Solution Focus, radical simplicity, diverts your attention away from the often frustrating search for the causes of problems and directs it to solutions away from your weaknesses to your strengths away from what is going wrong to what is going right in your life. Though it may not be a fix all, it will certainly give you a viable alternative to outdated problem solving strategies and teaches how to put solution focused knowledge into everyday practical use. If you want to learn a new way of assisting yourself or others to deal more creatively and effectively with problems, then you are encouraged to explore Solution Focus, simple principles and tools for positive change.
