Onwurah, 2021-04-05 This handbook provides critical analyses of the theory and practices of small arms proliferation and its impact on conflicts and organized violence in Africa It examines the terrains institutions factors and actors that drive armed conflict and arms proliferation and further explores the nature scope and dynamics of

conflicts across the continent as well as the extent to which these conflicts are exacerbated by the proliferation of small arms. The volume features rich analyses by contributors who are acquainted with and widely experienced in the formal and informal structures of arms proliferation and control and their repercussions on violence, instability and insecurity across Africa. The chapters dissect the challenges of small arms and light weapons in Africa with a view to understanding roots, causes and drivers and generating a fresh body of analyses that adds value to the existing conversation on conflict management and peacebuilding in Africa. With contributions from scholars, development practitioners, defence and security professionals and civil society activists, the handbook seeks to serve as a reference for students, researchers and policy makers on small arms proliferation, control and regulation, defence and security practitioners and those involved in countering violence and managing conflicts in Africa.

Tomorrow's War (Science Fiction Wargaming Rules). Ambush Alley. Ambush Alley Games, 2011-10-20. A miniatures wargame of gritty futuristic combat. Tomorrow's War projects the tactics and technology of today's military conflicts hundreds of years into the future. While robot, drones, anti-gravity vehicles and advanced battle suit technology have changed the face of warfare, the essentials of combined arms tactics have remained constant. Using the popular Force on Force rules as a basis, Ambush Alley Games has created the most realistic and tactically challenging science fiction wargame on the market. The rulebook includes a detailed optional future history and a campaign system so that individual battles can be linked into an ongoing storyline.
