Seven Wonders of the Universe That You Probably Took for Granted C. Rene James, 2021-05-04 A fascinating look at the scientific mysteries behind our everyday world from night light and gravity to our cosmic home and wonder itself So much of what surrounds us feels familiar and mundane until we look closer C. Rene James opens the Universe to fantastical contemplation in this whimsical tour of seven everyday experiences night light stuff gravity time home and wonder James introduces each of these seven wonders with a simple question that appears to be easily answered The questions are deceptive though Although we need light to see there's much more to it than meets the eye When you get down to the atomic level physical things are made of almost entirely empty space 99.99% nothing And James's contemplation of our place in the Universe shows that it's not just a place to hang your hat and that there's really nothing else like it James's accessible discussion uses common analogies and entertaining illustrations to explain historical discoveries and concepts such as relativity antimatter and the electromagnetic spectrum Fun and edifying *Seven Wonders of the Universe That You Probably Took for Granted* is an inviting introduction to secret knowledge of our everyday world

Reflections of My Heart Ken Oswald, 2011-02-15 Life is an adventure sometimes we take it for granted Reflections of my heart are things emotions and feelings I have felt and lived through in my life that many of you may be able to relate to as well People come into your life for a reason a season or a lifetime When someone is in your life for a REASON it is usually to meet a need you have expressed They have come to assist you through a difficulty to provide you with guidance and support To aid you physically emotionally or spiritually They may seem like a godsend and they are They are there for the REASON you need them to be Some people come into your life for a SEASON because your turn has come to share grow or learn They bring you an experience of peace or make you laugh They may teach you something you have never done They usually give you an unbelievable amount of joy Believe it it is real But only for a SEASON LIFETIME relationships teach you lifetime lessons Things you must build upon in order to have a solid emotional Foundation Your job is to accept the lesson Love the person and put what you have learned to use in all other Relationships and areas of your life It is said that love is blind but

friendship is clairvoyant Thank you for being a part of my life Whether you were a reason a season or a lifetime
