soldiers returning from overseas hungered to resume their love affair with baseball Spectators still identified with players whose salaries and off season employment as postmen plumbers farmers and insurance salesmen resembled their own It was a time when kids played baseball on sandlots and in pastures fans followed the game on the radio and tickets were affordable The outstanding play of Joe DiMaggio Stan Musial Ted Williams Bob Feller Don Newcombe Warren Spahn and many others dominated the field But perhaps no performance was more important than that of Jackie Robinson whose entrance into the game broke the color barrier won him the respect of millions of Americans and helped set the stage for the civil rights movement Baseball's Pivotal Era 1945-1951 also records the attempt to organize the Pittsburgh Pirates and the Mexican League's success in luring players south of the border that led to a series of lawsuits that almost undermined baseball's reserve clause and antitrust exemption The result was spring training pay uniform contracts minimum salary levels player representation and a pension plan the very issues that would divide players and owners almost fifty years later During these years the game was led by A B Happy Chandler a hand shaking speech making singing Kentucky politician Most owners thought he would be easily manipulated unlike baseball's first commissioner the autocratic Judge Kennesaw Mountain Landis Instead Chandler's style led one owner to complain that he was the player's commissioner the fan's commissioner the press and radio commissioner everybody's commissioner but the men who pay him

Da Life of Metaphors John J.,2018-06-15

The Life of Metaphors is based upon real life things we see every day This is a new style of reading material that no one has ever read before which will open your mind to metaphors as a new language In one of my chapters I talk about money and how it can be a force of evil For example some people say money isn't everything but people will do anything to get it I also talk about sports and how relevant they are to the players Some of my favorite sports players listed as Tom Brady Peyton Manning Floyd Mayweather Aaron Rodgers and many more show my love of sports Tom Brady's The Brady Bunch and Aaron Rodgers in Mr Rodgers Neighborhood are just examples of why I love watching sports especially those two teams It's so amazing that many TV shows have come and gone which is why I wrote chapter 3 as the old school TV show chapter You'll discover shows such as Gimme a Break Married with Children The Facts of Life Three's Company and many more In this book you will find real life stories of how and where I grew up and that's why I designed chapter 5 for your reading pleasures You also will find the roots of Milwaukee such as chapter 11 which tells about beers and breweries because we are the home of the Brewers If it's credit cards you like there is a story on the different types of credit cards except in a perfect world we all know there are rules and regulations before you swipe You can find this in chapter 8
