual harassment and rape In this bracing study of American sexual culture and the politics of acquaintance rape anthropologist Peggy Reeves Sanday identifies the sexual stereotypes that continue to obstruct justice and diminish women Beginning with a harrowing account of the St John s rape case Sanday reaches back through British and American landmark rape cases to explain how with the exception of earliest colonial times rape has been a crime notable for placing the woman on trial Whether she is charged as a false accuser gold digger loose or scorned woman stereotypes prevail American jurisprudence and the public at large remain divided on acquaintance rape With the passage of the Violence Against Women Act one of the most important legislation for women a new breed of antifeminists stepped up to the plate to subordinate women s bid for sexual autonomy and freedom A groundbreaking classic work of scholarship that coherently challenges the anti rape backlash and its rhetoric A Woman Scorned continues to bring a broad perspective to our understanding of acquaintance rape even if its original vision of a new paradigm for female sexual equality awaits implementation **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **My Legacy of Sin**

Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these Blessing Same Sex Unions will be a must read for both sides of the debate over gay marriage in America today **Putnam's Monthly** ,1853 **Putnam's Magazine** ,1853 A Partial History of Lost Causes Jennifer duBois,2012-08-21 FINALIST FOR THE
