

Small talk is a social skill. It is used to make conversation with people you have just met or don't know well. A good way to make small talk is to ask questions.

Here are three reasons why:

1. People enjoy talking about themselves.
2. It's easier for you. You can listen more than talk.
3. You might learn something new or interesting.

| | |
|----------------------------------|---|
| What do people talk about? | Safe topics like the weather, current location, hometown, public transport, languages, hobbies and interests, sports, food and drink, the weekend, travel, music, films, local events, the news, etc. |
| Where do people make small talk? | Anywhere - in an office, a lift, at a bus stop, at an airport, in a cafe, at a party, before a meeting, etc. |
| Why do people make small talk? | To be friendly, fill time or get to know someone. |

Example small talk questions

Weather

- Isn't the weather nice today?
- It's a lovely day, isn't it?

Current location

- Have you been here before?
- What do you think of this place?

Write two small talk questions for each topic.

Useful question prompts: *Do you...? Are you...? Have you (ever)...? What's your...? What do you...? How often do you...? Where do/are you...?*
