much of a challenge on such short notice With the power grid suddenly destroyed most modern electronics fried and cities quickly descending into utter turmoil they find the 500 mile journey to Joel s well stocked rural retreat a maze littered with opportunistic criminals and increasing hostility That isn t all It soon becomes evident the sun storm did more than plunge the western world into darkness and civil unrest It left something equally sinister behind Something that feeds the human compulsion for disunity to such extremes it makes the recent political divisiveness in America look like harmonic brotherhood by comparison With the effects worsening daily Joel learns the highway is but one treacherous adversary he must defeat Others can sprout where you least expect them

Holding Putter John C. H. Lefler,2018-10-23 Holding Putter is a thought provoking and sensitive glimpse into the lives of a minister his wife and their three sons whose humble lives are forever changed when their middle son Sammy begins having seizures at age four Together with the assistance of a throwaway doorstep chihuahua named Putter the family contends with the vagaries of life as frequent flourishes of hope and unexpected challenges present themselves The ongoing search for a cause and a cure for the boy s condition continually tests the family s faith and resolve Sammy s lifelong dream is to be normal and his search to be like other people leads him to the ultimate revelation that perhaps no one is normal Even with limited physical and intellectual capabilities Sammy finally discovers that perhaps only in the afterlife does God have a place prepared for believers where everyone including Putter is normal

The Bowhunter Norbert Negron,2023-11-14 When a man values his faith more than his own life he will fight for godly justice until his last breath Ray Rod knows what it takes to live in a harsh world Born into a generations old ranching bloodline with a lineage of staunch and uncompromising men and women survival is in Ray s blood Now an acclaimed host of a popular outdoor show and a prominent writer Ray is no stranger to criticism from those who disagree with conservatives traditions and is more than ready to defend himself and his core beliefs But when a gang of dangerous fugitives hiding in the mountains of Montana condemned three young girls and a boy to unequivocal abuse and death Ray must act and trust in his faith as he has no choice but to enforce justice to protect the innocent There is more than man s greed and lies at large as nature dangers a radical leftist and hired agents unleashed their power to silence for good the hunters and guns advocate The bowhunter will have to rely on his abilities to try to survive the many threats allowed to test his faith Two questions remain Will it be enough to save self and those entrusted to him Or is there a limit to how much evil and danger one man can overcome alone
