Pictures of Girlhood Sarah Hentges,2015-01-09 Although the coming of age story has been a popular film plot for decades producers have only recently realized the commercial potential of targeting films to adolescent girls Movies like Clueless Legally Blonde and Mean Girls have been successfully marketed to teenage girls as have several well known independent films Important as both cultural indicators and catalysts these films simultaneously demonstrate pop culture s influence on girls films and the ability of girls films to affect pop culture and perceptions of girlhood This critical survey of film and the modern girl concentrates largely on films of the last two decades addressing key
