Samurai in the Land of the Gaucho Koichi Hagimoto, 2023-07-15 Winner of the 2024 Marysa Navarro Best Book Prize
New England Council for Latin American Studies NECLAS In the early twentieth century historical imaginings of Japan contributed to the Argentine vision of transpacific modernity Intellectuals such as Eduardo Wilde and Manuel Domecq Garc a celebrated Japanese customs and traditions as important values that can be integrated into Argentine society But a new generation of Nikkei or Japanese Argentines is rewriting this conventional narrative in the twenty first century Nikkei writers such as Maximiliano Matayoshi and Alejandra Kamiya are challenging the earlier unapologetic view of Japan based on their own immigrant experiences Compared to the experience of political persecution against Japanese immigrants in Brazil and Peru the Japanese in Argentina generally lived under a more agreeable sociopolitical climate In order to understand the positive perception of Japan in Argentine history and literature *Samurai in the Land of the Gaucho* turns to the current debate on race in Argentina particularly as it relates to the discourse of whiteness One of the central arguments is that Argentina s century old interest in Japan represents a disguised method of re claiming its white Western identity Through close readings of diverse genres travel writing essay novel short story and film *Samurai in the Land of the Gaucho* yields a multi layered analysis in order to underline the role Japan has played in both defining and defying Argentine modernity from the twentieth century to the present

A Culture of Stone Carolyn Dean, 2010-10-21 A major contribution to both art history and Latin American studies *A Culture of Stone* offers sophisticated new insights into Inka culture and the interpretation of non Western art Carolyn Dean focuses on rock outcrops masterfully integrated into Inka architecture exquisitely worked masonry and freestanding sacred rocks explaining how certain stones took on lives of their own and played a vital role in the unfolding of Inka history Examining the multiple uses of stone she argues that the Inka understood building in stone as a way of ordering the chaos of unordered nature converting untamed spaces into domesticated places and laying claim to new territories Dean contends that understanding what the rocks signified requires seeing them as the Inka saw them as potentially animate sentient and sacred Through careful analysis of Inka stonework colonial period accounts of the Inka and contemporary ethnographic and folkloric studies of indigenous Andean culture Dean reconstructs the relationships between stonework and other aspects of Inka life including imperial expansion worship and agriculture She also scrutinizes meanings imposed on Inka stone by the colonial Spanish and later by tourism and the tourist industry *A Culture of Stone* is a compelling multidisciplinary argument for rethinking how we see and comprehend the Inka past

Exorcising History Jean Graham-Jones, 2000 It is in this way that the plays lend themselves to Graham Jones s examination of how personal and collective histories enter into theater production in the creation of dramatic worlds that re create and revise the outside world

BOOK JACKET **El Chamán Del Desierto** C.E. Duque, 2014 **Latin American Women Dramatists** Catherine Larson, Margarita Vargas, 1998 The book highlights the many possibilities of the innovative work of these dramatists and this

will it is to be hoped help the editors to achieve one of their other key goals productions of the plays in English Times Literary Supplement This thoughtfully crafted book with its insightful and informative studies elucidates an overlooked essential component of the Latin American literary canon Choice Contributors discuss 15 works of Latin American playwrights delineate the artistic lives of women dramatists of the last half of the twentieth century from countries as diverse as Argentina Brazil Chile Mexico Puerto Rico and Venezuela and highlight the problems inherent in writing under politically repressive governments

Sierra, 2012-05-07 Addressing the issue of how gendered spatial relations impact the production of literary works this book discusses gender implications of spatial categories the notions of home and away placement and displacement dwelling and travel location and dislocation and the quest for place in women's writing from Argentina from 1920 to the present

A Dictionary of English and Spanish Equivalent Proverbs Teodor Flonta, 2011-10-28 This Dictionary assembles 2 201 English proverbs and their Spanish equivalents Equivalent proverbs are those which express the same concept literally such as Love is blind El amor es ciego or with completely different words such as Every cloud has a silver lining No hay mal que por bien no venga The Dictionary is a very useful reference tool for scholars of the two languages for researchers working in various associated fields such as linguistics literature folklore anthropology psychology sociology history and for workers in newer areas such as advertising and contemporary media The Dictionary is also of interest to diplomats and politicians who try to improve their communication by sharing ideas formulated in some common meaningful expressions it will assist interpreters and translators and teachers and students for whom it is important to understand not only what the target culture expresses in the same way as their own but also what is formulated in a different way The Dictionary is also of benefit to non professionals who for the sheer enjoyment of it wish to savour the wisdom wit poetry and the colourful language of proverbs

Ideología Construída Fernando Grasa, 2022-06-01 Within the Mediterranean construction tradition sacred architecture has always played a very prominent role giving rise to the most numerous and best preserved historical buildings prior to the 18th century that have survived Throughout 5 000 years the visual plot has been shown as the systematic alphabet that Mediterranean cultures have used to write multiple architectural accounts of a sacred and ceremonial nature We will begin this memory a true travel notebook by presenting what the Christian temples of discipline have taught us Then we travel to Egypt Rome and finally to Malta and Gozo The systematicity and similarities in the crystallization of the ideological discourse were incredible and we invite the reader to verify those teachings To facilitate this the text includes more than 360 sketches and 300 images of more than 200 buildings belonging to 17 countries

The radical otherness that heals Alhena Caicedo Fernández, 2021-04-01 The Radical Otherness That Heals proposes an interesting theoretical advance in various schools of local and regional and national and transnational analysis It is based on a multilocal ethnography and a detailed sociological and political reading of the interactions between institutions and social and cultural representations of otherness The original

theoretical proposal consists of reading the reconfiguration of shamanisms stemming from processes of ethnicization and patrimonialization and skillfully reconstructing the national ideological space and the most recent effects of multiculturalism through representations of otherness Anne Marie Losonczy Director of Studies at the Ecole Pratique des Hautes Etudes Paris The concept of the yagecero field serves as the axis of this innovative research that intertwines a multi sited ethnography with a biographical approach to the actors An extensive review of the literature on indigenous shamanisms their networks national politics inter ethnic relations and representations of the radical alterity that heals makes it possible for the reader to draw near based on the close proximity of neo shamanic practices to perceive the national and transnational influences that are an integral part of the ongoing dynamics of this phenomenon The analysis of neo shamanism and the practices of the taita yageceros in Colombia contributes to deepening current debates on contemporary shamanisms and the broader issue of new religiosities the transformations of indigenous groups and their politics of identify This book provides a valuable input to the characterization of New Age spirituality from its understanding as a localized practice It opens a space to compare the aforementioned manifestations in Colombia with similar ones in different countries Esther Jean Langdon Professor at the Federal University of Santa Catarina Brazil
