Violence in Russia Janet Elise Johnson, 2009-02-18 Just a few years ago most Russian citizens did not recognize the notion of domestic violence or acknowledge that such a problem existed Today after years of local and international pressure to combat violence against women things have changed dramatically Gender Violence in Russia examines why and how this shift occurred and why there has been no similar reform on other gender violence issues such as rape sexual assault or human trafficking Drawing on more than a decade of research Janet Elise Johnson analyzes media coverage and survey data to explain why some interventions succeed while others fail She describes the local global dynamics between a range of international actors from feminist activists to national governments and an equally diverse set of Russian organizations and institutions Handbook of Family Policies Across the Globe Mihaela Robila, 2013-06-19 Family policy holds a particular

status in the quest for a more equitable world as it intersects the rights of women children and workers But despite local and global efforts and initiatives the state of family policy in different areas of the world varies widely Through a cross section of countries on six continents Family Policies Across the Globe offers the current state of the laws concerning family life structure and services providing historical cultural and socioeconomic context Lucidly written chapters analyze key aspects of family definition marriage child well being work family balance and family assistance reviewing underlying social issues

and controversies as they exist in each country Details of challenges to implementation and methods of evaluating policy outcomes bring practical realities into sharp focus and each chapter concludes with recommendations for improvement at the research service and governmental levels The result is an important comparative look at how governments support families and how societies perceive themselves as they evolve Among the issues covered Sierra Leone toward sustainable family policies Russia folkways versus state ways Japan policy responses to a declining population Australia reform revolutions and lingering effects Canada a patchwork policy Colombia a focus on policies for vulnerable families Researchers professors and graduate students in the fields of social policy child and family studies psychology sociology and social work will find in *Family Policies Across the Globe* a reference that will grow in importance as world events continue to develop
