each of the featured apartments achieves the perfect balance between cool design and the homeowner's lifestyle with a sprinkling of influences from the resident's city thrown in. Kyle scours flea markets for functional pieces with personality and incorporates Pollock inspired art and touches of taxicab yellow to make a small studio in New York City function as four different yet coherent rooms. Graffiti like dip dye curtains and a skateboard table reflect a Seattle renter's hip sensibility. In Cleveland Kyle creates a modern preppy space for a plaid loving local using subdued colors and careful pattern mixing. A couple's salon style hanging of rock posters in Nashville feels utterly unique and Kyle's clever ideas for storing to store their musical instruments keep the duo sane. Short on time and long on style the thirty DIY projects include no sew pillows yarn wrapped picture frames and a dresser update using a little glue and fabric. Full of bold vibrant photos and hundreds of big ideas for small spaces *The First Apartment Book* proves that no matter what your landlord your floor plan or your wallet says there are no limits on how cool your first apartment can be.
