Sociology in Poland Marta Bucholc,2016-07-12 This ground breaking book provides a compelling account of the social sciences in post war Central and Eastern Europe The first English language monograph to analyse the history of sociology in Poland up to the present day it maps transformations in the discipline against political and social change Related in an accessible and engaging manner it offers a comprehensive examination of sociology as a part of Polish society and culture after 1945 It can also be used as an introduction to the subject and a guide to further reading Part of the influential Sociology Transformed series Sociology in Poland will interest social and political scientists historians and policymakers

Sociology in the Czech Republic Marek Skovajsa,Jan Balon,2017-08-10 This book offers the first comprehensive overview in English of the history of sociology in what is today the Czech Republic Divided into six chapters it traces the institutional development of the discipline from the late 19th century until the present with an emphasis on the periods most favorable for sociology s institutionalization the interwar years the 1960s and the post 1989 era The narrative places the institutions persons and ideas that have been central to the discipline into the broader social and political context Marek Skovajsa and

Jan Balon show that sociology in the Czech Republic has been wedded to the dominant political projects of each successive historical period nation and state building until after WWII the communist experiment in 1948 1989 liberal democratic reconstruction after 1989 and internationalization after 2000 This work will appeal to social scientists and to a general readership interested in Czech culture and society *Censorship in Czech and Hungarian Academic Publishing, 1969-89* Libora Oates-Indruchová, 2020-05-14 How did writers convey ideas under the politically repressive conditions of state socialism Did the perennial strategies to outwit the censors foster creativity or did unintentional self censorship lead to the detriment of thought Drawing on oral history and primary source material from the Editorial Board of the Czechoslovak Academy of Sciences and state science policy documents Libora Oates Indruchov explores to what extent scholarly publishing in state socialist Czechoslovakia and Hungary was affected by censorship and how writers responded to intellectual un freedom Divided into four main parts looking at the institutional context of censorship the full trajectory of a manuscript from idea to publication the author and their relationship to the text and language this book provides a fascinating insight into the ambivalent beneficial and detrimental effects of censorship on scholarly work from the Prague Spring of 1968 to the Velvet Revolution of 1989 *Censorship in Czech and Hungarian Academic Publishing 1969 89* also brings the historical censorship of state socialism into the present reflecting on the cultural significance of scholarly publishing in the light of current debates on the neoliberal academia and the future of the humanities **Sociology in Hungary** Victor Karády, Péter Tibor Nagy, 2019-07-29 This book is the first English language study of the social intellectual and institutional history of sociology and the social sciences in Hungary Starting with the emergence of the discipline in the early 20th century Karady and Nagy chart its development throughout various transformations of Hungarian society from the liberal Dual Monarchy through the respective Christian and Stalinist regimes and culminating in the modern scholarly field today Drawing on large scale prosopographical materials the authors use empirically based socio historical analysis to measure the impact of successive and radical regime changes on the country s intellectual life This will be an important and original point of reference for scholars and students of historical sociology and Eastern European intellectual history *Polish Sociological Review* , 2003 Totalitarian Experience and Knowledge Production Svetla Koleva, 2017-11-20 *Totalitarian Experience and Knowledge Production* examines in a comparative perspective sociology as practiced in six European Communist countries marked by various forms of totalitarianism in the period 1945 1989 In contrast to normative sociology s view that such coexistence is essentially impossible the author argues that sociology could function in these undemocratic societies insofar as sociologists succeeded in establishing relatively autonomous institutional and cognitive zones Based on the self reflection of scholars who had practiced their profession during that period the book reveals the tribulations of the scientific identity of sociology under the specific social political conditions of totalitarian societies It becomes evident that the basic principle that made sociological knowledge possible was freedom of thought in search for

scientific truth despite the truth imposed by political authority *Three Social Science Disciplines in Central and Eastern Europe* Max Kaase, Vera Sparschuh, Agnieszka Wenninger, 2002 The volume documents the development of economics political science and sociology in Central and Eastern Europe EU accession countries from 1989 to 2001 with a special emphasis on research Additionally the recent situation of anthropology demography and legal studies is reviewed though not in the same detail as the three disciplines mentioned first The book is dedicated to the enhancement of worldwide information and communication on Central and Eastern European social sciences the improvement of options for cooperation in comparative research involving CEE countries and the spread of information on and access to capable CEE social science research institutions A CD ROM enclosed in the handbook presents an overview on Central and Eastern European institutions in the respective countries relevant for economics political sciences and sociology about 700 institutions

Building Movement Bridges Silke Roth, 2003-06-30 Activists often participate in more than one social movement and organization Bridging organizations are formed by activists who feel that the movements in which they are participating do not adequately address the various issues they are involved in The author provides a case study of the Coalition of Labor Union Women CLUW an organization which was founded in 1974 Using the CLUW as a model the author demonstrates how one organization can address the needs of diverse social movements in this case the women s movement and the labor movement By tracing the formation and development of the CLUW the author illustrates and elaborates on her theories concerning social movements and bridging organizations She uses historical documents first hand accounts and a case study approach to analyze the interrelatedness of oppression opposition social change movement change and personal change associated with social movements and bridging organizations Detailing the obstacles the CLUW faces the author makes clear how important such organizations are as well as how difficult it can be to negotiate the collective identity of its members and reconcile the needs of various social groups represented therein *Slavic Review* ,2003 American quarterly of Soviet and East European studies varies *Forthcoming Books* Rose Arny, 2003-04 **American Book Publishing Record** ,2003
