

DELINQUENCY AND JUVENILE JUVENILE JUSTICE SYSTEM

Historical Background of JUVENILE DELINQUENCY AND JUVENILE JUSTICE SYSTEM

- **Code of Hammurabi** – the first comprehensive description of a system used by society to regulate behavior and at the same time punish those who disobeyed the rules. It is the origin of the legal principle of “**lex talionis**”, that is, **an eye for an eye**.
- **1641 Stubborn Child Law** – it was passed by the General Court of Massachusetts which stated that children who disobeyed their parents could be put to death.
- **Children Only law** – due to increasing demand on the state to take responsibility for improving the lives of children and eventually new regulations, such as, child labor laws were enacted.
- **1916 Keating-Owen Act** – passed by the United States Congress and become the first piece of child labor in America. After 2 years it was revised through the case of Hammer V. Dagenhart, it did lay the groundwork for the passage in 1938 of the **Fair Labor Standards Act**.
- **Child-saving Movement** – concerned citizens eventually formed a social activist group called **Child Savers**, who believed that: children were born good and became bad”.
- **Parens Patria** – during the heights of child savers this doctrine was created. It is the right and responsibility of the government to take care of minors and others who cannot legally take care of themselves.
- **1818** – a committee reports listed “**juvenile delinquency**” as a major cause of pauperism, the first public recognition of the term juvenile delinquency.
- **1899** – the Illinois legislature passed a law creating a juvenile court that became the cornerstone for juvenile justice throughout the United States. The vision of the child savers and the founders of the juvenile court was the rehabilitative ideal of reforming children instead of punishing them.
- **Medical Model** – established by the Illinois Court Act, viewing crimes as a disease that could be treated and cured by social intervention.

HOUSE OF CORRECTIONS FOR JUVENILE DELINQUENT

1. **Bridewells** – it was the first house of corrections in England. They confined both children and adults considered to be idle and disorderly.
2. **Hospice of San Michele (Saint Michael)** – this was established in 1704. **John Howard**, a former, brought to England from Rome a model of the first institution for treating juvenile offenders. He was often thought of as the **father of prison reform**.

media spotlight in terms of religiously motivated hate crime terrorism and child abuse this book provides an important platform for academic debate It examines these and other key issues including faith as a coping strategy religion as a motivating factor and the role of religion and morality in shaping criminal justice responses This collection clearly places religion faith at the heart of criminological enquiry and illustrates its relevance in addressing wider social issues and would be of benefit to students and academics researching or studying in these areas It will also be of interest to community and criminal justice practitioners and those with an interest in community engagement and multi faith work *The Politics of Redress* Willem De Haan,2023-03-08 First published in 1990 The Politics of Redress is a product of and commentary on significant developments in critical criminology It shifts the emphasis from the criminologist as a police agent to a fighter for social justice The author focuses on the role of punishment in society in general and in criminology in particular urging the reader to reimagine the concept of punishment especially penal punishment The arguments addressed in this book range from a comparative analysis of penal policies in various countries to philosophical debates about whether punishment is compatible with a just social order With the Black Lives Matter movement the topic of prison abolition has once again gripped society s conscience making this text a vital read for students of law criminology sociology philosophy and history

Imagining Criminology Frank P. Williams 3rd,2019-05-24 First published in 1999 This concludes work on a series Current Issues in Criminal Justice Criminology The book represents another milestone in a criminologist s journey to uncover some truths about the discipline and to reflectcritically on how that field has evolved This journey some of youmay remember began in The Sociology of Criminological Theory Paradigm or Fad and continued in The Demise of the CriminologicalImagination To date this latest work has already attracted considerabledebate and in the tradition of C Wright Mills engendered somewhatheated discussion about the philosophy of criminology and the logic ofits paradigms What is perhaps most exciting about this work is that it is critical in the true sense of critical a term that has been abused and overused *Sociological Aspects of Crime and Delinquency (Routledge Revivals)* Michael Phillipson,2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology Imagining Criminology Franklin P. Williams,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Social Network Analysis* Song Yang,Franziska B. Keller,Lu Zheng,2016-10-28 Social Network Analysis Methods and Examples by Song Yang Franziska B Keller and Lu Zheng prepares social science students to conduct their own social network analysis SNA by covering basic methodological tools along with illustrative examples from various fields This innovative book takes a conceptual rather than a mathematical

approach as it discusses the connection between what SNA methods have to offer and how those methods are used in research design data collection and analysis Four substantive applications chapters provide examples from politics work and organizations mental and physical health and crime and terrorism studies [Current Social Issues](#) Sison Q.
