A. Feiveson,2018-03-12 In early 1942 the fate of the Allies appeared dire Germany had conquered most of Western Europe and its armies were deep into Russia Japan had overrun Manchuria the Philippines and the Dutch East Indies had conquered large swathes of China and had destroyed much of the US battle fleet at Pearl Harbor But the tide of World War II turned dramatically in favor of the Allies and in this Allied scientists played a critical role The chapters covered in this book include an Overview summary of the entire war the Battle of Britain the Battle of the Atlantic against the German U boats the battle

for command of the air the Allied breaking of the German Enigma cipher D Day and the Allied invasion of Europe and the Manhattan Project to develop an atomic bomb Harold Feiveson is a deep student of history a masterful story teller and one of the pioneers in the global cooperative effort to stop the spread of nuclear weapons This book provides a new integrated overview of the remarkable technical achievements by the U S and British scientists who helped turn the tide of World War II Although the war seemed endless to the participants the number of world shaping developments that occurred during the six years after the world s industrialized countries committed themselves to total war is both remarkable and terrifying The final breakthrough nuclear weapons led to a post war nuclear arms race whose dangerous legacy of destructive potential we are still struggling with today Frank von Hippel Professor of Public and International Affairs emeritus Princeton University An authoritative introduction to what Winston Churchill called the wizard war Feiveson s examination of the crucial role played by science and technology in World War II will appeal to both specialists and military history buffs Colonel Paul L Miles U S Army Retired former lecturer in history Princeton University *D-Day Volume 1* Winston Ramsey,1995-08-30 People of Western Europe A landing was made this morning on the coast of France With these simple yet memorable words General Eisenhower the Supreme Commander Allied Expeditionary Force announced to the world on June 6 1944 that the Allies had begun Operation Overlord to liberate Europe Now 50 years later After the Battle presents the full story from its inception planning and preparation through to its launch on D Day and the days that followed as told by the commanders whose responsibility it was Many of the hundreds of then and now photographs have been taken exactly 50 years later sometimes to the precise minute from when the original events took place creating a unique two volume record of the greatest combined military naval and air operation of all time **Botanica Marina.
