Hebbard,Hebbard Filton Hebbard,2009-09 I strongly believe that neither stories nor verse should be written in any choice of words that are beyond the vocabulary of prospective readers It is irritating to read fiction with a dictionary by one s side nor should it be necessary The late Sir Winston Churchill a master of the English language won the hearts of his fellow country men and women during World War 2 because in his speeches he chose a language known to every level of education He did not want anybody to marvel at his vocabulary then wonder what it meant He wanted them all to understand his vocabulary and feel the depth of it in its simplicity and sincerity As a child I admired his ability to reach every English man woman or child who heard him speak So I rarely use words that are stumbling blocks to the pleasure of reading In this book I have tried to touch on the sentiments that could be in any of us Apart from the poetry there are three stories of varying lengths and they each take us into very different minds Filton Hebbard **Kat Greene Comes Clean** Melissa Roske,2017-08-22 Life is messy Kat Greene lives in New York City and attends fifth grade in the very progressive Village Humanity School At the moment she has three major problems dealing with her boy crazy best friend partnering with the overzealous Sam in the class production of Harriet the Spy and coping with her mother s preoccupation with cleanliness a symptom of her worsening obsessive compulsive disorder With nowhere to turn Kat reaches out to the free spirited psychologist Olympia at her new age private school in New York s Greenwich Village Olympia encourages Kat to be honest Eventually Kat realizes that sometimes asking for help is the best way to clean up life s messes **Linked** Claire Merchant,2025-05-19 Nina Allbright never expected her first day at South Iris High to pull her into the orbit of the Hamilton brothers Scott and Logan the school s golden boys Logan becomes her closest friend but as her feelings for him deepen and Scott s charm adds unexpected complications Nina must decide take a chance on love or risk losing everything Will she follow her heart or will fear keep her from the one person who truly sees her **Murder on a Horse Trail** Ralph Daugherty,2004-04-26 Ralph Daugherty is a computer programmer who was drawn to the Chandra Levy case based on coverage of the critical clues to her disappearance found on Chandra s computer He has posted over 7 000 comments as rd on Chandra boards on the Internet and has set up his own board
