Sociology and Religion Andrew M. Greeley,1995 *Fall from Grace* Andrew M. Greeley,1994-07 Another thriller from the New York Times bestselling author of *Wages of Sin* Kathleen Donahue has it all a handsome husband who is a senatorial hopeful three beautiful children and a promising career But her world comes crashing down with a phone call from her husband s lover [Religion in Europe at the End of the Second Millennium](#) Andrew M. Greeley, Most sociologists of religion describe a general decline in religious faith and practice in Europe over the last two centuries The secularizing forces of the Enlightenment science industrialization the influence of Freud and Marx and urbanization are all felt to have diminished the power of the churches and demystified the human condition In Andrew Greeley s view such overarching theories and frameworks do not begin to accommodate a wide variety of contrasting and contrary social phenomena *Religion at the End of the Second Millenium* engages the complexities of contemporary Europe to present a nuanced picture of religious faith rising declining or remaining stable While challenging the secularization model Greeley s approach is not polemical He examines belief in God and in life after death belief in superstition and magic convictions about the relations between church and state attitudes toward religion and science and the effect of religion on the everyday lives of people Drawing upon statistical and empirical data spanning twenty years Greeley shows that while religion has increased in some countries most notably the former communist countries and especially Russia in others it has declined Britain the Netherlands and France In some countries it is relatively unchanged primarily the traditional Catholic countries and in still others some of the social democratic countries it has both declined and increased In terms of individuals Greeley finds that religion becomes more important to people as they age He observes that surveys showing less religion among the young ignore the possibility that the age correlation is a life cycle matter and not a sign of social change Patently religion in Europe changed enormously between the end of the first millenium and the end of the second In Greeley s judgment the change has been an improvement not because superstition has been eliminated it has not but because freedom to exercise religious belief has replaced compulsion **The Friendship Game** Andrew M. Greeley,1970 *All about Women* Andrew M. Greeley,1990 The bestselling author of *Virgin* and *Martyr* Angel Fire and many more novels populates the stage in *All About Women* with women of al kinds the young and the aging the rich and the poor the beautiful and the not so beautiful National promotion to include a 24 city satellite tour scheduled to coincide with the hardcover release of *Faithful Attraction* [Religion As Poetry](#) Andrew M. Greeley,1995 While drawing upon Weber Durkheim Eliade and others Greeley offers a theory of religion genesis that deserves to take its place alongside the seminal works of the aforementioned giants An altogether remarkable volume Doug McAdam University of Arizona Father Greeley s study and the impressive data he has assembled may help us

understand and begin to solve some of humankind's most pressing problems Reverend Michael P Orsi Philadelphia Inquirer

Faithful Attraction Andrew M. Greeley, 1991-01-01 Based on surveys conducted by Psychology Today and the National Opinion Research Center this work challenges conventional wisdom that marriage is in trouble and reveals the key ingredients of marital happiness

Religion in Europe at the End of the Second Millennium Andrew M. Greeley, 2003 Most sociologists of religion describe a general decline in religious faith and practice in Europe over the last two centuries The destruction of the sacred canopy by religious pluralism and the secularizing forces of the Enlightenment science industrialization the influence of Freud and Marx and urbanization are all felt to have diminished the power of the churches and demystified the human condition In Andrew Greeley's view the use of such overarching theories and frameworks do not begin to cope with a wide variety of contrasting and contrary social phenomena In Religion at the End of the Second Millennium he engages the complexities of contemporary Europe to show a nuanced picture of religious faith rising declining or remaining stable in different countries under differing realities of social and political life
