## **Smashing The Piano:**

*Smashing the Piano* John Montague, 1999      The Piano on Film David Huckvale, 2022-03-02 Since the early days of silent film accompaniment the piano has played an integral part in the history of cinema Film's fascination with the piano both in soundtracks and onscreen as a status symbol and icon of popular romanticism offers a revealing opportunity to chart the changing perception of the instrument From Mozart to Elton John this book surveys the cultural history of the piano through the instrument's cinematic functions Composer biopics such as *A Song to Remember* romantic melodramas like the Liberace vehicle *Sincerely Yours* and horror films such as *The Hands of Orlac* along with animated cartoons featuring Bugs Bunny and Tom and Jerry demonstrate just how pervasive the cinematic image of the piano once was during a period when the piano itself began its noticeable decline in everyday life By examining these depictions of the piano onscreen readers will begin to understand not only the decline of the piano but also the decline of the idealistic culture to which it gave birth in the nineteenth century

**Ethno-Playography** Anne Hart, 2007-07-27 Here's how to write salable plays skits monologues or docu dramas from life experiences social issues or current events Write plays skits using the technique of ethno playography which incorporates traditions folklore and ethnography into dramatizing real events The sample play and monologues portray events as social issues One true life example for a skit is the scene in the sample play written from first person point of view about a 1964 five minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in motion The passenger stands between the cars next to his wife who says timorously Let her go dear after the wife notices the young protagonist wears a wedding ring The protagonist tells him she's pregnant returning from the john and needs to get back to her family Instead he squeezes her head in a vise like grip crushing her between his knee and the wall of the train He kicks at the base of her spine yelling stereotypical ethnic epithets while passengers ignore events After the sample play and three monologues for performance you will have learned how to write ethnographic dialogue and select appropriate scene settings Also included are e interviews with popular fiction writers

Freedom as Non-Constraint George W. Rainbolt, 2024-07-08 When is a person free to do something The focus of much of the recent work on this question has been the debate between those who defend freedom as non interference aka liberals and those who defend freedom as non domination aka republicans This book defends a new answer to this question freedom as non constraint According to freedom as non constraint both interference and domination cause unfreedom both human and natural constraints cause unfreedom and both controlled and uncontrolled interference cause unfreedom Compared to liberal and republican theories freedom as non constraint provides a better account of systemic and structural threats to freedom a better picture of how market forces and governments impact freedom and a better understanding of how the natural world constrains freedom Freedom as non constraint also provides a new account of the scalarity of freedom and points to the limits on our ability to measure freedom with precision

**In the Chair** John Brown, 2002 All of the poets interviewed in this collection are from Northern Ireland all

were born after 1920 and each has published at least one volume of poetry Arranged chronologically by each poet's date of birth this collection deals with an impressive body of work The poets include Seamus Heaney Paul Muldoon Michael Longley John Montague Derek Mahon Ciaran Carson as well as less known voices including Gerald Dawe Roy McFadden and Conor O Callaghan The interviews explore the poet's work and development the social historical context and the impact of assimilated influences If they explore a poetry often rooted in the North they also suggest the individuality and diversity of this poetry of work whose imaginative range is not circumscribed by either literal borders or critically convenient categories The other poets included are James Simmons Tom Paulin Frank Ormsby Medbh McGuckian Robert Greacen Cathal P Searcaigh Colette Bryce Moyra Donaldson Jean Bleakney Martin Mooney Padraic Fiacca and Cherry Smyth

*The Life of Lee* Lee Evans, 2011-09-29 Lee Evans is one of the best loved comedians in the country a Hollywood star able to sell out arenas in the blink of an eye But he was not always such a roaring success The Life of Lee is an utterly hilarious and very moving autobiography charting his ups and downs on the way to the top Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate and his unconventional school days when he was publicly derided as a failure by a sadistic teacher In this brilliantly entertaining and engaging tale he also guides us through a grim teenage period of numerous dead end jobs When he was cleaning toilets and plucking turkeys he could never have imagined that one day he would be playing to thousands of adoring fans at the O2 Arena The book also reveals how as a boy Lee got his first taste of showbiz living out of a suitcase and accompanying his entertainer father around the smoky rowdy unforgiving working men's club and theatre circuit Desperately struggling to be accepted this quiet young loner always saw himself as an outsider But he finally met the love of his life and accidentally discovered the one place where he felt at home the stage The Life of Lee is a story that is like its subject compelling touching charming and above all fantastically funny

*A Band with Built-In Hate* Peter Stanfield, 2022-08-22

Exploring the explosion of the Who onto the international music scene this heavily illustrated book looks at this furious band as an embodiment of pop art Ours is music with built in hatred said Pete Townshend A Band with Built In Hate pictures the Who from their inception as the Detours in the mid sixties to the late seventies post Quadrophenia It is a story of ambition and anger glamor and grime viewed through the prism of pop art and the radical leveling of high and low culture that it brought about a drama that was aggressively performed by the band Peter Stanfield lays down a path through the British pop revolution its attitude and style as it was uniquely embodied by the Who first under the mentorship of arch mod Peter Meaden as they learned their trade in the pubs and halls of suburban London and then with Kit Lambert and Chris Stamp two aspiring filmmakers at the very center of things in Soho Guided by contemporary commentators among them George Melly Lawrence Alloway and most conspicuously Nik Cohn Stanfield describes a band driven by belligerence and delves into what happened when Townshend Daltrey Moon and Entwistle moved from back room stages to international arenas from explosive 45s to expansive concept albums Above all he tells of how the Who confronted their lost youth as it was echoed in punk
