S O E in France Michael Richard Daniel Foot, 1966 **SOE** Michael Richard Daniell Foot, 1984 This book explains clearly and readably how the Special Operations Executive was created and run the astounding calibre of the men and women who fought in it what tools they used how and where they applied them where they did well and where they did badly From dustjacket SOE in France M. R. D. Foot, 1966 **S O E in France : an Account of the Work of the British Special Operations Executive in France, 1940-1944** Michael Richard Daniell Foot, 1968 **Setting France Ablaze** Peter Jacobs, 2015-09-30 A history of the British intelligence group s operations in France during the Second World War During the summer of 1940 as Britain was fighting alone for its survival the British Prime Minister Winston Churchill instructed the newly formed and clandestine Special Operations Executive to set Europe ablaze From that moment on the S O E took its own war to Nazi occupied Europe by conducting a mix of espionage sabotage and reconnaissance missions with its F Section dedicated to aiding the liberation of France The risks and dangers of being associated with the S O E were obvious and the consequences of being caught could only be imagined by those who volunteered Yet the volunteers still came from all walks of life and each a specialist in their own field Amongst those recruited were Gus March Phillipps who led the Small Scale Raiding Force Peter Churchill who survived by convincing his captors he was related to the British Prime Minister Tommy Yeo Thomas known to the Gestapo as the White Rabbit and the legendary Newton Twins who waged their own private war against the Nazis simply to get personal revenge As F Section grew in numbers it turned to recruiting women and from its ranks came some of the bravest to have operated in occupied Europe These included women such as Odette Sansom Vera Leigh Noor Inayat Khan Violette Szabo and Nancy Wake Then as the Allies invaded Europe in 1944 the S O E inserted small elite teams known as Jedburghs deep behind enemy lines to link up with the French resistance and to coordinate more widespread and overt acts of sabotage to prevent the German reinforcement of Normandy Peter Jacobs describes the extraordinary contribution to the Allied war effort made by the S O E in France and tells the gripping story of the men and women who so bravely operated behind enemy lines many of whom were betrayed and did not live to tell the tale It pays

tribute to the extreme courage and bravery of the individuals who did exactly what Churchill asked of them they set France ablaze Praise for Setting France Ablaze Overall this is a useful examination of SOE s operations in France and a tribute to the courage of so many of the agents who attempted to carry out Churchill s instructions to set Europe ablaze History of War A very readable account of the SOE and what went on during the war from the early days of setting up the operation This book is filled with the stories of agents being inserted into France from the early stages following the German invasion A very interesting and thought provoking account of SOE operatives and also a way of remembering the many who never came home Military Modelling Online *S O E in France* M.
