SOCIOLOGY OF MENTAL DISORDER

12TH EDITION

ROUTLEDGE 

Sociology Of Mental Disorder

Jianjun Gao

Sociology Of Mental Disorder:

The Sociology of Mental Disorders William W. Eaton, 2001 This thoroughly revised edition of *The Sociology of Mental Disorders* presents a biosocial model for understanding mental disorders which integrates the sociological paradigm with current research in the epidemiology of mental disorders and on biological features of mental disorders It shows the many ways in which macrosocial factors such as stratification integration and culture and microsocial factors such as self concept formation socialization and imitation influence the distribution of mental disorders throughout the population in combination with psychological and biological factors The author adopts an epistemological point of view comparing and contrasting various frameworks for comprehending bizarre forms of deviance that are labeled as mental disorders including a definition of mental disorder that is purely sociological He introduces new data and frameworks concerning the process of social stratification and mental disorders the diffusion of somatoform disorders mental disorders in the modern world and the insane society Original data from classic research studies in the field are introduced and discussed to illustrate the application of sociological frameworks to the problem of bizarre deviance Carefully selected first person accounts of the experience of bizarre deviance add poignancy to the presentation along with examples of official diagnostic criteria

Sociology of Mental Disorder William C. Cockerham, 2016-10-04 The tenth edition of *Sociology of Mental Disorder* presents the major issues and research findings on the influence of race social class gender and age on the incidence and prevalence of mental disorder The text also examines the institutions that help those with mental disorders mental health law and public policy Many important updates are new to this edition More first person accounts of individuals who suffer from mental illness are included The new DSM 5 is now thoroughly covered along with the controversy surrounding it A new section on social class and its components Updated assessment of the relationship between mental health and gender A revised and in depth discussion of mental health and race New material on public policy mental disorder and the Affordable Health Care Act Updates of research and citations throughout

Handbook of the Sociology of Mental Health Carol S. Aneshensel, Jo C. Phelan, Alex Bierman, 2012-07-16 This second edition of the *Handbook of the Sociology of Mental Health* features theory driven reviews of recent research with a comprehensive approach to the investigation of the ways in which society shapes the mental health of its members and the lives of those who have been diagnosed as having a mental illness The award winning *Handbook* is distinctive in its focus on how the organization and functioning of society influences the occurrence of mental disorder and its consequences A core issue that runs throughout the text concerns the differential distribution of mental illness across various social strata defined by status characteristics such as gender race ethnicity socioeconomic status and age The contributions to this volume shed light on the social cultural and economic factors that explain why some social groups have an elevated risk of disorder They also address the social repercussions of mental disorder for individuals including stigmatization within the larger society and for their families and social networks The

second edition of this seminal volume includes substantial updates to previous chapters as well as seven new chapters on The Individual's Experience of Mental Illness The Medicalization of Mental Illness Age Aging and Mental Health Religion and Mental Health Neighborhoods and Mental Health Mental Health and the Law and Public Beliefs about Mental Illness

EBOOK: A Sociology of Mental Health and Illness Anne Rogers, David Pilgrim, 2014-05-16 How do we understand mental health problems in their social context A former BMA Medical Book of the Year award winner this book provides a sociological analysis of major areas of mental health and illness The book considers contemporary and historical aspects of sociology social psychiatry policy and therapeutic law to help students develop an in depth and critical approach to this complex subject New developments for the fifth edition include Brand new chapter on prisons criminal justice and mental health Expanded coverage of stigma class and social networks Updated material on the Mental Capacity Act Mental Health Act and the Deprivation of Liberty A classic in its field this well established textbook offers a rich and well crafted overview of mental health and illness unrivalled by competitors and is essential reading for students and professionals studying a range of medical sociology and health related courses It is also highly suitable for trainee mental health workers in the fields of social work nursing clinical psychology and psychiatry Rogers and Pilgrim go from strength to strength This fifth edition of their classic text is not only a sociology but also a psychology a philosophy a history and a polity It combines rigorous scholarship with radical argument to produce incisive perspectives on the major contemporary questions concerning mental health and illness The authors admirably balance judicious presentation of the range of available understandings with clear articulation of their own positions on key issues This book is essential reading for everyone involved in mental health work Christopher Dowrick Professor of Primary Medical Care University of Liverpool UK Pilgrim and Rogers have for the last twenty years given us the key text in the sociology of mental health and illness Each edition has captured the multi layered and ever changing landscape of theory and practice around psychiatry and mental health providing an essential tool for teachers and researchers and much loved by students for the dexterity in combining scope and accessibility This latest volume with its focus on community mental health user movements criminal justice and the need for inter agency working alongside the more classical sociological critiques around social theories and social inequalities demonstrates more than ever that sociological perspectives are crucial in the understanding and explanation of mental and emotional healthcare and practice hence its audience extends across the related disciplines to everyone who is involved in this highly controversial and socially relevant arena Gillian Bendelow School of Law Politics and Sociology University of Sussex UK From the classic bedrock studies to contemporary sociological perspectives on the current controversy over which scientific organizations will define diagnosis Rogers and Pilgrim provide a comprehensive readable and elegant overview of how social factors shape the onset and response to mental health and mental illness Their sociological vision embraces historical professional and socio cultural context and processes as they shape the lives of those in the community and those who provide care the

organizations mandated to deliver services and those that have ended up becoming unsuitable substitutes and the successful and unsuccessful efforts to improve the lives through science challenge and law Bernice Pescosolido Distinguished Professor of Sociology Indiana University USA Handbook of the Sociology of Mental Health Carol S. Aneshensel, Jo C. Phelan, 2006-11-22 Within American society mental disorder is commonly understood as an attribute of the individual This intuitive understanding reflects the experiential reality that it is individuals who are beset by feelings of fear and despair confused by intrusive or jumbled thoughts addicted to drugs and so forth In this regard everyday thinking is consistent with contemporary psychiatry which also individualizes pathology increasingly in biological terms The contributors to this handbook collectively articulate an alternative vision one in which the individual experience of psychopathology is inextricably embedded within its social context This theme the interface between society and the inward experience of its constituents is developed here in a more encompassing manner than has been previously undertaken Although this perspective may seem self evident especially in a handbook on the sociology of mental health the widespread adoption of a medical model of aberrant states especially by sociologists has we submit obscured the relevance of social organization and processes *The Sociology of Mental Illness* Bernard J. Gallagher, 1980 The Sociology of Mental Disorders Samuel Kirson Weinberg, 1967 **A Sociology of Mental Illness** Mark Tausig, Janet Michello, Sree Subedi, 1999 Summarizing mental health research conducted by sociologists over the last 30 years *A Sociology of Mental Illness* provides a consistent narrative that emphasizes how social statuses and social roles affect mental health The mental health treatment system and the public's reaction to mental illness are also comprehensively discussed Topics include social causes and consequences of mental illness social statuses such as gender socioeconomic status race ethnicity age and community deviant behavior and the challenges of community mental health For those in the fields of sociology psychology nursing and social workers The Sociology of Mental Health and Illness Allen Furr, 2022-06-16 *The Sociology of Mental Health and Illness* explains sociology's key contributions to our understanding of mental health and serves as a strong counterpoint to the medical approach to the subject Using both micro and macro level theories particularly social constructionism the text shows the subjective nature of mental illness and systems of diagnosis and treatment It also emphasizes how social conditions and relationships create life pathways toward mental health and psychological struggles and uses the concept of patient career to describe how individuals interact with mental health professionals In addition the text explores the connections between mental health and social problems such as terrorism substance abuse criminal violence suicide and domestic violence **A Sociology of Mental Health and Illness 6e** Anne Rogers, David Pilgrim, 2021-01-20 How do we understand mental health problems in their social context A former BMA Medical Book of the Year award winner this book provides a sociological analysis of major areas of mental health and illness The book considers contemporary and historical aspects of sociology social psychiatry policy and therapeutic law to help students develop an in depth and critical approach to this complex subject New

developments for the sixth edition include Brand new chapter on aging and older people Updated material on social class ethnicity user involvement young people and adolescence New coverage on prisons legalism and the rise of digital mental health management and delivery A classic in its field this well established textbook offers a rich contemporary and well crafted overview of mental health and illness unrivalled by competitors and is essential reading for students and professionals studying a range of medical sociology and health related courses It is also highly suitable for trainee mental health workers in the fields of social work nursing clinical psychology and psychiatry This classic text book has for many years provided the definitive sociological lens with which to understand the range of conceptual approaches to understanding mental illness in the historical journey from madness to emotional health and the complex interdisciplinary challenges of providing appropriate care or treatment to human distress and suffering This updated edition continues to provide illuminating insights and clarifications not only for students but for academic researchers and scholars at all levels Gillian Bendelow Professor in Sociology of Health and Medicine School of Applied Social Science University of Brighton A Sociology of Mental Health and Illness is a sociological classic for three decades now it has been essential reading for all sociologists and other social scientists wishing to learn more about mental ill health and society be they students or professional teachers and researchers It has also long been a beacon and will continue to guide mental health practitioners keen to better understand and engage with the social dimensions of their work A Sociology of Mental Health and Illness is an incomparable resource Professor Martyn Pickersgill University of Edinburgh UK The relationship between sociology and mental health has been well documented over the years Social factors such as poverty social stress socioeconomic disadvantages inequality social exclusion have been implicated for increased rates of mental health problems Unfortunately psychiatry has not engaged sufficiently with sociology A Sociology of Mental Health and Illness has covered this disparity The sixth edition is a most welcome addition updating social trends and new sociological material relevant to mental health more emphasis on service users participation and the emerged evidence base It is a classic that should be an essential reading for all mental health professionals Nick Bouras Emeritus Professor of Psychiatry King s College London Institute of Psychiatry Psychology and Neuroscience Anne Rogers is Professor of Medical Sociology Health Systems Implementation at the University of Southampton David Pilgrim is Visiting Professor of Clinical Psychology at the University of Southampton

Sociology of Mental Health Robert J. Johnson, R. Jay Turner, Bruce G. Link, 2014-08-25 This volume provides an overview of mental health research conducted by sociologists It discusses dominant themes such as stress the community and mental life family structure social relations and recovery The unique contribution of sociology to the study of mental health has a long history stretching from the very foundations of modern sociology Yet it was only twenty years ago that the Section on Sociology of Mental Health of the American Sociological Association was formed largely in response to a burgeoning rise in the sum and significance of research in the field Today the section is a large and vibrant one with its own journal Society and Mental

Health This book explores several of the themes that have occurred during that period providing both perspectives of the past and prospects for the future The volume is timely following closely the 20th anniversary of the section s formation Its coverage of key issues and its advancement of the scholarly debates on these issues will prove valuable to students and senior scholars alike Cultural Sociology of Mental Illness Andrew Scull,2013-12-20 Cultural Sociology of Mental Illness An A to Z Guide looks at recent reports that suggest an astonishing rise in mental illness and considers such questions as Are there truly more mentally ill people now or are there just more people being diagnosed and treated What are the roles of economics and the pharmacological industry in this controversy At the core of what is going on with mental illness in America and around the world the editors suggest is cultural sociology How differing cultures treat mental illness and in turn how mental health patients are affected by the culture In this illuminating multidisciplinary reference expert scholars explore the culture of mental illness from the non clinical perspectives of sociology history psychology epidemiology economics public health policy and finally the mental health patients themselves Key themes include Cultural Comparisons of Mental Health Disorders Cultural Sociology of Mental Illness Around the World Economics Epidemiology Mental Health Practitioners Non Drug Treatments Patient the Psychiatry and Psychology Psychiatry and Space Psychopharmacology Public Policy Social History and Sociology Key Features This two volume A Z work available in both print and electronic formats includes close to 400 articles by renowned experts in their respective fields An Introduction a thematic Reader s Guide a Glossary and a Resource Guide to Key Books Journals and Associations and their web sites enhance this invaluable reference A chronology places the cultural sociology of mental illness in historical context 150 photos bring concepts to life The range and scope of this Encyclopedia is vivid testimony to the intellectual vitality of the field and will make a useful contribution to the next generation of sociological research on the cultural sociology of mental illness The Sociology of Mental Illness Howard B. Kaplan,1972 This volume serves as an introduction to the sociology of mental illness through a consideration of the frame of reference concepts research methods and substantive findings which characterize much of the recent relevant literature The first part describes the sociological perspective and its relevance to the study of mental illness considers the range of definitions and variability in methods of identifying mental illness in empirical studies and presents some results of several community wide studies which illustrate the application of many of these concepts and methods Three sociological concepts are selected as being of particular value in the investigation of patterns of social behavior in general and of mental illness in particular culture status role and social relationship The next two parts are devoted to a consideration of the research literature in which mental illness apparently is a stimulus for or response to other patterns of social behavior One part focuses upon the influence of culture status role and social relationship upon the ways in which people respond to mental illness along any of a number of behavioral dimensions The other part directs attention to the influence of culture status role and social relationship upon the genesis and stabilization of mental illness Back cover The Sociology of Mental Illness

Oscar Grusky, Melvin Pollner, 1981 **A Sociology of Mental Health and Illness** Anne Rogers, David Pilgrim, 2010-07-01 A Sociology of Mental Health and Illness is an intellectual tour de force Rogers and Pilgrim cogently dismantle professional pretensions towards mastery of mental illness and in their place construct compelling arguments for the need to focus on the social economic and political determinants of mental well being Professor Chris Dowrick University of Liverpool UK How do we understand mental health problems and the concept of happiness in their social context How have sociologists theorized and researched mental health and illness A former BMA Medical Book of the Year award winner this book provides a sociological analysis of major areas of mental health and illness and helps students to develop a critical approach to the subject This new edition is fully updated taking into consideration changes in the areas of sociology social psychiatry and policy analysis and changes to policy and therapeutic law A new chapter entitled public mental health and the pursuit of happiness reflects the recent focus on the creation of mentally healthy societies A Sociology of Mental Health and Illness 4 e is a key teaching and learning resource for undergraduates and postgraduates studying a range of medical sociology and health related courses as well as trainee mental health workers in the fields of social work nursing clinical psychology and psychiatry **Mental Health, Social Mirror** William R. Avison, Jane D. McLeod, Bernice A. Pescosolido, 2007-08-19 In 2004 the discipline of sociology celebrated the 100th anniversary of the founding of the American Sociological Association In 2005 the Section on Medical Sociology celebrated 50 years since the formation of the Committee on Medical Sociology within the ASA And in 2003 the Section on the Sociology of Mental Health celebrated ten years since its founding within the American branch of the discipline This brief accounting marks the American based or national landmarks central to concerns about how social factors shape the mental health problems individuals face as well as the individual and system responses that follow This history also lays a trail of how the focus on mental health and illness has narrowed from a general concern of the discipline to a more intense substantively focused community of scholars targeting a common set of specific theoretical and empirical questions While mental health and illness figured prominently in the writings of classical sociologists contemporary sociologists often view research on mental health as peripheral to the real work of the discipline The sentiment real or perceived is that the sociology of mental health along with its sister medical sociology may be in danger of both losing its prominence in the discipline and losing its connection to the mainstream core of sociological knowledge Pescosolido Kronenfeld 1995 The Sociology and Anthropology of Mental Illness Edwin D. Driver, 1965 **The Sociology of Mental Disorder** Roger Bastide, 1972 **Explaining Mental Illness** Baptiste Brossard, Amy Chandler, 2022-06-24 How can sociology explain the emergence of mental disorders in societies or individuals This authoritative book makes a case for the renewal of the sociology of mental illness proposing a reorganisation of this field around four areas social stratification stress labelling and culture Drawing on case studies from a range of global contexts the book argues that current research focuses on identifying social factors leaving the question of causality to psychiatry while significant critical perspectives remain

untapped The result is an unprecedented resource that maps the current state of sociology of mental health providing an invigorating manifesto for its future *Rethinking the Sociology of Mental Health* Joan Busfield,2001-03-30 Rethinking the Sociology of Mental Health is a collection of original papers introducing new ways of thinking sociologically about the terrain of mental health There are more general papers about mental health and mental health policy and papers about specific types of mental illness and particular policy issues such as dangerousness

Sociology Of Mental Disorder Introduction

In today's digital age, the availability of Sociology Of Mental Disorder books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociology Of Mental Disorder books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociology Of Mental Disorder books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociology Of Mental Disorder versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociology Of Mental Disorder books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociology Of Mental Disorder books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociology Of Mental Disorder books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociology Of Mental Disorder books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociology Of Mental Disorder books and manuals for download and embark on your journey of knowledge?

FAQs About Sociology Of Mental Disorder Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
