The Small House at Allington is the fifth novel in Anthony Trollope's series known as the Chronicles of Barsetshire. It first appeared as a serial in the July to December edition of the Cornhill Magazine and ended its run in the July to December edition of the following year. It was later published 1864 as a two volume novel. It enjoyed a revival in popularity in the early 1990s when the British prime minister John Major declared it as his favourite book.

Plot summaryThe Small House at Allington concerns the Dale family who live in the Small House a dower house intended for the widowed mother Dowager of the owner of the estate. The landowner in this instance is the bachelor Squire of Allington Christopher Dale. Dale's mother having died he has allocated the Small House rent free to his widowed sister in law and her daughters Isabella Bell and Lilian Lily. When the novel begins Bernard the squire's nephew and heir brings his friend Adolphus Crosbie to Allington and introduces him to the family. Crosbie is handsome and well regarded in London society. Bell and Lily are impressed by Crosbie's charm and worldliness and Lily the younger and wittier sister labels him an Apollo. She and Crosbie grow increasingly intimate during his stay at Allington and before leaving he proposes to her. Mrs Dale has no money for a dowry but Crosbie thinks the squire might provide Lily with some fortune given that in many ways he treats her and Bell as if they were his daughters. When asked the squire informs him this is not the case leading Crosbie to reflect on how his salary as a clerk at the General Committee Office allows him to live comfortably as a bachelor but if he were to marry and support a family on his current income they would need to live very humbly. The engagement is made public and celebrated in Allington but when Lily learns about his misunderstanding regarding her possible fortune she offers to break off the engagement with no hard feelings. Crosbie refuses however because he is impressed by this noble gesture and genuinely fond of Lily. After leaving Allington Crosbie heads straight to Courcy Castle Back among people of high society. Crosbie's image of married life with Lily on his small salary grows bleaker. Rumors have reached the castle but Crosbie attempts to dodge any questions about his engagement. Thus the Countess de Courcy views him as fair game and a viable match for her only single daughter still of marriageable age Alexandrina who had previously struck up a friendship with Crosbie in London. Pressed by Alexandrina in a moment of weakness he asks her to marry him and the countess sees that their engagement is firmly settled between Crosbie and the earl before he leaves. Crosbie immediately begins having second thoughts he is now engaged to two women and although he prefers Lily who is younger prettier and more intelligent she is a country girl he can jilt with few repercussions whereas Alexandrina is the daughter of a prominent family. Thus he writes a

letter to Lily and Mrs Dale breaking off the engagement Ironically he is given a raise in salary almost as soon as he returns to London and he muses how he could have had a comfortable happy life married to Lily Anthony Trollope 24 April 1815 6 December 1882 was an English novelist of the Victorian era Among his best known works is a series of novels collectively known as the Chronicles of Barsetshire which revolves around the imaginary county of Barsetshire He also wrote novels on political social and gender issues and other topical matters Trollope s literary reputation dipped somewhat during the last years of his life but he had regained the esteem of critics by the mid 20th century **The Small House at Allington**
