Small Strong Congregations Creating Strengths And Health For Your Congregation:

Small, Strong Congregations Kennon L. Callahan, 2012-12-04 Create a small strong congregation that is dedicated to advancing God's mission The twenty first century is the century of small strong congregations More people will be drawn to small strong congregations than any other kind of congregation Yes there are mega congregations Their number is increasing greatly Nevertheless across the planet the vast majority of congregations will be small and strong and the vast majority of people will be in these congregations With uncommon wisdom Kennon L Callahan today's most noted church consultant moves ahead of conventional thinking and in *Small Strong Congregations* offers his unique vision of the church of the future This important book chronicles the emergence of a vast number of congregations that are questioning the bigger is better notion in church membership These congregations are deliberately small active and happy in their dedication to creating strong church communities that advance God's mission Step by step Kennon Callahan shows pastors and other church leaders how they can develop the values and specific qualities helpful to shape and strengthen their own small congregations Written to be a hands on guide *Small Strong Congregations* offers practical suggestions for creating mission and service compassion and shepherding community and belonging self reliance and self sufficiency worship and hope teams and leaders space and facilities and giving and generosity This wise resource is filled with illustrative examples that show clearly how myriad small churches have created solid vigorous congregations

Indispensable Guide for Smaller Churches David R. Ray, 2009-06-01 This book complements the author's earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030

Deliberate Simplicity Dave Browning, David Browning, 2009 Learn how a less is more approach to church can equip believers for eternal influence Church innovator Dave Browning unpacks the six elements of a new equation for church development These concepts minimality intentionality reality multity velocity and scalability provide a realistic plan for streamlining church while maximizing impact

Pastoring the Small Church Eric Moore, 2013-10-17 With humor and candor Eric Moore addresses common challenges that the pastor of the small church encounters on a daily basis As the pastor of a small church he shares stories from his own experience and provides biblical and common sense solutions to the issues that pastors face If you pastor a small church then you are a key part of God's program This book will encourage and remind you of the importance of your calling

Becoming Barnabas Paul Moots, 2004-10-30 Western culture has made a cult of success and the church has accepted the larger culture's definition focusing on success as growth in membership and budget rather growth in faithfulness as disciples of Jesus When we do not measure up we become discouraged disillusioned and perhaps even envious Moots details numerous examples to show how the ministry of encouragement offers a workable effective pattern for church leadership I am convinced he writes that

accepting Barnabas as my model has changed my ministry for the better and that Barnabas's example can benefit any pastor and congregation who take his lessons seriously. Barnabas and his ministry of encouragement offer us a focus for the vital, messy and exhilarating work required of us as faith communities.

The Forgotten Church Glenn Daman, 2018-05-01
 Winner of Christianity Today's Award of Merit for The Church Pastoral Leadership 2018. Whether it's because of the 2016 Presidential election or books like *Hillbilly Elegy*, Americans are beginning to understand the tremendous influence people in rural areas have in our nation. But rural America, not urban America, is also the new center of poverty. Thus the rural church stands at the crossroads of strength and struggle. It carries the gospel, the very hope and power needed. Yet its ministry efforts are hamstrung because urban and suburban churches often don't realize their need for rural churches and the rural church itself rarely understands its unique assets and values. *The Forgotten Church* addresses these problems and provides an overview of rural ministry, explores opportunities, recent trends, and provides showcases the remarkable benefits of suburban, urban and rural churches working together. This book is essential for any pastor, whether from the city or the sticks, because we are one body and we need each other.

The Search to Belong Joseph R. Myers, 2011-01-04. A practical guide for those struggling to build a community of believers in a culture that wants to experience belonging over believing. Who is my neighbor? Who belongs to me? To whom do I belong? These are timeless questions that guide the church to its fundamental calling. Today terms like neighbor, family and congregation are being redefined. People are searching to belong in new places and experiences. The church needs to adapt its interpretations, definitions and language to make sense in the changing culture. This book equips congregations and church leaders with tools to discern the key ingredients people look for in community. Understand the use of space as a key element for experiencing belonging and community. Develop the chemical compound that produces an environment for community to spontaneously emerge. Discover how language promotes specific spatial belonging and then use this knowledge to build an effective vocabulary for community development. Create an assessment tool for evaluating organizational and personal community health.

The Calling of a Part-Time Pastor Warren Seibert, 2016-07-27. FROM THE FORWARD: *The Calling of a Part-Time Pastor* is written for all leaders of small churches. This guidebook is a gateway into fully understanding the trials and joys of working together to lead your small church to fulfill your calling in Jesus Christ. The insights you will discover on these pages will help you make the best decisions as you seek to call a part-time pastor to your church. So valuable is the guidance you will receive in this book that I urge your leaders to read it before looking for a minister while the search is being conducted and once again when the task is complete. If you use this book as a guide, you will find help in making the future ministry of your church the very best it can be. This book is also for ministers considering a call to a small church. Here you will be reminded of what you already know: that your ministry matters and that small churches matter in the kingdom of God. This book will resonate with what is in your heart and mind about Jesus Christ. *The Calling of a Part-Time Pastor* will elevate you in your calling, reminding you that your service and your

church is holy and indispensable and will serve as a valuable guide to effective and faithful part time or bivocational ministry

Discovering the Other Cameron Harder, 2013-05-06 What is God's mission Simply put says theologian and field educator Cameron Harder God's mission is to form communities that reflect and embody the life of the Trinity Discovering the Other is an introduction to two tools that community builders have found helpful appreciative inquiry and asset mapping These tools help congregations see that all of life is saturated by the sacred and give them energy to begin living as if it were so Instead of asking What's wrong appreciative inquiry asks What's right Asset mapping asks What resources do you have personally that we could bring to our future together Out of these questions can arise a sense that every congregation is rich in history people and resources Ideas emerge as people inspired by the Spirit listen and talk to each other The leader's task is to facilitate coalesce and connect ideas to catalyze and stimulate the development of vision The creative connections lead to programs and projects that will enrich your congregation's mission But most importantly in the process they will engage you with others with their stories their hopes their gifts to build community This book looks for God not only through the lens of such tools but in the tools themselves It is an effort to understand how processes like appreciative inquiry and asset mapping reflect the character and community building style of the God whom Christians worship as Divine community

Hybrid Church Dave Browning, 2010-08-20 A hands on resource for both large and small churches It has been predicted that in the twenty first century extremely large churches would emerge in America that resemble neither an elephant nor a field of mice Which is better At one time the answer would have been either or Now it's both and We want both the intimacy of smallness and the impact of bigness we want a hybrid of the two Hybrid Church is a practical guide for clergy and leaders who want to have the best of both church worlds the intimacy of small house church groups and the impact of very large mega churches Offers a guide for churches who want to capitalize on their strengths to build intimacy with impact Written by the pastor of one of the fastest growing and most innovative churches in America with thousands of members organized in small house groups Outlines a vision for how the church of tomorrow could look like the early church Given that the trend is toward very large and very small with few churches in the middle this book will be a welcome resource for both large and small churches
