Bibliography of Georgia Authors, 1949-1965 John W. Bonner, Jr.,2010-03-01 Starting in 1949 John W Bonner Jr compiled an annual annotated bibliography of books by Georgia writers for the Georgia Review Published in 1966 this volume contains sixteen years of publications by native born Georgian authors and authors who had lived in the state for at least five years Books are listed by author title publisher date and price of the work The annotations are descriptive rather than critical intended to outline what type of material is contained in the books A complete index by author is included **Introduction**

to Sociology Henry L. Tischler,1996 **Subaltern Women's Narratives** Samraghni Bonnerjee,2020-12-29 Subaltern Women s Narratives brings together intersectional feminist scholarship from the Humanities and Social Sciences and explores subaltern women s narratives of resistance and subversion Interdisciplinary in nature the collection focuses on fictional texts archival records and ethnographic research to explore the lived experiences of subaltern women in different marginalised communities across a wide geographical landscape as they negotiate their way through modes of labour and activism Thematically grouped the focus of this book is two fold to look at the lived experiences of subaltern women as they negotiate their lives in a world of political flux and conflicts and to examine subaltern women s dissenting practices as recorded in texts and archives This collection will push the boundaries of scholarship on decolonial and postcolonial feminism and subaltern studies reading women s subversive practices especially in the themes of epistemology and embodiment This book is aimed primarily at scholars postgraduates and undergraduates working in the fields of colonial and postcolonial studies It will appeal to both historians and scholars of nineteenth century and contemporary literature Specifically scholars working on subaltern theory feminist theory indigenous cultures anticolonial resistance and the Global South will find this book particularly relevant Student Resource Manual to Accompany Sociology in a Changing World William

Kornblum,1997 Cannabis Michał Wanke,Sveinung Sandberg,Ruken Macit,Hakan Gülerce,2024-06-14 This book demonstrates how culture matters for the understanding of cannabis use It stems from the growing body of research on how users manoeuvre stigmatisation and celebrate the subcultural status of cannabis amid rapid transformation of the substance and its societal reception The volume presents international studies that challenge the normalisation thesis and simplified views on patterns of use as well as the Western bias in social research of cannabis Chapters in this book map the variability of cannabis cultures and markets on a global scale including digital regulated and illicit markets in transformation They study cannabis through stigmatisation gender social worlds symbolic boundaries subcultures and identity work The chapters

address diverse themes such as how Latvian Polish Nigerian or Mexican users negotiate mainstream conservative and sometimes gendered societal reactions to cannabis and how Nordic users identities are played out in more progressive contexts Chapters also cover cannabis use by older people and small growers cultures in the US and the interconnections between the established cultures and their digital augmentation in Australia Synthetic cannabis use is studied in New Zealand and the many contradictions of contemporary cannabis policies are highlighted throughout Taken together this book offers an assortment of studies that provide a descriptive and conceptual snapshot of ongoing transitions of paradoxically stable cannabis cultures It was originally published as a special issue of Drugs Education Prevention and Policy

Australian National Bibliography ,1978 *Advanced Accounting Theory and Practice* Kabiru I. Dandago,2009-01-30

Accounting is the discipline with the oldest historical culture being the first to be recognized by humanity when Adam and Eve were made to account for what they did in paradise It is also the only discipline that will come into play in the Hereafter where everybody would be raised up as an accountant to account for all they have done during their life time on earth Accounting is a service providing discipline with a rich theoretical background which makes available information especially financial to guide various decision making processes Business owners creditors managers prospective investors government and its agencies employees and even the general public seek accounting information to guide them when taking various informed decisions about reporting entities and the environment within which they operate This book addresses the historical accounting culture its theories as well as its practices It is made up of fifteen chapters covering various historical theoretical and practical aspects of Accounting ranging from accounting standardization to financial reporting The book is an attempt to address some of the lacunae in advanced accounting issues both in theory and in practice Students of advanced accounting theory and practice at the professional and academic levels in Universities Polytechnics and Professional Institutes would find the book an essential companion **Forthcoming Books** Rose Arny,1999
