Small Man of Nanataki Liam Nolan,1966 Story of an interpreter for the Japanese in Hong Kong prison camps who risked his life to help the prisoners *Hong Kong Internment, 1942-1945* Geoffrey Charles Emerson,2008-03-01 Hong Kong Internment 1942 1945 Life in the Japanese Civilian Camp at Stanley tells the story of the more than three thousand non Chinese civilians British American Dutch and others who were trapped in the British colony and interned behind barbed wire in Stanley Internment Camp from 1942 to 1945 From 1970 to 1972 while researching for his MA thesis the author interviewed twenty three former Stanley internees During these meetings the internees talked about their lives in the Stanley Camp during the Japanese occupation Long regarded as an invaluable reference and frequently consulted as a primary source on Stanley since its completion in 1973 the study is now republished with a new introduction and fresh discussions that recognize later work and information released since the original thesis was written Additional illustrations including a new map and photographs as well as an up to date bibliography have also been included in the book Not the Slightest Chance Tony Banham,2003 More than 10% of Hong Kong s defenders were killed in battle a further 20% died in captivity Those who survived seldom spoke of their experiences Many died young The little primary material surviving written in POW camps or years after the events is contradictory and muddled Yet with just 14 000 defending the colony it was possible to write from the individual s point of view rather than that of the Big Battalions so favoured by God according to Napoleon and most historians The book assembles a phase by phase day by day hour by hour and death by death account of the battle It considers the individual actions that made up the fighting as well as the strategies and plans and the many controversies that arose *How Far Is Far?* Paul H. Building in Central and before they were sent to the camp a period little covered in previous publications Hence the book is an important primary source for understanding the daily operation of the Stanley Internment Camp and the camp's environment Readers will also learn more about the daily life of those imprisoned in the camp and C G Alabaster's interaction with other prisoners there A prominent figure in pre war Hong Kong Alabaster was one of the leaders of the British community in Stanley Internment Camp His recently discovered journal provides a detailed and candid account of the routines anxieties and hardships of camp life It also offers new insights into the complex politics and divisions among internees With its substantial editorial introduction this book is an important addition to the growing literature on internment during Japan's wartime occupation of Hong Kong Christopher Munn University of Hong Kong Of the many memoirs of the Stanley civilian internment camp this is perhaps the most fascinating and engrossing Written soon after the war and based on a diary it is not only a day by day description of the travails of life in captivity but also more interestingly an account of the inner tensions and divisions that were rampant among the British internees from beginning to end Edward J M Rhoads University of Texas at Austin General Catalogue of Printed Books British Museum.
