Soldiers Of The Queen Women In The Australian Army:

Soldiers of the Queen Janette Margaret Bomford, 2001 This history of the Women's Royal Australian Army Corps covers the WRAAC from its creation in 1951 to its abandonment in 1984 when women were integrated into the Australian army. It covers all the gender, political and cultural issues surrounding women's inclusion in the fighting forces. **Soldiers of the**

The Australian Army from Whitlam to Howard John Blaxland, 2014 The Australian Army from Whitlam to Howard is the first critical examination of Australia's post Vietnam military operations spanning the 35 years between the election of Gough Whitlam and the defeat of John Howard. John Blaxland explores the casualty cringe felt by political leaders following the war and how this impacted subsequent operations. He contends that the Australian Army's rehabilitation involved common individual and collective training and reaffirmation of the Army's regimental and corps identities. He shows how the Army regained its confidence to play leading roles in East Timor, Bougainville and the Solomon Islands and to contribute to combat operations further afield. At a time when the Australian Army's future strategic role is the subject of much debate and as the Asian Century gathers pace and commitment in Afghanistan draws to an end, this work is essential reading for anyone interested in understanding the modern context of Australia's military land force.

A Soldier's Soldier Jeffrey Grey, 2013-01-24 Lieutenant General Sir Thomas Daly was a renowned soldier and one of the most influential figures in Australia's military history. As Chief of the General Staff during the Vietnam War, he oversaw a significant reorganisation of the Army as he fought a war under political and resource restrictions. In this unique biography, Jeffrey Grey shows how Daly prepared himself for the challenges of command in a time of great political upheaval. **A Soldier's Soldier** examines Daly's career from his entry to Duntroon in the early 1930s until his retirement forty years later, covering the key issues in the development of the Australian Army along the way. Drawing on extensive interview transcripts, the book provides a compelling portrait of Sir Thomas Daly and his distinguished career.

Soldier Phil Rutherford, 2017-08-05 **Soldier** presents a magnificent collection of highly detailed illustrations depicting uniforms worn by the military forces of this nation from colonial times to the modern era. Accompanying each illustration is the history of the uniform and equipment portrayed and the men and women who wore the uniform and the circumstances of their service. This is a book rich in colour and historical narrative. **Soldier** is much more than simply a description of military uniforms and equipment. Phil Rutherford has spent over 20 years searching for the roots of Australia's modern army, analysing trends both in dress and in the military art itself. In doing so, he has discovered that there is very little about the uniforms worn and the equipment carried by today's soldiers that can truly be called its own. Even the most iconic symbol of the Australian army, the slouch hat, was not invented by a Victorian volunteer as popular rumour suggests, but was worn by troops in seventeenth-century Europe. In fact, there are significant elements of the army's dress and equipment, such as the badges of rank worn by both soldiers and officers, which can be traced to the days of knights in shining armour. **Soldier** seeks

to map the links between the army's modern dress and its earliest antecedents describing the formation and history of Australia's army from the perspective of both the regular and reserve soldiers This book also reveals the story behind the soldiers themselves the men and women who wore these uniforms and the times in which they served since the first volunteers and militias were raised to protect the lives and property of the earliest settlers from adversaries both real and imagined

One hundred years of wartime nursing practices, 1854-1953 Jane Brooks,Christine Hallett,2015-11-01 This book examines the work that nurses of many differing nations undertook during the Crimean War the Boer War the Spanish Civil War both World Wars and the Korean War It makes an excellent and timely contribution to the growing discipline of nursing wartime work In its exploration of multiple nursing roles during the wars it considers the responsiveness of nursing work as crisis scenarios gave rise to improvisation and the sometimes quite dramatic breaking of practice boundaries The originality of the text lies not only in the breadth of wartime practices considered but also the international scope of both the contributors and the nurses they consider It will therefore appeal to academics and students in the history of nursing and war nursing work and the history of medicine and war from across the globe

Serving in Silence? Noah Riseman ,Shirleene Robinson,Graham Willett,2018-07-01 Australian LGBT servicemen and women

The Face of the Nation Elise Stephenson,2024 The Face of the Nation studies women's leadership and gender relations across some of the worst performing and most male dominated spheres of state international affairs Exploring the stories from almost 80 global women leaders as well as institutional histories and policies across diplomacy defense national security policing and intelligence this book seeks to understand why women remain under represented on the global stage despite many changing social and policy norms Using Australia as a leading case study the book extends theories on gender and international institutions to understand the gendered racialized and heteronormative structures that continue to limit and impact on diverse women's leadership and participation internationally

Game to the Last James Hurst,2011-10-01 *Game to the Last* reveals the story of the men who would become one of the finest battalions which served in the war the West Australian 11th Infantry Battalion AIF during the gruelling Gallipoli Campaign of 1915 The narrative follows the battalion members as they leave their homes and lives in Western Australia embark for overseas experience the excitement and boredom of arid and exotic Egypt and undergo their baptism of fire in the first wave of the Australian and New Zealand landings at Gallipoli on 25 April 1915

Defending Country Noah Riseman,Richard Trembath,2016-03-23 The role of Aboriginal servicemen and women has only recently been brought to the forefront of conversation about Australia's war history This important book makes a key contribution to recording the role played by Indigenous Australians in our recent military history Written by two respected historians and based on a substantial number of interviews with Indigenous war veterans who have hitherto been without a voice it combines the best of social and military history in one book This will be the first book to focus on this previously neglected part of Australian social history

Creative Spaces for Qualitative Researching: Living Research Joy

Higgs, Angie Titchen, Debbie Horsfall, Donna Bridges, 2012-01-01 *Creative Spaces for Qualitative Researching Living Research* This book looks inward at researchers who are seeking to live their research to embody the principles methodologies and ethical conduct that comprises their research strategies And it looks outward at the living world as the focus of qualitative research From both perspectives the editors and authors of this book have created spaces for qualitative research that provide critical and creative frameworks for conducting and living their research A rich variety of research voices and lives are illuminated liberated and revealed in the book There are five sections in the book *Researching Living Practices Doing Creative Research Being a Creative Researcher Co Creating Qualitative Research in Creative Spaces Becoming Transformed Through Creative Research*

Absent Aviators Donna Bridges, Jane Neal-Smith, Albert Mills, 2016-03-16 The objective of this book is to present a number of related chapters on the subject of gender issues in the workplace of the aviation industry More specifically the chapters address the continuing shortfall in the number of women pilots in both civilian and military aviation Considerable research has been carried out on gender issues in the workplace and for example women represent about 10% of employees in engineering This example is often used to show that the consequences of gender discrimination are embedded and difficult to overcome in masculine dominated occupations However women represent only 5.6% of the profession of pilot Clearly there are many factors which mitigate women seeking to become pilots The chapters within this volume raise both theoretical and practical issues endeavouring to address the imbalance of women pilots in this occupation *Absent Aviators* consolidates a diverse range of issues from a number of authors from Australia Austria the United States Canada South Africa and the United Kingdom Each of the chapters is research based and aims to present a broad picture of gender issues in aviation gendered workplaces and sociology underpinned by sound theoretical perspectives and methodologies One chapter additionally raises issues on the historical exclusion of race from an airline The book will prove to be a valuable contribution to the debates on women in masculine oriented occupations and a practical guide for the aviation industry to help overcome the looming shortfall of pilots It is also hoped it will directly encourage young women to identify and overcome the barriers to becoming a civilian or military pilot

We Who Proudly Served Peter Francis Kenny, 2015-05-27 Although Australia is only a young country in comparison to other nations it can hold its head up high and proudly proclaim that it is one of the giants in this world of toil and trouble in which we live When the odds are stacked against Australians they don't turn and run instead they stand and fight and overcome the obstacles that face them The contents of this volume are a tribute to all the men and women of this proud and great country who have come from all walks of life to give of their time and unfortunately some have even given their lives to defend this great land and keep it free There have been politicians doctors nurses police officers average everyday citizens musicians actors artists farmers graziers authors sportsmen and women journalists and a host of others who have taken up the cause for their country and the monarchy serving from the Crimean to the war in Vietnam and beyond Their heroic deeds and their many sacrifices have

ensured that today's generation can rest easier proud in the knowledge that these servicemen and women have paved the way for our freedom. Now they come together once again as one big family to shed an insight on their achievements so that you can fully understand and appreciate what they have and had experienced. I dedicate this work to the memory of all those who have made the supreme sacrifice in order that we may live in peace and prosperity and also to the families of those who did not return. The book is not a glorification of war but a glorification of the individual and his or her actions and deeds.

In Defence of Country Noah Riseman, 2016-01-19 Aboriginal and Torres Strait Islander people have been protecting country since time immemorial. One way they have continued these traditions in recent times is through service in the Australian military both overseas and within Australia. *In Defence of Country* presents a selection of life stories of Aboriginal and Torres Strait Islander ex-servicemen and women who served in the Australian Army, Navy and Air Force after World War Two. In their own words, participants discuss a range of issues including why they joined up, racial discrimination, the Stolen Generations, leadership, discipline, family, war and peace, education and skills development, community advocacy and their hopes for the future of Indigenous Australia. Individually and collectively, the life stories in this book highlight the many contributions that Aboriginal and Torres Strait Islander servicemen and women have made and continue to make in defence of country.

Pride in Defence Noah Riseman, Shirleene Robinson, 2020-11-03 Since the Second World War, the Australian military has undergone remarkable transformations in the way it has treated lesbian, gay, bisexual, transgender and intersex service members. It has shifted from persecuting, hunting and discharging LGBTI members to embracing them as valued members who enhance the Force's capabilities. LGBTI people have served in the Australian military since its very beginnings, yet Australian Defence Force histories have been very slow to recognise this. *Pride in Defence* confronts that silence. It charts the changing policies and practices of the ADF, illuminating the experiences of LGBTI members in what was often a hostile institution. Drawing on over 140 interviews and previously unexamined documents, *Pride in Defence* features accounts of secret romances, police surveillance and traumatic discharges. At its centre are the courageous LGBTI members who served their country in the face of systemic prejudice. In doing so, they showed the power of diversity and challenged the ADF to make it a far stronger institution.

Last Knight Robert Lowry, 2011-01-24 General Sir Phillip Bennett is a good example of what makes a great leader. With a good combination of innate personal qualities, education, broad experience and the hardening that comes with survival on the battlefield, he prospered. As a young officer, he survived the first and most perilous year of the Korean War, including the Battle of Kapyong.

The Once and Future Army Dayton McCarthy, 2003 This is the post-war history of the Citizen Military Forces (CMF), the predecessor to today's Army Reserve. Once numerically superior to the Australian Regular Army, it was the predominant component of the Army until the changing nature of warfare favored the use of professional regular soldiers. This book illustrates its organization, role and social composition along with the rivalry with the Regular Army.

Sir James Whiteside McCay Christopher Wray, 2002 A biography of Lieutenant General Sir James

Whiteside McCay a lawyer politician and General in the First AIF In the course of a successful political career he had been a member of Australia s first federal parliament and while Minister for Defence he had introduced far ranging reforms of the Australian Army s command structure Ted Serong Anne E. Blair,2002 Ted Serong was one of the most original and influential of the Australian Army s planners in the post war period He re established the jungle training centre at Canungra in the 1950s and developed the Australian Army doctrine of counter insurgency warfare Yet the extent of his achievements is little known in the country of his birth This major new biography by Anne Blair explores the fascinating career of the Australian Army s most mysterious commander **On Shaggy Ridge** Phillip Bradley,2004 This study details the dramatic but little known story of the 1943 44 Ramu Valley campaign in New Guinea that culminated in the battle for Shaggy Ridge Drawing on the vivid recollections of over 140 veterans and the author s own journeys in the region the book brings to life Japan s dogged defense of this razorback ridge and how they resisted the Autralians for over four months
