Slowly Slowly Horses:

Slowly, Slowly, Horses Julianne Buchsbaum, 2001 Linguistically brilliant and challenging new voice **Margaret Laurence's Epic Imagination** Paul Comeau, 2005-12-23 Although at times painfully insecure about her creative ability and achievement Margaret Laurence nevertheless remained fiercely loyal to her artistic vision an archetypal vision of loss exile and redemption that sought comprehensive expression in the epic mode that shapes the Bible Dante's Divine Comedy Milton's Paradise Lost and ultimately the Manawaka world of Hagar Shipley Rachel Cameron Stacey MacAindra and Morag Gunn Paul Comeau traces the development of Margaret Laurence's epic voice from its tentative beginnings in her African fiction to its culmination in the epic Manawaka Cycle a Dantesque journey through an infernal state of self destructive pride out of a purgatorial paralysis of self doubt and on to a kind of paradisaic fulfillment in self knowledge Laurence discovered in epic a fitting mode at once to requite her debt to the ancestors and to break free of their influence to portray the world through the sight of her own eyes In so doing she became the enduring epic voice of a country and a generation **Slowly, Slowly, Horses** Julie Anne Buchsbaum, 1999 *Doctor Faustus* David Bevington, Eric Rasmussen, 1993-05-15 This volume in the Revel Plays series offers reading editions with modern spelling of the 1604 and 1616 editions of Marlowe's play arguing that the two cannot be conflated into one Included are sources and commentary literary criticism style and staging performance assessments **All One Horse** Breyten Breytenbach, 2011-03-22 All One Horse is a marvel filled journey through Breyten Breytenbach's kaleidoscopic imagination The electrifying colors and penetrating images of his paintings converse with his lyrical and satirical dream fables These visions and parables emerge from a mélange of cultures and traditions African and Eastern thought the spirit world and the spheres of visual art philosophy history and politics Breytenbach's watercolors communicate in hieroglyphs where private conversation embraces myth and dream These reflections and images clear and complex at once are cries for human dignity and justice are truth disguised as play With octopus like grace Breytenbach pulls together worlds and watches them dance and struggle together echoes of Afrikaans haunt his English the fantastic melds into the quotidian love glimmers beneath rage the immediate rises to the universal *Ashes in the Dawn* Glenn Knight, 2005-06 A poem exists outside the mind and heart of the poet Yet it reflects the experience that molded that mind that heart So it is with these poems poems of faith and endurance **The Horses of Proud Spirit** Melanie Sue Bowles, 2017-10-17 There are approximately seven million horses in the United States Each year over 70 000 end up going to slaughter Hundreds of thousands more are abused neglected or abandoned by callous and irresponsible owners With a heart as big as a pasture author Melanie Bowles takes some of these horses into her sanctuary called Proud Spirit Here horses that arrive listless and broken find a home where they finally know safety The bond between horse and caretaker does not happen overnight It hangs by a fine thread of trust which the author earns with endless patience and a full commitment to the well being of the horses in her care The horses some of which have suffered severe abuse astound her time and again with their

ability to trust return the love they are given and enjoy the companionship of other horses You will meet an entire stableful of remarkable horses Dusty a young Thoroughbred who recovered from severe injuries to reveal a rambunctious personality and a knack for stealing hats Maddy an elderly mare and Dancer a gallant Appaloosa both of whom had been isolated for years but whose ecstatic first acquaintance at Proud Spirit was mysteriously like the reunion of two soul mates Annie a little sorrel mare who will break your heart with her weary kindness and who found peace at last under an old oak tree in a pasture at Proud Spirit Wrangler a Miniature whose premature separation from his dam turned him into a tiny tormentor His rowdy innocence helped Marshal a huge palomino Draft horse with neurological trauma become playful and engaged as he educated Wrangler in horsey manners The Horses of Proud Spirit is an homage to the spirit of these alluring creatures and a moving memoir of lessons learned in compassion strength and loss Next in series See all of the books in this series

Sentenced to Life Clive James, 2015-12-31 There is an inevitable sadness to this moving collection This being James there are also moments of zinging energy and a sense of fun James will remain in the present tense as those Japanese Maple s leaves continue to turn to flame Rebecca K Morrison Independent In this new collection of technically and emotionally heart stopping poems Spectator including Japanese Maple which was published in The New Yorker to great acclaim Clive James looks back over an extraordinarily rich life with a clear eyed and unflinching honesty There are regrets but no trace of self pity in these verses which for all their grappling with death and his current illness are primarily a celebration of what is treasurable and memorable in our time here Again and again James reminds us that he is not only a poet of effortless wit and lyric accomplishment but also an immensely wise one who delights in using poetic form to bring a razor sharp focus to his thought Miraculously these poems see James writing with his insight and energy not only undiminished but positively charged by his situation The poems of Sentenced to Life represents a career high point from one of the greatest literary intellects of our age

The Edge of Doom Amanda Cross, 2003-11-04 Rich and witty the literary whodunits by Amanda Cross are a delight for readers who like their mysteries smart and suspenseful Now comes the highly anticipated sequel to her Kate Fansler novel Honest Doubt which the Providence Journal called one of her best books in years Here Cross takes her beloved protagonist into uncharted territory turning Kate Fansler s world upside down Just when Kate Fansler thinks life couldn t possibly hold any more surprises she receives a phone call from Laurence the eldest of her imperious brothers But a woman as sharp as Kate knows that the moment one stops believing in life s little bends in the road is the time when it has more twists in store Kate has always been different from the other Fanslers a free and independent thinker in a family where propriety and decorum are prized above all She has always assumed it was because she was the youngest and the only girl in the family But over a drink with Laurence Kate s whole understanding of herself is thrown into question as he calmly tells her that a strange man came to his office claiming to be Kate s father and it s quite possible that she is not a Fansler after all There are even more dangerous curves in the road for Kate Fansler especially after she meets the man who calls himself her

father When more life threatening secrets and lies emerge Kate and the Fansler family are suddenly pitched perilously close to the edge of doom *The Sacred Band* Janet Morris, Chris Morris, 2010-06-10
