Solomon39s Touch:

Solomon's Prayer Eep Talstra, 1993 Peeters 1993 *Visions and Violence in the Pseudepigrapha* Craig A. Evans, Brian Leport, Paul T. Sloan, 2021-12-16 The nine essays that make up this volume provide cutting edge studies of how sacred tradition is given new expression through vision and interpretation The first four essays focus on the expansion of the sacred tradition primarily through vision The evolution of the Solomon legacy from wise king to healer and exorcist is explored as well as its contribution to the demonology of the desert fathers especially as it concerns eroticism and sexual temptation The varied receptions of the Revelation of the Magi and Shepherd of Hermas are also considered The remaining five essays address important questions relating to polemic and violence in the Pseudepigrapha How does the author of the Liber Antiquitatum Biblicarum justify God s alternating judgment and favor How does Enoch s Animal Apocalypse make use of the Exodus tradition in its expression of deliverance On what basis can the author of Qumran s War Scroll confidently predict Israel s vindication And finally what accounts for the appearance of the tradition of Gehenna in which the wicked will meet their fiery end

Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are

written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

Impeccable Solomon? Yong Ho Jeon,2013-03-06 Solomon s idolatry his murder of his political enemies and his role in the breakup of the kingdom which are bluntly presented in Kings are omitted in Chronicles Is King Solomon presented as impeccable in Chronicles in stark contrast to his portrayal in Kings Is Solomon idealized in Chronicles at the cost of honest writing of history To this question the consensus view says Yes However Yong Ho Jeon takes a different route and maintains that the Chronicler s portrait of Solomon is much more nuanced than many suppose Jeon employs a reader sensitive approach that considers the biblical writer s intention to use his readers prior knowledge and the reading process itself to present a portrait of Solomon Applying this methodology results in a new interpretation of Solomon not only in Chronicles but in Kings as well
