

A man with dark hair and a mustache, wearing a dark shirt, is shown from the chest up. He has a stern, shouting expression on his face. His right hand is raised, with his index and middle fingers extended in a 'V' shape, a common gesture for 'sit down'. The background is slightly out of focus, showing vertical lines that could be window blinds or a door frame. The text 'SIT DOWN!' is overlaid at the bottom in a large, bold, white font with a black outline.

Sit Down Godim Angry:

DEAF WISH Geoff Cook,2019-09-13 Believe me there is nothing bold or courageous in taking the decision to sacrifice everyone and everything you have lived and worked for since you were a young man in exchange for the uncertainty of a new life thousands of miles away with a woman you have convinced yourself you love but in truth you really hardly know Don t kid yourself All it takes is a heady mix of bravado false conviction cowardice and a total lack of conscience I should know I did it Sixteen years have passed and an opportunity comes out of the blue to make amends to rekindle the bonds of family I once too easily discarded Or so I hoped But I was na ve I thought that words could heal They can t All they achieved was to distort the pain of rejection that feeds the prospect of revenge Nor could I foresee the treacherous path that lay ahead as I stumbled into the bitter secrets of all our pasts But I do now The deaf may not hear the swish of the assailant s blade but they still feel the pain of the cut My name It s Gilbert Hart but call me Gil Some people know me as Hartless **Help God, I Am Angry** Cheryl Travis,2020-02-23 Anger is one of our basic human emotions Satan often uses this emotion to destroy relationships and bind both emotional and spiritual growth In this book we will talk about anger how the enemy uses it to debilitate and how to control it This book is second in a series of short pocket books that are designed to assist and support your journey to fulfill God s design and purpose for your life My prayer is after reading this book you will be able to unveil negative behaviors that are rooted in anger and realize the powerful truth that you are more than a conqueror Meditation for Angry People Pearl Howie,2015-06-09 Anger is like fire Sometimes it can be useful sometimes it can be destructive sometimes it can feel that we just can t get a spark started although we feel like we re sitting on a powder keg We re all human and we all have anger whether others see us as angry and bitter or smiling and carefree This book is written to help you understand your own anger whether it stems from fear sadness resentment control self blame or holding on to old pain It s written to help those who feel burdened with anger that they just can t express those who feel the pain of almost overwhelming anger or those who find it difficult to get through the day without one really good tantrum To me you are a hero You have learned to take something negative in your life and make it a positive a gift to others It doesn t get any better than that Susan Jeffers Ph D author of *Feel the Fear and Do It Anyway* and *Embracing Uncertainty* *Dealing With Anger From A Natural And Spiritual Perspective* Stephen L. Bowen,2013-06-26 Who s in the driver s seat If you are allowing anger to be behind the wheel you are headed for a crash Every experienced driver and passenger of a vehicle knows that the person driving has full control of the vehicle If you are a reckless driver the probability of an accident is great If you are perfectly poised agile and alert while driving not only will your probability of maintaining control be better but also you will be in a better position to avoid the dangers of nearby reckless drivers Anger the reckless driver Anger can be as dangerous as a reckless driver behind the wheel if you allow it to control you Just like bad driving can lead to awful tragedies that might harm the driver the passenger or an innocent bystander uncontrolled anger can lead to a major collision in your life as well as in others Being in

full control helps you to be alert to your own combustible emotions as well as those of others In doing so we avoid crashes clashes and serious collisions brought on by anger Anger the passenger That is why anger should never be in the driver s seat It should only be a passenger A passenger is driven to a certain destination and then dropped off by the driver who is in full control of the vehicle Even when anger is necessary it should ride only as a passenger going to an appropriate destination and then let out Always put yourself in the driver s seat with full control while being poised and sober Carry anger only for a limited amount of time Then let it go This book will give you insight and a unique strategy of recognizing legitimate illegitimate and optional anger as well as understanding their emotion s vulnerabilities so that you can remain in the driver s seat with full control

Is God Angry? Tony Cross,2021-04-27 My memory of the church in my childhood years was a dichotomy of some of the most loving people I have ever known as well as the angriest people also It made me wander usually out into the woods where I skipped Wednesday night services I would slip in the back just before the closing prayer had ended in time to close one eye I could tell the angry ones always knew I was missing by their scowled look Is God angry The New Testament says God is love and God so loved the world that He gave His Only begotten son The Bible also has many Old Testament scriptures that say The Lord met him Moses and sought to put him to death and Let me alone that My anger may burn against them and that I may destroy them Here s a good one Thus saith the Lord the God of Israel Every man of you put his sword upon his thigh and go back and forth from gate to gate in the camp and kill every man his brother his friend his neighbor his dog oops sorry the last one was added However there are scriptures that God had instructed the Israelites to wipe out the entire city every man woman child including the livestock Then there s the favorite The Lord struck all the firstborn in the land of Egypt How can a God of love be this harsh And why Even seemingly to the point of punishing the innocent future children before they are born I will not leave the guilty unpunished visiting the iniquity of the fathers on the children even unto the third and fourth generations Is there a righteous anger Do we know what it looks like How can we trust this God as a father to love and protect us Why did God and Jesus use the analogy of a father in relation to Himself repeatedly throughout the Scripture Does our belief about the answers to these questions affect the way we live see ourselves and treat others even the ones we love the most Overcoming these questions and the deep seated anger left inside me from an absent father syndrome was the hardest and most painful quest of my entire life This book explores what seems like two different natures on the surface and attempts to provide some of the answers to the dilemma of the gentle loving nature of Jesus and God the Father of the Old Testament God is good all the time My soul is now at rest and the anger of my childhood is learning to find peace through the information provided here May it also bless you
