Losos, 2023-05-02 The past present and future of the world s most popular and beloved pet from a leading evolutionary biologist and great cat lover Engaging and wide ranging *The Cat s Meow* is a readable and informed exploration of the wildcat that lurks within Fluffy The Washington Post The domestic cat your cat has from its evolutionary origins in Africa been transformed in comparatively little time into one of the most successful and diverse species on the planet Jonathan Losos writing as both a scientist and a cat lover explores how researchers today are unraveling the secrets of the cat past and present using all the tools of modern technology from GPS tracking you d be amazed where those backyard cats roam and genomics what is your so called Siamese cat really to forensic archaeology In addition to solving the mysteries of your cat s past it gives us a cat s eye view of today s habitats including meeting wild cousins around the world whose habits your sweet house cat sometimes eerily parallels Do lions and tigers meow If not why not Why does my cat leave a dead mouse at my feet or on my pillow Is a pet ocelot a bad idea When and why did the cat make its real leap off the African plain What s with all those cats in Egyptian hieroglyphics In a genial voice casually deciphering complex science and history with many examples from his own research and multi cat household Losos explores how selection both natural and artificial over the last several millennia has shaped the contemporary cat with new breeds vastly different in anatomy and behavior from their ancestral stock Yet the cat ever a predator still seems only one paw out of the wild and readily reverts to its feral ways as it occupies new lands around the world Humans are transforming cats and they in turn are transforming the world around them This charming and intelligent book suggests what the future may hold for both *Felis catus* and *Homo sapiens*      **Strike!** Jeremy Brecher, 2020-06-01  
Jeremy Brecher s *Strike* narrates the dramatic story of repeated massive and sometimes violent revolts by ordinary working people in America Involving nationwide general strikes the seizure of vast industrial establishments nonviolent direct action on a massive scale and armed battles with artillery and tanks this exciting hidden history is told from the point of view of the rank and file workers who lived it Encompassing the repeated repression of workers rebellions by company sponsored violence local police state militias and the U S Army and National Guard it reveals a dimension of American history rarely found in the usual high school or college history course Since its original publication in 1972 no book has done as much as *Strike* to bring U S labor history to a wide audience Now this fiftieth anniversary edition brings the story up to date with

chapters covering the mini revolts of the twenty first century including Occupy Wall Street and the Fight for Fifteen The new edition contains over a hundred pages of new materials and concludes by examining a wide range of current struggles ranging from BlackLivesMatter to the great wave of teachers strikes for the soul of public education to the global Student Strike for Climate that may be harbingers of mass strikes to come     The Hidden Language of Cats Sarah Brown, PhD,2023-10-17 Descended from shy solitary North African wild cats domestic cats set up homes with devoted owners all over the world by learning how to talk to us This book translates in case you missed anything A renowned cat behavior scientist of over thirty years Dr Sarah Brown has been at the forefront of research in the field discovering how cats use tail signals to interact with each other and their owners Now she reveals the previously unexplored secrets of cat communication in a book that is both scientifically grounded and utterly delightful Each chapter dives into a different form of communication including vocalizations tail signals scents rubbing and ear movements The iconic meow for example is rarely used between adult cats cleverly mimicking the cries of a human infant the meow is a feline invention for conversing with people Through observing the behavior of two cat colonies in rural England readers will also have the opportunity to glimpse into the lives of some of the cats behind Dr Brown s science Can we understand what cats meows and other signals mean How do cats actually perceive us And how can we use this information to inform how we talk back to our feline friends Referencing historical records exploring modern scientific studies of cat human communication and including simple elegant line drawings The Hidden Language of Cats is perfect for any cat lover who wants to learn more about their companion     Black Dog Summer Miranda Sherry,2015-02-10 Miranda Sherry instantly became a writer to watch Kirkus Reviews with her extraordinary debut novel reminiscent of *The Lovely Bones* and *Little Bee* about a murdered woman who observes from the afterlife as her teenage daughter the sole survivor of a farm massacre recovers from the trauma amidst a family s startling dysfunction Yesterday Sally and her teenage daughter Gigi were living a charmed bohemian life in the African bush Now Sally is dead and Gigi is alone in the world But Sally cannot move on She lingers unseen in her daughter s shadow When Gigi moves in with her aunt s family in Johannesburg Sally comes too When Gigi s trauma stirs up long buried secrets Sally watches helplessly from the beyond as the family unravels When her young niece develops an obsession with African magic Sally calls upon their neighbor Lesedi the beautiful modern day witch doctor who can communicate with the dead and plies her trade in secret behind the closed gates and high walls of their affluent suburb Gigi s fragile healing process is derailed when she receives some shattering news and in an effort to protect her cousin instead puts the girl in imminent danger Now Sally must find a way to prevent her daughter from making a mistake that could destroy the lives of all who are left behind A suspenseful drama focusing on marriage and fidelity sisterhood and the fractious bond between mothers and daughters and set in a contemporary urban world that belies a simmering wildness Black Dog Summer is a gorgeously written debut with a pace that will leave you breathless     Felines of the World Giovanni G. Bellani,2019-09-19 *Felines of the World* Discoveries
