BAG Benjamin Looker, 2004 From 1968 to 1972 St Louis was home to the Black Artists Group BAG a seminal arts

collective that nurtured African American experimentalists involved with theater visual arts dance poetry and jazz Inspired by the reinvigorated black cultural nationalism of the 1960s artistic collectives had sprung up around the country in a diffuse outgrowth known as the Black Arts Movement These impulses resonated with BAG s founders who sought to raise black consciousness and explore the far reaches of interdisciplinary performance all while struggling to carve out a place within the context of St Louis history and culture A generation of innovative artists Julius Hemphill Oliver Lake and Emilio Cruz to name but a few created a moment of intense and vibrant cultural life in an abandoned industrial building on Washington Avenue surrounded by the evisceration that typified that decade s urban crisis The 1960s upsurge in political art blurred the lines between political involvement and artistic production and debates over civil rights black nationalism and the role of the arts in political and cultural struggles all found form in BAG This book narrates the group s development against the backdrop of St Louis spaces and institutions examines the work of its major artists and follows its musicians to Paris and on to New York where they played a dominant role in Lower Manhattan s 1970s loft jazz scene By fusing social concern and artistic innovation the group significantly reshaped the St Louis and by extension the American arts landscape

Style Eruptions Henrik Vejlggaard,2012-10-02 The full story of how changes in style and taste take place Why do millions of people end up wearing the same style of clothing Or have the same style in electronics cars and furniture It s because of trends the powerful process of change that takes place in the same way again and again across the globe Drawing on his own and other sociologists groundbreaking research trend sociologist Henrik Vejlggaard unearths what happens when a new style emerge and go mainstream and examines the influential individuals who make trends happen He documents that 6 very different groups of individuals play a huge role in the trend process Style Eruptions is a follow up to Anatomy of a Trend his

first book on the trend process which presented trends from a business perspective With *Style Eruptions* he completes the story of one of the most puzzling mysteries of modern culture how do changes in style and taste come about *Kingdom Business Leadership - Training Manual for Emerging Business Leaders* George Meyers,2011-07-25 As technological advancements accelerate change global organizations must re invent themselves periodically or they will become irrelevant It is not only the change itself that is impacting so much but more the rate of speed that change is occurring To adopt new structures adapt to changing situations and implement new systems requires innovative flexible visionary leaders This is a learner focused manual for training Emerging Business Leaders It is not meant to be a scholarly dissertation but a how and what to do manual or handbook The manual is designed to empower a new kind of business leader one that may have 7 10 careers during a fast paced lifetime Even though technology has a profound influence on business formation and operations there are eternal principles that ultimately overshadow all else These principles are time tested and proven over centuries of industry and governing Leading wisely is still a mandate to be embraced by CEOs and organizational leaders today

Naked City Sharon Zukin,2009-12-18 Sharon Zukin argues that the rapid and pervasive demand for authenticity and the consequent escalating real estate prices has helped drive out the very people who first lent a neighborhood its authentic aura immigrants the working class and artists Zukin traces this economic and social evolution in six archetypal New York areas Williamsburg Harlem the East Village Union Square Red Hook and the city s community gardens and shows that for followers of Jane Jacobs this transformation is a perversion of what was supposed to happen Space Odyssey Serge Brunier,2002-05-27 Highly illustrated account of the greatest moments of space exploration *New York's New Edge* David Halle,Elisabeth Tiso,2014-12-09 The story of New York s west side no longer stars the Sharks and the Jets Instead it s a story of urban transformation cultural shifts and an expanding contemporary art scene The Chelsea Gallery District has become New York s most dominant neighborhood for contemporary art and the streets of the west side are filled with gallery owners art collectors and tourists Developments like the High Line historical preservation projects like the Gansevoort Market the Chelsea galleries and plans for megaprojects like the Hudson Yards Development have redefined what is now being called the Far West Side of Manhattan David Halle and Elisabeth Tiso offer a deep analysis of the transforming district in New York s New Edge and the result is a new understanding of how we perceive and interpret culture and the city in New York s gallery district From individual interviews with gallery owners to the behind the scenes politics of preservation initiatives and megaprojects the book provides an in depth account of the developments obstacles successes and failures of the area and the factors that have contributed to them **Crazy Quilts** Cindy Brick,2011-03-15 Here s your chance to get up close and personal with an amazing collections of crazies Quilter s Newsletter Magazine Made from the finest silks satins and velvets and stitched together with elaborate embroidery the crazy quilt is a testament to quilters rich imagination and artistry This beautiful book traces the bewitching history of Crazies from their earliest origins to the present day Distinguished quilting
