Solomon Says A Speakout On Foster Care:

Solomon Says Louise Armstrong, 1989-11-01 The author of *Kiss Daddy Goodnight* uses the same compassionate down to earth style to explore the world of foster care one of stigma and taboo devoid of the family identity most people take for granted

Solomon Says Louise Armstrong, 1989 *Bias in Psychiatric Diagnosis* Paula J. Caplan, Lisa Cosgrove, 2004-10-08 The public has a right to know that when they go to a therapist they are almost certain to be given a psychiatric diagnosis no matter how mild or normal their problems might be It is unlikely that they will be told that a diagnosis will be written forever in their chart and that alarming consequences can result solely from having any psychiatric diagnosis It would be disturbing enough if diagnosis was a thoroughly scientific process but it is not and its unscientific nature creates a vacuum into which biases of all kinds can rush *Bias in Psychiatric Diagnosis* is the first book ever published about how gender race social class age physical disability and sexual orientation affect the classification of human beings into categories of psychiatric diagnosis It is surprising that this kind of book is not yet on the market because it is such a hot topic and the negative consequences of psychiatric diagnosis range from loss of custody of a child to denial of health insurance and employment to removal of one's right to make decisions about one's legal affairs It is an unusually compelling book because of its real life relevance for millions of people Virtually everyone these days has been a therapy patient or has a loved one who has been In addition psychiatric diagnosis and biases in diagnosis are increasingly crucial portions of or the main subject of legal proceedings This book should sit next to every doctor's PDR especially given the skyrocketing use of psychoactive drugs in toddlers children and adolescents as well as in adults and especially because receiving a psychiatric label vastly increases the chances of being prescribed one or more of these drugs A Jason Aronson Book **Drug**

Treatment Issues United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health and the Environment, 1990 **I Would Be Loved** Linda Falkner, 2002 In the early 1990s at the peak of the crack cocaine epidemic the author Linda Falkner became a foster parent Most of her children were infants who had been exposed to alcohol and drugs Trying to help these children fit into her home and the world was only the beginning of the challenges she and her family faced *I WOULD BE LOVED* is about kids who were damaged by drugs alcohol abuse and by the system meant to protect them The older foster children had been emotionally physically and often sexually abused One foster child a girl named Pixie came to live with the Falkner family after leaving foster care at eighteen She had grown up in hundreds of foster homes and was severely mentally ill Pixie lived with the Falkner's on and off for ten years In that time they taught her many life skills and tried to let her know that she is loved but that was the hardest lesson of all for her to learn *I Would Be Loved* is Pixie's story as much as it is Linda's **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for

women's studies information for each title along with a detailed often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs, and it is a useful addition to any academic or public library that endeavors to represent the field. A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century. The result is this truly monumental work which maps the field, covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb, Searing, and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs, and a welcome addition to any academic or public library that endeavors to represent the field. *From Surviving to Thriving* Christine

Dinsmore, 1991-01-01 This book will be of great value to any survivor of incest. Equally important, Christine Dinsmore teaches the rest of us, therapists, family members, and friends, how to be helpful to the survivor who takes on the task of ending the secrecy, recovering memories, and experiencing feelings. Dinsmore points out that the recovery process is unique for each survivor. You won't find any pat formulas here. Instead, the reader is left with a sensitivity and an awareness of the role one might play in the survivor's journey. From the Foreword, Jane R. Hirschmann. *From Surviving to Thriving: Incest, Feminism, and Recovery* analyzes incest recovery from a feminist perspective. It is based on research with incest survivors and years of therapy with survivors of childhood sexual abuse. Unlike other writings on incest recovery, this book links the incest with patriarchy and its belief in male sexual entitlement. The discussions of incest and its traumatic effects, society's response to the sexual abuse of children, the recovery process, and the role of the supporting cast are reinforced by the words of incest survivors themselves. A detailed account of the incest healing treatment is also provided, with specific treatments suggested for therapists working with incest survivors. *Radically Speaking* Diane Bell, Renate Klein, 1996 The contributors to

Radically Speaking show that a radical feminist analysis cuts across class, race, sexuality, region, religion, and across the generations. It is essential reading for Women's Studies, sociology, cultural studies, and anyone interested in processes of social change. The collection reveals the global reach of radical feminism and analyzes the causes and solutions to patriarchal oppression. Seventy writers discuss their ideas and practice of contemporary feminism. **Feminist Foremothers in**

Women's Studies, Psychology, and Mental Health Ellen Cole, Esther D Rothblum, Phyllis Chesler, 2014-05-12 Feminist Foremothers in Women's Studies Psychology and Mental Health is by and about the more recent wave of feminist foremothers those who were awakened in the 1960s and 70s to the realization that something was terribly wrong These are the women who created the fields of feminist therapy feminist psychology and women's mental health as they exist today The 48 women share their life stories in the hope that they will inspire and encourage readers to take their own risks and their own journeys to the outer edges of human possibility Authors write about what led up to their achievements what their accomplishments were and how their lives were consequently changed They describe their personal stages of development in becoming feminists from unawareness to activism to action Some women focus on the painful barriers to success fame and social change others focus on the surprise they experience at how well they and the women's movement have done Some well known feminist foremothers featured include Phyllis Chesler Gloria Steinem Kate Millett Starhawk Judy Chicago Zsuzsanna Emese Budapest Andrea Dworkin Jean Baker Miller Carol Gilligan In Feminist Foremothers in Women's Studies Psychology and Mental Health many of the women see in hindsight how prior projects and ideas and even dreams were the forerunners to their most important work They note the importance of sisterhood and the presence of other women and the loneliness and isolation experienced when they don't exist They note the validation they have received from grassroots feminists in contrast to disbelief from professionals Although these women have been and continue to be looked up to as foremothers they realize how little recognition they've been given from society at large and how much better off their male counterparts are Some foremothers write about the feeling of being different not meshing with the culture of the time and about challenging the system as an outsider not an insider These are women who had few mentors who had to forge their own way hit the ground running Their stories will challenge readers to press on to continue the work these foremothers so courageously started Throughout the pages of Feminist Foremothers in Women's Studies Psychology and Mental Health runs a sense of excitement and vibrancy of lives lived well of being there during the early years of the women's movement of making sacrifices of taking risks and living to see enormous changes result Throughout these pages too sounds a call not to take these changes for granted but to recognize that feminists rather than arguing over picayune issues or splitting politically correct hairs are battling for the very soul of the world

Clearinghouse Review, 1990 *Street Kids* Marlene Webber, 1991-01-01 In cities across North America teenage runaways are struggling to stay alive Some don't make it to adulthood Some do but their lives rarely rise above the despair that brought them to the streets in the first place A few manage to beat the street to get their lives back on track In this disturbing account Marlene Webber draws on extensive interviews with these kids to explore the realities of street life its attraction and its consequences Street kids like to project an image of themselves as free wheeling rebels who relish life on the wild side All brashness and bombast they strut around inner cities panhandling posturing and prostituting themselves Labelled society's bad boys and girls they often live up to

their image But as sixteen year old Eugene tells us the street forces bravado on homeless adolescents but underneath a lot of kids are plenty scared Eugene is only one of many street kids who talked to Webber in major cities across Canada She lets her subjects tell their own stories their voices are sometimes brave sometimes bitter often heartbreaking Webber cuts a comprehensible path through the tangle of forces including family breakdown and social service failure that accelerate the tragedy of Canada's runaways She suggests measures that might help more of them beat the streets Golden Gulag Ruth Wilson Gilmore, 2007-01-08 Publisher description **Child Right**, 1990 Infant Victims of Drug Abuse United States. Love, 2006-09-22 Documenting key feminists who ignited the second wave women's movement Barbara J Love's Feminists Who Changed America 1963 1975 will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women's movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott's foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements **Women's Studies Index**, 1992 Rocking the Cradle of Sexual Politics Louise Armstrong, 1994 In 1978 Louise Armstrong started it all by writing *Kiss Daddy Goodnight* the bestselling book that spoke the terrible truth about incest Now more than fifteen years later she stops to ask the questions How did we get here How did we get from dread taboo to the point where talk of incest is routine and banal a pet of the talk shows How did we get from serious inquiry into what causes incest to exclusive focus on what incest causes How did we get from total disbelief to a brief moment of belief in the testimony of women and children to the point where once again women's and children's credibility is

under attack To False Memory Syndrome and adult survivors undergoing exorcism into a glare and cacophony such that the best interests of our children are still being forsaken and self described healers and empowerers are getting rich Rocking the Cradle of Sexual Politics is the story of skillfully mounted backlash But it is also the story of how it is now possible for the powers that be to use noise to achieve the end that was once served by repression and enforced silence and how they defuse the political the potentially politically explosive by turning it into the personal It is alas also the story of the power of the promise of help and the language of treatment to infantilize massive numbers of women and to lead us away from any serious action for change BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
