Communication with All Life (Large Print 16pt) Joan Ranquet,2010-06-21 Although Communication with All Life is about

animal communication it isn't just a how to book but a guide that will help you discern how much you're already exchanging feelings words and pictures with your pet. Woven throughout the book are many stories to illustrate and support the theory that animal communication isn't something that you do or need to learn; it just is. By tuning in telepathically, Joan Ranquet has helped thousands of people and animals deepen their connections with each other, resolve behavioral problems, assist in the process of death and dying, and examine issues surrounding illness and accidents. Many of the situations that are dealt with throughout the book are actually people perception problems rather than stories of an ill behaved dog, cat, horse, bird, or other pet. Communication with All Life illustrates how to move past the emotional patterns that create unwanted behavior and ultimately demonstrates that animal companions give humans the opportunity to enact leadership and responsibility in their thoughts and feelings to ensure harmony at home.

For Keeps Donna Carlisle, 1991

Pepper, the Highlander & the Dead Guy

Donna Fletcher, 2023-10-18 A dead guy, a Highlander, a murder, and a long kept secret. Pepper never expected her morning stroll through the woods to turn into a downhill tumble literally. Rolling down a hill she lands in a heap at the most inconvenient spot imaginable right next to a dead guy with a slashed throat. And as if that's not bad enough, towering over her is none other than G.I. Joe decked out in camo with a knife in hand. Killer Soldier. Or maybe just a guy who takes Halloween way too seriously. Let's back up. Pepper, a well known prepper whose logo is Prepped Prepared, should've known better than to venture into the woods in moccasins. But curiosity got the better of her. Who wouldn't want to scope out the new neighbor who just bought the massive sixty acre Willow Lake Lodge property that hugs her modest three acres? Big mistake. Huge. Her dad, the sheriff of Willow Lake, is ordering her to steer clear of Ian Macgregor, the new lodge owner and now suspect. Josh, youngest of her three brothers and a police officer on the Willow Lake force, warns her as well to avoid the hot hunk. Growing up with three older brothers wasn't exactly conducive to getting boyfriends, but at twenty-eight those days are gone at least. She intends to make sure they are. And as far as the hot hunk He's too handsome and handsome equals trouble. Curiosity has Pepper once again sneaking around the lodge with her best friend since grade school, Amy. She takes another fall, but this time Pepper lands at the feet of a Highlander. Yes, you read that right, a Highlander. Turns out Ian Macgregor isn't just the new neighbor; he's THE Ian Macgregor, a ridiculously handsome and wildly famous romance novel cover model. Oh, and did she mention he might also be a murderer? Because why stop at annoyingly good looking when you can add potentially lethal to the mix? With her dad and brothers practically posting Do Not Enter signs around Ian, Pepper knows she should mind her business. But when strange clues surface and sparks start flying between her and the Highlander, Pepper can't resist poking around. After all, what's a little murder mystery between neighbors? Welcome to Willow Lake, PA, a charming small town where quirky characters abound. Meet Mo, Pepper's genius Alaskan Malamute, and Roxie, a calico cat who does as she pleases but what cat doesn't? Add in a dash of romance, a heap of laughs, and a good dose of suspense, and you've got Pepper, The Highlander, The Dead Guy, the hilarious first book in the Pepper the Prepper Mystery Series.

British Training for American Retrievers Vic Barlow,2014-07-12

There has long been a disconnect between the retriever training methods in the United Kingdom and in North America British Retriever Trials are primarily a test of the dog s skill as a game finder while American Field Trials are a test of the handling techniques of the owner The Brits teach their dogs to find every bird while American handlers are training for an event in which tracking cripples plays no part The British manner for many American and Canadian hunters makes more sense to them on a day to day basis because its aim is to produce a finished gun dog who is steady quiet and reliable in the field
