Spanish Warships in the Age of Sail, 1700-1860 Rif Winfield, John Tredrea, Enrique García-Torralba Pérez, Manuel Blasco Felip, 2023-05-30 A beautiful work certain to become the standard work in English on the Spanish sailing navy Seaways Ships in Scale This book is the latest contribution to a unique series in a common format documenting in great detail the warships of the major naval powers during the age of sail To date four volumes have covered the British Navy two have been devoted to the French Navy and one each to the Dutch and Russian Navies This volume on the Spanish Navy for much of its history the third largest in the world fills the final gap in the ranks of the major maritime powers This book is the first comprehensive listing of these ships in English and covers the development of all the naval vessels owned or deployed by Spain during the period of the Bourbon monarchy from 1700 to 1860 including the period of French control during the Napoleonic Wars but it also sets the scene for that period by summarizing the origins of Spanish naval development under the preceding Habsburg regime As with previous volumes in the series the main chapters list all the naval vessels from 1700 onwards including those 16th century ships which survived into the new regime in 1700 by type with the first chapters listing the ships of the line nav os in Spanish terminology and frigates in descending order of firepower and subsequent chapters covering minor and ancillary vessels Where available a brief service history of each individual ship is given Its publication is of the utmost importance to every naval historian and general reader interested in the navies of the sailing era Dreaming in French Alice Kaplan, 2022-12-22 Alice Kaplan s triple portrait of three iconic mid century American women dazzles beyond our evergreen fascination with their wildly disparate lives Patricia Hampl New York Times Notable author A year in Paris since World War II countless American students have been lured by that vision and been transformed by their sojourn in the City of Light Dreaming in French tells three stories of that experience and how it changed the lives of three extraordinary American women All three women would go on to become icons key figures in American cultural intellectual and political life but when they embarked for France they were young little known uncertain about their future and drawn to the culture sophistication and drama that only Paris could offer Yet their backgrounds and their dreams couldn t have been more different Jacqueline Bouvier was a twenty year old debutante a Catholic girl from a wealthy East Coast family Susan Sontag was twenty four a precocious Jewish intellectual from a North Hollywood family of modest means and Paris was a refuge from motherhood a failing marriage and graduate work in philosophy at Oxford Angela Davis a French major at Brandeis from a prominent African American family in Birmingham Alabama found herself the only black student in her year abroad program in a summer when all the news from Birmingham was of unprecedented racial violence Kaplan takes readers into the lives hopes and ambitions of these young women tracing their paths to Paris and tracking the discoveries intellectual adventures friendships and loves that they found there experiences that would continue to influence them for the rest of their lives An elegant and entertaining work Minneapolis Star Tribune House Documents, Otherwise Publ. as Executive
