## **Sociology The Core With Powerweb:**

**Michigan Sociological Review** ,2005      **Sociology** Richard T. Schaefer,2004 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books      *Sociology* Michael D. Hughes,Carolyn J. Kroehler,James Wilfrid Vander Zanden,2002 Highly respected for its quality scholarship and its focused straightforward approach to Sociology the sixth edition of *Sociology The Core* returns to the core concept with tighter briefer more accessible presentation and a very accessible price Michael Hughes of Virginia Polytechnic State University and Carolyn Kroehler a professional writer have revised the work of James Vander Zanden who is now Emeritus Professor of the Ohio State University As in the previous editions the functionalist conflict and interactionist perspectives are applied throughout the book allowing students to develop a solid understanding of the major sociological perspectives and their applications to the topics covered *Sociology The Core* seeks to make sociology come alive as a vital and exciting field to relate principles to real world circumstances and to attune students to the dynamic processes of our rapidly changing contemporary society The authors have kept this book completely up to date including data from the 2000 Census whenever possible and new student examples capitalizing on students desire to read about issues of interest to them      **Reel Society Interactive Movie CD-ROM Version 2.0** WILL Interactive,2005-01-05 This unique interactive movie on two CD ROMs demonstrates the sociological imagination using actors and scenarios involving campus life Taking on the role of one of the characters each viewer takes part in key plot turns by making choices for the character Through it all a wide variety of issues and perspectives are addressed reinforcing major sociological concepts and theories relating them to students lives and sparking debate One college town many kinds of people imagine yourself as a student at Pineville University What social forces affect the choices you make in life *Reel Society* is the interactive movie that gives you the chance to find out Society isn't just one person's story So take a different perspective Think differently Live your life as someone different Should you stay home and hit the books Or spend the evening relaxing with friends What's more important your education or your family You decide Experience how cultural differences stratification political systems norms religion and the media affect your life Spark your sociological imagination Learn differently *Reel Society 2.0* is the learning tool for bridging the classroom and real life In addition to the interactive movie explanatory text and a glossary this enhanced two CD set includes quizzes and discussion questions to test your knowledge of sociology Plus there are links to the McGraw Hill sociology websites A perfect complement to any introductory sociology textbook *Reel Society 2.0* is available in discounted packages with selected McGraw Hill texts      **Sociology**

ALLEN Hughes,2001-11      **Sociology** ,1986      **The New Walford Guide to Reference Resources** Ray Lester,2005 The New Walford highlights the best resources to use when undertaking a search for accurate and relevant information saving you precious time and effort For those looking for a selective and evaluative reference resource that really delivers on its promise look no further In addition to print sources The New Walford naturally covers an extensive range of e reference sources such as digital databanks digital reference services electronic journal collections meta search engines networked information services open archives resource discovery services and websites of premier organizations in both the public and private sectors But rather than supplying a list of all available known resources as a web search engine might The New Walford subject specialists have carefully selected and evaluated available resources to provide a definitive list of the most appropriate and useful With an emphasis on quality and sustainability the subject specialists have been careful to assess the differing ways that information is framed and communicated in different subject areas As a result the resource evaluations in each subject area are prefaced by an introductory overview of the structure of the relevant literature This ensures that The New Walford is clear easy to use and intuitive Publisher      *Sociology: The Core* Michael Hughes,Carolyn Kroehler,2008-10-30 Highly respected for its scholarship and straightforward approach Sociology The Core covers core sociological concepts with a brief and accessible presentation at an affordable price In the ninth edition Sociology once again comes alive as a vital and exciting field to relate sociological principles to real world circumstances New What Can Sociology Do For You sections introduce the careers and provide educational recommendations for students that decide to pursue a degree in Sociology      Sociology James Wilkin Vander Zanden,Mary Margaret Wilkes Karraker,1990      **Sociology, with PowerWeb** Richard T. Schaefer,2005-12 Like its predecessors the tenth edition of this text reflects Rick Schaefer s mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination An optional package combines Schaefer Sociology with PowerWeb Tenth Edition and Reel Society Interactive Movie 2 0 CD ROM at nominal extra cost The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment the AIDS crisis welfare reform the death penalty and privacy and censorship in an electronic age Richard T Schaefer      *Sociology* Schaefer,2005-03      *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Cascio,2005-05      *Sociology* Michael Hughes,2005      **Sociology** Richard T. Schaefer,2003-01-01      Discover Sociology: Core Concepts Daina S. Eglitis,William J.
