Solo Plus One:

Solo Hazel Phillips, 2022-06-09 One afternoon in Auckland journalist Hazel Phillips decided to close her laptop and head for the hills She then spent the next three years living in mountain huts and tramping alone for days at a time all the while holding down a full time job As she ranged from Arthur's Pass and the Kaimanawa Forest Park to the Ruahine Range and Fiordland she had her share of danger and loneliness but she also grew in confidence and backcountry knowledge Her story of this solo life is an absorbing blend of adventure and humour combined with her research into tales from the past of ambition and death in the mountains She also casts a feminist eye over the challenges women climbers and explorers faced Full of pluck courage and resourcefulness this book is for all those who long to wade through emerald rivers and breathe the mountain air

Solo Mom Donna Sutherland, 2018-10-17 The title *Solo Mom* came about due to the experience of single parenting The word solo is an amazing word that can have several different connotations First it can mean so low which can indicate a state of being at a low point in life that feels deep and alone Second the word solo is one step up and means only or just one This seems to indicate that there is sadness or loneliness associated with it Then there is a solo flight This reminds me of when my son Brandon was taking pilot lessons After testing and practice with an instructor he finally was able to make his solo flight He had the power of the airplane at his fingertips and the ability to soar on his own He would fly over the house and call on his cell phone to say Mom can you see me now An exhilarating feeling of soaring on one's own because they have been entrusted with such a great responsibility And that is what our solo moments become when we continue to look upward to answers to our questions of Why

Naushadnama Raju Bharatan, 2014-04-14 The seven letters in Naushad's name are like the seven notes of Hindustani classical music After just a few years in films Naushad 1919 2006 went to rule the Hindi cinema music world for around two decades beginning with the landmark *Rattan* 1944 His oeuvre from 1940 to 2005 consists of an unmatched list of jubilees many of which are musical milestones such as *Andaz* 1949 *Baiju Bawra* 1952 *Mother India* 1957 and *Mughal e Azam* 1960 No individual stays supreme without putting in tremendous efforts to reach the pinnacle and to stay there as long as possible as our maestro did And no composer probably moved so cleverly behind the scenes than did Naushad to sustain his hold on the public imagination Although we continue to marvel at the incredible variety of his mellifluous creations that have withstood the test of time how little most of us know about Naushad the man Renowned song historian Raju Bharatan fleshes out the real Naushad his triumphs and tragedies bringing into play more than 50 years of personal interaction with the tuneful titan In the process the author makes the book more sparkling with a string of anecdotal gems For instance How Naushad and his contemporaries despite their professed bonhomie were fiercely competitive both musically and monetarily in their attempts to occupy the top spot How many days of rehearsal were needed for some of the Baiju Bawara masterpieces How the immortal compositions of *Mughal e Azam* were recorded in a

studio no better than a tin shed This volume also throws new light on the relations and interactions between Naushad and his singers especially Suraiya Mohammed Rafi Lata Mangeshkar Asha Bhosle and Shamsad Begum his songwriters mainly D N Madhok Shakeel Badayuni and Majrooh Sultanpuri and his unsung instrumentalists some of whom were geniuses in their own right Michael Jackson the Solo Years Craig Halstead, Chris Cadman, 2003 The main focus of this book is on Michael's career from the late 1970s onwards It features a complete chronological listing of every album one off single and collaboration Michael recorded during this period Throughout the book albums are printed in CAPITALS to distinguish them from singles and other songs Each entry features American and UK catalog numbers and release dates artist credits as per the actual release album track listings and chart positions achieved in the States Hot 100 and R B charts the UK and numerous other countries Other significant aspects of Michael's life are included as well and the book concludes with a comprehensive cartography USA and UK top singles and albums awards movies and videography discographies USA and UK and a fascinating listing of rarities from around the world *Solo* Anita Lo, 2018-10-30 EATER'S COOKBOOK OF THE YEAR From the Michelin starred chef and Iron Chef America and Top Chef Masters contestant a hilarious self deprecating gorgeous new cookbook the ultimate guide to cooking for one With four color illustrations by Julia Rothman throughout The life of a chef can be a lonely one with odd hours and late night meals But as a result Anita Lo believes that cooking and dining for one can and should be blissful and empowering In *Solo* she gives us a guide to self love through the best means possible delicious food in 101 accessible contemporary and sophisticated recipes that serve one Drawn from her childhood her years spent cooking around the world and her extensive travels these are globally inspired dishes from Lo's own repertoire that cater to the home table Think Steamed Seabass with Shiitakes Smoky Eggplant and Scallion Frittata Duck Bolognese Chicken Pho Slow Cooker Shortrib with Caramelized Endive Broccoli Stem Slaw Chicken Tagine with Couscous and Peanut Butter Chocolate Pie even a New England clambake for one Pssst Want to share Don't worry these recipes are easily multiplied **Bach's Works for Solo Violin** Joel Lester, 2003-11-27 J S Bach's sonatas and partitas for solo violin have been central to the violin repertoire since the mid 18th century This engaging introduction to these works is the first comprehensive exploration of their place within Bach's music focusing on their structural and stylistic features as they have been perceived since their creation Combining an analytical study a historical guide and an insightful introduction to Bach's style this book will help violinists scholars and other listeners develop a deeper personal involvement with many aspects of these wonderful pieces Ronald E.
