Soft Pawn:

Soft Kristen Mae, 2019-05-10 She's ironed in every sense of the word from her slick golden hair to her white button down and prim A line skirt The woman across the restaurant counter has flint gray eyes chiseled planes for cheeks and dark hair cut like a boy's A key is tattooed on her forearm The energy between them is the same every time electric and undeniable Painful But there's nothing to be done about it A delicate gold cross hangs heavy around her neck an ever present reminder of her husband's edicts on what constitutes sin A reminder of her obligation to purity obedience and conformity A reminder that she must always follow the rules But today she will defy life's rules Today a gray eyed angel will unlock the door to all the things she hides from herself to a world she's always seen as inaccessible forbidden Today she will discover paradise

Soft Ferdinand Mount, 2025-09-11 An erudite immensely entertaining book Mount makes for a delightful guide Literary Review A sweeping tour of emotion and culture that spans centuries from renowned author and essayist Ferdinand Mount Whatever we think we feel you can be sure that the past has had a part to play in it In Soft Ferdinand Mount tells the millennium long history of emotion through vivid snapshots masterly storytelling and strange and wonderful historical anecdotes Revealing all the weird and wonderful ways people in the past expressed their grief and joy Mount explores the shifting importance societies have placed on empathy for the misfortunes of others Each seismic moment Mount argues from the French Revolution to Civil Rights has had a corresponding sentimental revolution that has fuelled great political turning points and come to define human civilization But during this long history powerful feelings have frequently come under attack No one wants to be accused of being sentimental its detractors call it soppy effeminate and populist the stuff of soap operas and pop songs The Reformation tried to stamp out excessive emotion the Victorians resolutely maintained their stiff upper lips and no one loathed sentimentality more than the modernists and yet today Mount argues it is not the stoics who are ruling the roost we are living in an age of emotion From the Occitan poets of the 12th century to Paul McCartney songs and modern debates around woke this is a witty insight into the story of emotions and the way they have swayed human history

Soft Matter Physics Mohamed Daoud, Claudine E. Williams, 2013-06-29 In a liquid crystal watch the molecules contained within a thin film of the screen are reorientated each second by extremely weak electrical signals Here is a fine example of soft matter molecular systems giving a strong response to a very weak command signal They can be found almost everywhere Soft magnetic materials used in transformers exhibit a strong magnetic moment under the action of a weak magnetic field Take a completely different domain gelatin formed from collagen fibres dissolved in hot water When we cool below 37 °C gelation occurs the chains joining up at various points to form a loose and highly deformable network This is a natural example of soft matter Going further rather than consider a whole network we could take a single chain of flexible polymer such as polyoxyethylene POE $\text{CH}_2\text{CH}_2\text{O}$ N_2N where $N \approx 10$ for example in water Such a chain is fragile and may break under flow Even though hydrodynamic forces are very weak on the molecular scale their cumulated effect may be

Soft Target Zuhair Kashmeri,Brian McAndrew,2005-09-06 A provocative look at one of Canada s biggest tragedies On March 16 2005 almost twenty years after one of the biggest mass murders in Canadian Aviation history the Air India Case concluded with a verdict that authors Zuhair Kashmeri and Brian McAndrew predicted sixteen years ago when Soft Target was first published not guilty In this second edition the two offer a detailed foreword that brings readers up to date with some startling new information surrounding the twin bombings on June 23 1985 in the air over the Atlantic and on the ground in Japan which left 331 people dead They offer key details from the trial of Ripudaman Singh Malik and Ajaib Singh Bagri that took place in a specially built Vancouver courtroom leads that were not followed up and more details of India s intelligence service s clandestine interference in Canada They explain how their own prediction that justice would not be found because of a botched investigation came true and that only a public inquiry will offer closure to the families of the victims

Understanding Soft Power in Africa Oluwaseun Tella,2025-10-21 Negative images of Africa which define the continent as being riven with poverty crime or war are increasingly being challenged Examples of soft power such as Nigeria s Nollywood athletic successes in Kenya Rwanda s commercial diplomacy and South Africa s liberal constitution are all reasserting African agency and shaping more positive understandings of the continent This book considers the role and impact of soft power in the African context and how it relates to the 21st century scramble for Africa Bringing together leading scholars in the field this book delves into various aspects of soft power in Africa shedding light on how the continent s attractiveness is shaped by soft power in the continent s biggest states the small states and also the regional organisations such as the African Union AU Economic Community of West African States ECOWAS Southern African

Development Community SADC and East African Community EAC The book then goes on to assess the ways in which great powers most notably China the United States the United Kingdom Brazil and France are themselves deploying soft power in Africa in order to vie for influence resources and strategic advantages Understanding Soft Power in Africa will be an important read for researchers in political science international relations African studies and cultural studies as well as for African policymakers

Soft Living Architecture Rachel Armstrong, 2018-09-06 Soft Living Architecture explores the invention of new architectures based on living processes It crafts a unique intersection between two fast developing disciplines biomimicry and biodesign in architecture and bioinformatics and natural computing in the natural sciences This is the first book to examine both the theory and methodology of architecture and design working directly with the natural world It explores a range of approaches from the use of life like systems in building design to the employment of actual growing and living cell and tissue cultures as architectural materials creating architecture that can change learn and grow with us The use of living architecture is cutting edge and speculative yet it is also inspiring a growing number of designers worldwide to adopt alternative perspectives on sustainability and environmental design The book examines the ethical and theoretical issues arising alongside case studies of experimental practice to explore what we mean by natural in the Anthropocene and raise deep questions about the nature of design and the design of nature This provocative and at times controversial book shows why it will become ever more necessary to embrace living processes in architecture if we are to thrive in a sustainable future

Soft Target Mia Kay, 2015-11-16 Wounded FBI agent Gray Harper will honor his dead partner by returning to work as soon as the Bureau shrink clears him for duty In the meantime a long vacation in his best friend s hometown sounds like the perfect distraction But Nate Mathis has another plan His twin sister Maggie has a stalker and Gray s the only one Nate trusts to catch the bastard Admitting she s scared would bring the cavalry and Maggie Mathis has always taken care of herself She certainly doesn t need a bodyguard As far as she knows Gray s in town to work as the Mathis family s new business manager That she s always found her brother s friend handsome is something she ll keep to

herself Gray's real job would be a lot easier if he didn't have to keep his intentions from Maggie. It would also be easier if he didn't want to sleep with her. He certainly shouldn't have kissed her good night. There never should have been a second date. All too soon the line between responsibility and pleasure blurs. Gray hates to think of Maggie in danger. He hates that he thinks about Maggie too much and of the day he won't be there to protect her. Secrets aren't easy to keep from those you love but Gray needs to guard several with his life before he risks losing Maggie forever. Soft Apocalypse Will

McIntosh, 2011-04-01 What happens when resources become scarce and society starts to crumble? As the competition for resources pulls America's previously stable society apart, the New Normal is a Soft Apocalypse. This is how our world ends with a whimper instead of a bang. It's so hard to believe. Colin said as we crossed the steaming empty parking lot toward the bowling alley. What? That we're poor? That we're homeless? I know. I mean we have college degrees, he said. I know. I said. There was an ancient miniature golf course choked in weeds alongside the bowling alley. The astroturf had completely rotted away in places. The windmill had one spoke. We looked it over for a minute, both of us, had once been avid mini golfers, then continued toward the door. By the way, I added. We're not homeless; we're nomads. Keep your labels straight. New social structures and tribal connections spring up across America as the previous social structures begin to dissolve. Soft Apocalypse follows the journey across the South East of a tribe of formerly middle-class Americans as they struggle to find a place for themselves and their children in a new dangerous world that still carries the ghostly echoes of their previous lives.

Soft as Bones Chyana Marie Sage, 2025-05-27 INSTANT NATIONAL BESTSELLER A poetic memoir as intricately woven as a dreamcatcher about overcoming the pain of generational trauma with the power of traditional healing. In candid, incisive and delicate prose, Chyana Marie Sage shares the pain of growing up with her father, a crack dealer who went to prison for molesting her older sister. In revisiting her family's history, Chyana examines the legacy of generational abuse which began with her father's father, who was forcibly removed from his family by the residential schools and Sixties Scoop programs. Yet hers is also a story of hope as it was the traditions of her people that saved her life, healing one small piece in the mosaic that makes up the dark past of colonialism shared by Indigenous people throughout Turtle Island. **Soft Robots** Scott

Nicholson, 2018-08-16 One of the most thrilling writers working today. Miss him at your peril. Blake Crouch. The Wayward Pines Trilogy. **SOFT ROBOTS** MIM X 1 After bloody civil unrest, environmental disaster and the Third World War, benevolent corporations have replaced governments and delivered peace, prosperity and equality to a grateful human race. Max Carmichael is an agent in the Cryptics Bureau whose duty is to protect the corporations that govern the world. But when he's given a secret mission to find a mysterious woman linked to acts of sabotage, he discovers she was part of a MIM X experiment that links human brains to artificial intelligence. Evan Lord, the enigmatic and powerful CEO of the MIM X corporation, wants to shape society into a harmonious blend of humans and robots using neural implants. Carmichael soon realizes his involvement is no accident and he's forced to choose between duty and humanity as rogue outliers plot to take

down MIM X And the woman he is ordered to destroy causes him to question not only his own existence but that of the entire global society as well Look for the next book in the series DARK MACHINES Scott Nicholson is the author of more than 30 thrillers including the AFTER and NEXT post apocalyptic series The Harvest and The Red Church He lives in the Blue Ridge Mountains of North Carolina His website is AuthorScottNicholson.com Always surprises and always entertains Jonathan Maberry Nobody thrills like Nicholson does Nobody J A Konrath keywords A I artificial intelligence robots science fiction technothriller military sci fi action adventure futuristic thriller cyborgs **Soft Focus** Jayne Ann Krentz,2000-10-01 With her hallmark blend of sparkling style and wit intricate suspense and steamy passion Jayne Ann Krentz is truly one of a kind One of today's premier storytellers she has more than twenty three million copies of her novels in print Now the phenomenal New York Times bestselling author spins her latest scintillating tale a story of two people bound together by that most binding of ties a business contract Elizabeth Cabot is all business She knows how to maximize her investments and cut her losses in both her career and her personal life So when she discovers that Jack Fairfax has deceived her she's determined to end their relationship Putting a stop to their budding romance is easy But breaking up their business deal will be more difficult Despite all her efforts she has no luck disentangling herself from Jack's client company Excalibur But the situation becomes even more strained when a new obstacle emerges a lethal act of sabotage that could put both of them out of business for good Elizabeth is no fool If she can help Jack save Excalibur she'll recoup her substantial investment plus millions in profit Putting her emotions aside she insists on helping him search for the scientist who's disappeared with a valuable new crystal that could revolutionize the high tech industry She'll go in solve the problem and get out The trail leads Elizabeth and Jack to a fringe film festival but their goal is as elusive as the shadowy black and white images from classic noir films Life starts to imitate art and double dealing seems to be the name of the game For these business adversaries turned reluctant partners keeping an eye on each other and the lid on a sizzling attraction seems the only insurance against further treachery But with millions at stake trust can turn to betrayal in the blink of an eye **Hard Cop, Soft Cop** Roger Hopkins Burke,2013-01-11 This is a book about policing styles in the broadest sense looking at zero tolerance policing at one extreme and softer approaches to policing at the other It is particularly concerned to explore the dilemmas and moral ambiguities inherent in the tensions between different policing approaches Rather than seeking to juxtapose hard and soft policing styles the guiding thread of the book is the notion that policing is both pervasive and insidious Different policing styles whether conducted by the public police service private security or social work agencies are all part of a multi agency corporate crime control industry which provides the essential context for an understanding of these different approaches
