

# a soldier's song

We'll sing a song, a soldier's song,  
With cheering rousing chorus,  
As round our blazing fires we throng,  
The starry heavens o'er us;  
Impatient for the coming fight,  
And as we wait the morning's light,  
Here in the silence of the night,  
We'll chant a soldier's song.

Soldiers are we  
Whose lives are pledged to Ireland;  
Some have come  
From a land beyond the wave.  
Sworn to be free,  
No more our ancient sire land  
Shall shelter the despot or the slave.  
Tonight we man the gap of danger  
In Erin's cause, come woe or weal  
"Mid cannons" roar and rifles peal,  
We'll chant a soldier's song.

In valley green, on towering crag,  
Our fathers fought before us,  
And conquered 'neath the same old flag  
That's proudly floating o'er us.  
We're children of a fighting race,  
That never yet has known disgrace,  
And as we march, the foe to face,  
We'll chant a soldier's song.

## **Soldiers Song:**

**The Canadian Soldiers' Song Book** Various Authors, 2020-12-08 The Canadian Soldiers Song Book is a poignant anthology that captures the spirit of Canadian military life through a diverse compilation of songs from various eras Integrating traditional folk tunes with original compositions this collection reflects the camaraderie resilience and emotional depth experienced by soldiers during times of conflict particularly during the World Wars The book serves not only as a repository of wartime music but also as a testament to Canada's evolving national identity and the role of music in fostering a sense of belonging and morale among troops The lyrical simplicity and candid expressiveness of the songs resonate deeply showcasing the profound bond between music and memory in the context of war Various authors contribute to this compelling work drawing upon a rich history marked by personal experiences cultural heritage and the shared ethos of Canadian pride Their collective efforts underscore the significance of song as a unifying force among soldiers reflecting the sacrifices and tribulations faced by those who served This anthology ultimately acts as a tribute to the veterans and a cultural commentary on how music has chronicled the Canadian military narrative This book is recommended for historians music enthusiasts and anyone interested in the Canadian military experience It offers an insightful exploration into the emotional landscapes shaped by war enriching our understanding of how song serves as a vehicle for remembrance and a sense of home even amidst the chaos of combat

**Soldiers of Song** Jason Wilson, 2012-11-06 The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process Soldiers of Song tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity was not limited to troop shows along the trenches The group also managed a run in London's West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada

**The New Military Song Book. Edited and Selected by J. E. Carpenter** Joseph Edwards CARPENTER, 1865 **Diprose's Naval and Military Song-Book** John Diprose, 1856 *The Brigands' Song: Serving in the Army of A Native Chieftain*, 2021-12-20 This is an annotated edition of a traditional song text written in the Zhuang character script The Brigands Song is part of a living tradition sung antiphonally by two male and two female singers The song is probably unique in presenting the experiences of ordinary men and women during wartime in pre modern China The narrative relates how the men are sent off to war fighting as native troops on behalf of the Chinese imperial armies The song dates from the Ming dynasty and

touches on many topics of historical significance such as the use of firearms and other operational details [The Show Must Go On! Popular Song in Britain During the First World War](#) John Mullen, 2016-03-03 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War Mullen considers the position of songs of this time within the history of popular music and the needs tastes and experiences of working class audiences who loved this music To do this he dispels some of the nostalgic rose tinted myths about music hall At a time when recording companies and record sales were marginal the book shows the centrality of the live show and of the sale of sheet music to the economy of the entertainment industry Mullen assesses the popularity and significance of the different genres of musical entertainment which were common in the war years and the previous decades including music hall revue pantomime musical comedy blackface minstrelsy army entertainment and amateur entertainment in prisoner of war camps He also considers non commercial songs such as hymns folk songs and soldiers songs and weaves them into a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war *The History of Song Dynasty (Part II)* Li Shi, [The Show Must Go On! Popular Song in Britain During the First World War](#) Dr John Mullen, 2015-08-28 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War Mullen considers the position of songs of this time within the history of popular music and the needs tastes and experiences of working class audiences who loved this music To do this he dispels some of the nostalgic rose tinted myths about music hall At a time when recording companies and record sales were marginal the book shows the centrality of the live show and of the sale of sheet music to the economy of the entertainment industry Mullen assesses the popularity and significance of the different genres of musical entertainment which were common in the war years and the previous decades including music hall revue pantomime musical comedy blackface minstrelsy army entertainment and amateur entertainment in prisoner of war camps He also considers non commercial songs such as hymns folk songs and soldiers songs and weaves them into a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war **History of Military System in China** Zhi Dao, The book provides highlights on the key concepts and trends of evolution in the History of Military System in China as one of the series of books of China Classified Histories **Soldier songs, a new military song book** Joseph Edwards Carpenter, 1900 **The Golden Harpoon, Or Lost Among the Floes** Roger Starbuck, 1865 **Folk Music and Song in the WPA Ex-Slave Narratives** John Minton, 2025-02-17 Between 1937 and 1940 fieldworkers in the Works Progress Administration s Federal Writers Project interviewed around 3 500 formerly enslaved people in North America resulting in

roughly 20 000 pages of still unedited and inadequately indexed typescript These accounts the WPA ex slave narratives are the most substantial collection by far of folklore and oral history gathered directly from enslaved people in America It is arguably the single greatest body of African American folklore extant and a significant portion is devoted to folk music and song This book considers this treasure trove in all its relevant social cultural and historical contexts Nineteenth century Black folk music developed against the backdrop of North American slavery the American Civil War Emancipation the Federal occupation of the South and a successful white supremacist paramilitary and political insurgency that led to Federal withdrawal officially sanctioned racial terror and Southern apartheid The WPA ex slave narratives describe that history in remarkable detail Despite their inestimable value most of the ex slave narratives remained unpublished until the late 1970s being almost unknown except to folklorists Even after publication the collection's sheer size was a barrier Quoting extensively from the narratives and exhaustively annotated and indexed this volume provides readers with detailed explanations and full references for every musical item or tradition featured in the ex slave narratives John Minton covers instrumental music and social dancing spirituals and hymns singing games and lullabies ring plays and reels worksongs minstrel songs ballads war songs slavery laments and much much more Written for both specialists and general readers with 134 illustrations the book also offers a general overview of the ex slave narratives their contents creation and relation to the field of African American folklore as a whole *Song Source Material for the Activity Curriculum*, 1929

**War and Trade in Maritime East Asia** Mihoko Oka, 2022-04-06 This book is divided into two parts One is the state of trade in East Asia before and after the collapse of the tributary system to the Ming Dynasty and the other is the war of aggression in which Toyotomi Hideyoshi of Japan sent a large number of troops to the Korean Peninsula with a view of conquering China at the end of the sixteenth century With regard to East Asia in the sixteenth and seventeenth centuries the contributors in this book share a problem awareness in terms of using trade and war as subjects to clarify multi ethnic borderless and multilayered situations Although there are many chapters related to Japan this book tries to grasp the interaction between Japan as a region of East Asia and neighboring countries from a global perspective not the one singular national history

**The Power of Song** Guntis Šmidchens, 2014-01-01 The Power of Song shows how the people of Estonia Latvia and Lithuania confronted a military superpower and achieved independence in the Baltic Singing Revolution When attacked by Soviet soldiers in public displays of violent force singing Balts maintained faith in nonviolent political action More than 110 choral rock and folk songs are translated and interpreted in poetic cultural and historical context Watch the trailer <http://www.youtube.com/watch?v=Gh7vFFjK0rc>

**The Political History in Song, Liao, Jin and Xixia Dynasty** Li Shi, The book is the volume of The Political History in Song Liao Jin and Xixia Dynasty among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang

ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization. However, Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River. These Yellow River and Yangtze civilizations arose millennia before the Shang. With thousands of years of continuous history, China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization. The Zhou dynasty (1046–256 BC) supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule. The central Zhou government began to weaken due to external and internal pressures in the 8th century BC, and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature, and philosophy first developed during those troubled times. In 221 BC, Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi, or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death and was supplanted by the longer-lived Han dynasty (206 BC–220 AD). Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men well-versed in calligraphy, history, literature, and philosophy were carefully selected through difficult government examinations. China's last dynasty was the Qing (1644–1912), which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood, the most recent being the Chinese Civil War (1927–1949). China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China; in some eras, control stretched as far as Xinjiang and Tibet, as at present. Traditional culture and influences from other parts of Asia and the Western world, carried by waves of immigration, cultural assimilation, expansion, and foreign contact, form the basis of the modern culture of China.

*The Political History in Song, Liao, Jin and Xixia Dynasty* Li Shi, The book is the volume of *The Political History in Song, Liao, Jin and Xixia Dynasty* among a series of books of *Deep into China Histories*.
