 I was born September 16 1843 on a farm in Otter Creek precinct Jersey County Illinois I was living with my parents in the  
 little old log house where I was born when the Civil war began The Confederates fired on Fort Sumter on April 12 1861 and  
 thus commenced the war On April 15 1861 President Lincoln issued a call for 75 000 men to aid in putting down the existing  
 rebellion Illinois promptly furnished her quota and in addition thousands of men were turned away for the reason that the  
 complement of the State was complete and there was no room for them The soldiers under this call were mustered in for  
 three months service only for the government then seemed to be of the opinion that the troubles would be over by the end of  
 that time But on May 3 1861 Mr Lincoln issued another call for volunteers the number specified being a little over 42 000  
 and their term of service was fixed at three years unless sooner discharged The same call provided for a substantial increase  
 in the regular army and navy      **The Story of a Common Soldier of Army Life in the Civil War** Leander
