Product Marketing ,1988 The Advertising Red Books ,2008-07 **Brands and Their Companies** ,2007 *You Don't Look Like Anyone I Know* Heather Sellers,2010-10-14 An unusual and uncommonly moving family memoir with a twist that give new meaning to hindsight insight and forgiveness Heather Sellers is face blind that is she has prosopagnosia a rare neurological condition that prevents her from reliably recognizing people s faces Growing up unaware of the reason for her perpetual confusion and anxiety she took what cues she could from speech hairstyle and gait But she sometimes kissed a stranger thinking he was her boyfriend or failed to recognize even her own father and mother She feared she must be crazy Yet it was her mother who nailed windows shut and covered them with blankets made her daughter walk on her knees to spare the carpeting had her practice secret words to use in the likely event of abduction Her father went on weeklong fishing trips aka benders took in drifters wore panty hose and bras under his regular clothes Heather clung to a barely coherent story of a normal childhood in order to survive the one she had That fairy tale unraveled two decades later when Heather took the man she would marry home to meet her parents and began to discover the truth about her family and about herself As she came at last to trust her own perceptions she learned the gift of perspective that embracing the past as it is allows us to let it go And she illuminated a deeper truth that even in the most flawed circumstances love may be seen and felt Watch a Video **Official Gazette of the United States Patent and Trademark Office** ,2002 Runner's World ,1978 **Companies and Their Brands** ,2006 *Cue* ,1976 *The Publishers Weekly* ,2001 *F&S Index United States Annual* ,1996
