## **Soldier And Statesman General George C Marshall:**

*George C. Marshall: Soldier-Statesman of the American Century* Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation's status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939 1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C Pogue official biographer of Marshall former director of the George C Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of *Eisenhower at War 1943 1945* A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J Hogan Ohio State University In a skillful work of compression and synthesis Mark A Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall's career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H W Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall's intellectual growth as he came to understand international politics and the limits of power Daniel R Beaver *The Historian* A richly researched and balanced assessment Stoler's insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F Machado *The Journal of Military History* An excellent book There have been short one volume biographies of Marshall before but this is the best of the lot Among the strengths of Stoler's treatment are his careful exposition of the factors in Marshall's youth crucial to the formation of his character the importance of his various experiences with the National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr *The Journal of American History* Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard *Naval War College Review* The book breaks through the general's deliberately cultivated

stoic persona and demonstrates the humanity that made him so admired in public and private Stoler's work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie *The Oral History Review* This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue's biography Gaddis Smith *Foreign Affairs* *General of the Army* Ed Cray, 2000 A captivating and fanatically thorough reevaluation of Marshall's life and times **George C. Marshall: Statesman, 1945-1959** Forrest C. Pogue, 2020-06-18 Army chief of staff from 1939 to 1945 Marshall directed the organization and training of US land and air forces during World War II The fourth and final volume of Pogue's biography deals with Marshall's other dimension as statesman humanitarian and peacemaker during his tenure as Secretary of State head of the American Red Cross and Secretary of Defense during the middle period of the Korean War This remarkable later career included Marshall's struggle to bring peace to China in the postwar years his initiation and implementation of the European Recovery Program the Marshall Plan his role in the establishment of NATO and the State of Israel his reaction to assaults by the radical right led by Sen Joseph McCarthy and his working relationship as defense secretary with Secretary of State Dean Acheson probably the most successful collaboration in the history of the two departments Pogue former director of the Marshall Library thus rounds off his monumental study of one of the great leaders of the 20th century Publishers Weekly In a supremely apt way George C Marshall *Statesman 1945 1959* possesses the same characteristics as its subject it is thoughtful mature balanced and full of humanity and intelligence It is also a very large and detailed work it is not only important for its author's emphatic and fully rounded portrayal of a Great Man It is also vital for the reminder it provides of the qualities of statesmanship and character that Western leaders ought to be emulating today Paul Kennedy *The New York Times* Forrest Pogue has written a grand book about a grand person the concluding volume in an authorized four part biography that will likely be the definitive study of Marshall This is history at its very best Guy Halverson *Christian Science Monitor* In this fourth and final volume of his definitive biography of Marshall Forrest Pogue has indeed performed a valuable service in faithfully portraying the outsized talent and dedication of one old soldier who never faded away Theodore C Sorensen *Washington Post* Throughout his life Marshall counted his country's interests higher than his own placed his duties before his desires and his honor before all else Duty honor country a triad more often patronized than esteemed in our Aquarian age Nonetheless reading Pogue's biography provides a suitable reminder that it was just those values that formed the life of perhaps the greatest American our nation has produced in this century Larry Collins *Los Angeles Times* Under Pogue's clear lens Marshall comes across as a man who gave unselfishly of himself for over 50 years of government service a fitting conclusion to this definitive biography Kirkus Reviews Pogue's account of the China mission is fascinating This fine work is exhaustively researched and written with care and balance The author has conducted extensive interviews with the men and women who knew and worked with

Marshall Edward Hawley Chicago Tribune This book is great biography Infantry Journal Relying upon interviews with Marshall and his contemporaries as well as more than thirty years of research in the Marshall papers government documents memoirs biographies and monographs Pogue has now completed a truly great biography fully worthy of its extraordinary subject that reveals and explains his character as well as the numerous issues with which he was associated life All four of Pogue s volumes stand as a model in the field of biography and a fitting tribute to the author as well as the subject Mark A Stoler The Historian With this volume Forrest Pogue cements his place alongside such giant biographers as Douglas Southall Freeman and Carl Sandburg throughout this volume Pogue elegantly portrays Marshall the soldier Marshall the statesman and Marshall the man Albert M Bottoms Naval War College Review Pogue rightly stresses Marshall s importance in the transition from the Pax Britannica to the Pax Americana Callum A MacDonald Reviews in American History This is political biography at its best Pogue has mined the Marshall Papers and various government archives and private manuscript collections and he has mastered the vast secondary literature of the postwar period A pioneer in the field of oral history he fills in crucial details and adds telling anecdotes from hours of interviews with Marshall and his associates in its mastery of detail its clarity and simplicity of style even in its understatement this is a biography worthy in every respect of the man generally acknowledged to be the greatest American statesman of this century George C Herring The Register of the Kentucky Historical Society Pogue provides an excellent sometimes meticulous tracing of the general course of events and American decision making He has contributed a massive amount of information and produced a lengthy but readable account of American foreign and military policy during the Truman administration James L Gormly The History Teacher Pogue s selection and use of sources is impeccable he skillful ly blend s traditional documentary evidence and oral history interviews Ronald E Marcello The Oral History Review

**The Marshall Story** Robert Payne, 2017-02-07 Originally published in 1951 this is the story of the life and mind of George C Marshall soldier and statesman as told by a distinguished writer whose own background makes him particularly qualified to discuss some of the more controversial aspects of General Marshall s work since World War II Robert Payne carefully places George Marshall against the Virginia background from which he came and takes him from there through his education at V M I his experiences as a young officer the first indications of his genius in World War I his work between the wars his colossal achievement as one of the architects of victory in World War II his ill fated mission in China his contribution to the Marshall Plan and his present work in the military effort Showing in quite an extraordinary way how Marshall represents the strengths and weaknesses of the American tradition this book s study of the life of a great contemporary American illuminates the American scene with an insight rarely equalled in a biographical work This book will shatter some illusions about George C Marshall but it will also place him in the perspective of his time and demonstrate that he may be even greater than many of us have thought him to be Soldier and Statesman Harold Faber, 1964 A biography of the American general and advisor to Presidents Roosevelt and Truman He is credited with

forming an aid plan to restore Europe after World War II thus preventing the mistakes of World War I and the spread of Communism *George C. Marshall* R. J. Ogren, Sharon Ritenour Stevens, Larry I. Bland, 1997 **Soldier, Statesman, Peacemaker** Jack ULDRICh, 2005-04-22 No list of the greatest people of the 20th century is complete without General George C Marshall Winston Churchill called him the organizer of victory and the last great American President Harry Truman referred to him as the great one of the age Tom Brokaw called him the godfather of the greatest generation Even so many people know Marshall s name without being able to recall his many astonishing accomplishments Among them He personally trained future generals Eisenhower Bradley Ridgeway Patton and others As Chief of Staff of the U S Army before and during World War II he oversaw its expansion from a small homeland defense force smaller than Bulgaria s into the mightiest army ever assembled As Secretary of State he introduced the Marshall Plan which literally rescued Europe after the war He was the first professional soldier ever to win the Nobel Peace Prize and was twice named Time s Man of the Year Marshall s extraordinary career reflects unparalleled leadership traits and consummate skills among them vision candor a commitment to action the ability to listen and learn and not least selflessness In an extraordinary chronicle and analysis of legendary leadership Jack Uldrich brings the life and achievements of General Marshall front and center where they have always belonged *George Marshall* David L. Roll, 2019 Few lives are more worthy of examination than George Marshall and his fifty years of loyal service to his nation Set against the backdrop of four major conflicts two world wars Korea and the Cold War Marshall s education in military diplomatic and political power replete with their nuances and ambiguities runs parallel with America s emergence as a global superpower The result is a defining account of one of our most consequential leaders Generals of the Army James H. Willbanks, 2013-05-01 A concise account of the extraordinary careers of the five men who had perhaps the greatest impact on the US military of the late twentieth century Andrew Wiest author of *The Boys of 67* Charlie Company s War in Vietnam Formally titled General of the Army the five star general is the highest possible rank awarded in the U S Army in modern times and has been awarded to only five men in the nation s history George C Marshall Douglas MacArthur Dwight D Eisenhower Henry H Arnold and Omar N Bradley In addition to their rank these distinguished soldiers all shared the experience of serving or studying at Fort Leavenworth Kansas where they gained the knowledge that would prepare them for command during World War II and the Korean War In *Generals of the Army* James H Willbanks assembles top military historians to examine the connection between the institution and the success of these exceptional men Historically known as the intellectual center of the Army Fort Leavenworth is the oldest active Army post west of Washington D C and one of the most important military installations in the United States Though there are many biographies of the five star generals this innovative study offers a fresh perspective by illuminating the ways in which these legendary figures influenced and were influenced by Leavenworth This concise volume offers an intriguing look at the lives of these remarkable men and the contributions they made to the defense of the nation An excellent review of the lives and challenges on and off

the battlefield during trying times for our country Ike Skelton Former Chairman House Armed Services Committee US Congress

empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean Jaur s French socialist leader and pacifist Each synopsis provides information on each individual s enduring impact on the common understanding of fundamental themes of human existence     Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations     World War II Priscilla Roberts,2012-08-16 In this book an internationally renowned team of historians provides comprehensive coverage of all major campaigns and theaters of World War II synthesizing the tremendous breadth and depth of source materials on this global conflict It includes primary source documents created by both famous leaders and average citizens World War II The Essential Reference Guide provides a comprehensive overview of the major events campaigns battles personalities and issues of World War II supplemented by a selection of primary source documents Comprising essays written by leading international scholars that introduce non specialist readers to all the major theaters of the war this volume covers the entire span both geographically and chronologically of this far reaching conflict A selection of official and personal documents conveys the emotionally charged tenor of the period and the tremendous psychological impact of the war on those involved in it both directly and indirectly The book includes scholarly essays on enduring dilemmas of World War II such as whether the United States justified in dropping the atomic bomb on Japan as well as comprehensive essays on the causes course and consequences of the war

**U.S. Leadership in Wartime** Spencer C. Tucker,2009-09-10 A historical study of the relationship between civilian and military leaders in the United States during wartime from the American Revolution to the Iraq War Now from one of the world s leading publishers of military history comes a breakthrough reference on one of the most important and complex aspects of U S national defense U S Leadership in Wartime Clashes Controversy and Compromise offers a comprehensive analysis of the characteristics that constitute effective leadership in war and discusses the often contentious relationships between U S civilian and military leadership throughout American history U S Leadership in Wartime focuses on ten conflicts including the Revolutionary War the Civil War World Wars I and II the Vietnam War the Iraq War and the war in Afghanistan Coverage for each conflict focuses on the dynamics of civilian military relations and their impact on the course outcome and perception of each war under discussion Coverage in each chapter includes an overview essay sidebars and detailed treatments of key engagements and battles as well as detailed biographical essays of important figures not just politicians and generals but also labor leaders business leaders journalists and women     *Historical Dictionary of World War II* Anne Sharp Wells,2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf

Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II *A Companion to Harry S. Truman* Daniel S. Margolies, 2012-07-30

With contributions from the most accomplished scholars in the field this fascinating companion to one of America's pivotal presidents assesses Harry S. Truman as a historical figure politician president and strategist Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency Provides new approaches to the historiography of Truman and his policies Features a variety of historiographic methodologies **American Statesmen** Edward

Mihalkanin, 2004-08-30 The Secretary of State is in charge of defining and implementing U.S. foreign policy While that role has weakened some over the past 50 years a mere roll call of illustrious past Secretaries of State invokes the position's importance Thomas Jefferson Henry Kissinger John Quincy Adams William Jennings Bryan Henry Clay James Madison George C. Marshall George Schultz and Daniel Webster are just a few of the Secretaries profiled within these 65 entries Arranged A to Z each essay is multifaceted offering information personal professional and political The majority of each piece deals with foreign policy ideas before he or she became the Secretary what American foreign policy was like while in office and the major foreign policy issues during tenure Each piece concludes with a concise and useful bibliography A unique look at U.S. foreign policy making and diplomacy through the experience of the person whose job is to craft and implement it Each secretary's early life and background are included as is his or her education and influences Careers before becoming Secretary of State are detailed as are expressions of ideas relating to U.S. foreign policy prior to appointment Then the piece examines his tenure in office itself from appointment as secretary to relations with the President Cabinet and Congress Most importantly the major foreign policy issues of the day are given a thorough going over Finally the circumstances of leaving office a post career summary and then a general assessment of his or her accomplishments and shortcomings as secretary

*Commanding Generals and Chiefs of Staff, 1775-2013* William Gardner Bell, 1983 From the Foreword This volume provides short biographical sketches of the commanding generals and chiefs of staff who have led the United States Army Their rise through the levels of leadership to the pinnacle of their profession reveals both striking parallels and equally

fascinating contrasts While their responsibilities have evolved over the years the essential elements of leadership remain unchanged The format of this volume combines biographical information along with the officially designated portraits of the commanding generals and chiefs of staff It also includes brief accounts of the artists selected to paint the official portraits As an aspect of the Army art program these portraits add an interesting and revealing dimension to the biographer s words This volume not only celebrates the legacy of dedication and patriotism left by these leaders but also enhances our understanding of military leadership at the highest levels All those interested in the profession of arms should become familiar with those who have led our Army
